In Spite of the Odds Jason Aronson, Incorporated

Only a few decades past, academia tended to scoff at the very idea of serious Pentecostal theology. Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus. Arguably, an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological "essentials." What is Pentecostal theology really all about anyway? This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers' worship of God in prayer and praise, in holy living, and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit. Authentic implementation, if not explicit

articulation, of fervent Pentecostal theology often occurs in the vitality of local churches, house fellowships, and various mission settings in America and around the world. Birthed in the fires of revival movements, essential Pentecostalism, including Pentecostal theology, continues to burn brightest wherever it is fueled most directly.

Shadow Mirror Puffin

Focusing especially on American comic books and graphic novels from the 1930s to the present, this massive four-volume work provides a colorful yet authoritative source on the entire history of the comics medium. •

Provides historical context within individual entries that allows readers to grasp the significance of that entry as it relates to the broader history and evolution of comics • Includes coverage of international material to frame the subsets of American and British comics within a global context • Presents information that will appeal and be of use to general readers of comics and supply coverage detailed enough to be of significant value to scholars and teachers working in the field of comics

NEW YORK TIMES BESTSELLER • A compassionate, intelligent, and wry series of Christian daily reflections on learning to live with imperfection in a culture of self-help that promotes endless progress, from the author of *Everything Happens for a Reason* and the executive producer of the *Everything Happens* podcast "Brilliant, hilarious, absurd, honest, hopeful, true-hearted, and good to the core."—Sarah Bessey, editor of *A Rhythm of Prayer* and author of *Jesus Feminist* In Kate Bowler's bestselling memoir *Everything Happens for a Reason*, readers witnessed the ways she, as a divinity-school professor and young mother, reckoned with a Stage IV cancer diagnosis; in her

follow-up memoir, *No Cure for Being Human*, she unflinchingly and winsomely unpacked the ways that life becomes both hard and beautiful when we abandon certainty and the illusion of control in our lives. Now, in their first-ever devotional book, Kate Bowler and co-author Jessica Richie offer 40ish short spiritual reflections on how we can make sense of life not as a pursuit of endless progress but as a chronic condition. This book is a companion for when you want to stop feeling guilty that you're not living your best life now. Written gently and with humor, *Good Enough* is permission for all those who need to hear that there are some things you can fix—and some things you can't. And it's okay that life isn't always better. In these gorgeously written reflections, Bowler and Richie offer fresh imagination for how truth, beauty, and meaning can be discovered amid the chaos of life. Their words celebrate kindness, honesty, and interdependence in a culture that rewards ruthless individualism and blind optimism. Ultimately, in these pages we can rest in the encouragement to strive for what is possible today—while recognizing that though we are finite, the life in front of us can be beautiful.

Richie's Rocket Resource Publications (CA)

At 5'7" and 155 pounds, Richie overcame the obstacles and the naysayers to earn a full SEC scholarship and a place in Ole Miss tradition. His journey chronicles the trials and tribulation of a boy with a dream and the realities of Division I college football in the SEC.

Jazz on Film and Video in the Library of Congress WestBow Press

A tribute to Richie Benaud and a celebration of his life. A compilation of the very best writing from Richie's books, along with the best tributes and obituaries from those who knew and worked with him. As a player, Richie was one of the greatest of cricket's all-rounders. As a commentator and thinker on the game he became the leading figure of his generation. As a man he was revered by cricket's multitude of followers and as a friend he was both loved and admired by his close circle of friends. This celebratory book brings together the best of Richie's writing on a range of subjects from his love of cricket as a child to his all time XIs; from his thoughts on T20 to insight into his family life, along with his

most loved sayings and best known pieces of commentary. All perfectly complemented with tributes from his friends and colleagues.

Remembering Richie Shengold Books
This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form, style, and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice. The Kerygmatic Spirit argues that Spirit-empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship. Hence, rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name, these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father. Whether read or heard (there are links to video and audio archives throughout), these homilies are illustrative of exegetical and expositional practice that connects the biblical text with Spirit-filled faithfulness in the twenty-first-century ecumenical church and world at large.

Billboard Convergent Books
Could the Gospel that we commonly proclaim in the US be labeled, "Made in America?" Have "Americanisms" and cultural insertions unknowingly slipped into our message? Can the "Cultural Fence" encountered when we attempt to minister cross-culturally serve as a filter to help purify our Gospel presentation and return it to the powerful, supra-cultural Gospel of which the Apostle Paul was not ashamed? The answer to these and

many other questions make *Playing Both Sides of the Fence* required reading for all who care to proclaim the Good News to the World.

Billboard

When Miranda Barnes first sees the sleepy town of St. Yvette, Louisiana, with its moss-draped trees, above-ground cemeteries, and her grandfather's creepy historic home, she realizes that life as she knew it is officially over. Almost immediately, there seems to be something cloying at her. Something lonely and sad and . . . very pressing. Even at school and in the group project she's been thrown into, she can't escape it. Whispers when she's alone, shadows when no one is there to make them, and a distant pleading voice that wakes her from sleep. The other members in Miranda's group project, especially handsome Etienne, can see that Miranda is in distress. She is beginning to understand that, like her grandfather before her, she has a special gift of communicating with spirits who still walk the town of St. Yvette. And no matter where she turns, Miranda feels bound by their whispered pleas for help . . . unless she can somehow find a way to bring them peace.
