Practical, Everyday

Introduction to

Deliverance for All

Christians For most

Christians, the word

deliverance often

brings negative

connotations to mind:

lots of yelling and

holy water and

darkness--maybe even

something from a

Hollywood horror movie

exorcism. But

deliverance is not

about shouting or

showmanship. It is

about the simple act of  
asking Jesus for help,  
for freedom, and using  
his authority over the  
enemy. In this  
accessible and  
practical guide,  
evangelical leader and  
bestselling author  
Larry Richards walks  
you through the who,  
what, when, where,  
why, and how of  
deliverance. In  
everyday language, he  
shows how you can  
apply this information  
to your life and the  
lives of your friends  
and family. As  
children of God, we  
have been given access  
to Jesus' death-  
defying power to help  
free ourselves and  
others from evil. You  
don't have to continue  
to struggle with  
persistent problems or  
strongholds. Your  
loved ones can be  
freed from the lies or  
addictions that hold

them back. There is hope in Christ--you can live in freedom! Includes an extensive glossary of terms and appendixes with prayers and even more practical resources. Breakthroughs AWAIT in EAST WINDOW Gospel Light Publications

Welcome to Deliverance-a theological and experiential journey in dealing with evil so people can be set free to live as Jesus promised. "Jon Thompson has become a leading voice on deliverance ministry, especially those of us facing a rise in demonic manifestations in secular cities. Jon has been beyond helpful-wise, experienced, thoughtful, biblical, and deeply prophetic." -- John Mark Comer, Pastor of Bridgetown Church and author of *The Ruthless Elimination of Hurry* "Following on the heels of his dynamite *Convergence*, Jon Thompson now tackles the huge issue of deliverance. I have

read a lot on this subject throughout the fifty years I have been in ministry, but nothing is as comprehensive, as Biblically and theologically thorough, and as practically accessible as *Deliverance*. Bible-book by Bible-book, Jon leads us through the truth about the ministry of deliverance. And then step-by-step, Jon walks us into the nitty-gritty dynamics of such ministry in the local church. Would that this book had been available the last few decades. Thank God it is available now!" -- Darrell Johnson, Teaching Fellow at Regent College and author of *Discipleship on the Edge* and *The Glory of Preaching* "This is an amazing resource around topics many would rather avoid but which is as real as anything else we face today in ministry. Jon has done a great job laying out the theological/biblical teachings on the demonic and spiritual realm and the practical/pragmatic realities

---

from years of actual on-the-ground practical ministry. This book will serve you so well as a Christian, a leader, or just someone interested in this extremely important topic." -- Mark Clark, Senior Pastor of Village Church and author of *The Problem of God and The Problem of Jesus* ---- Most Christians would agree that we are the only ones on earth equipped to help our family, friends, and neighbours when it comes to supernatural evil. Or at least we say we believe it. We say "yes" intellectually, but when it comes to actually dealing with evil, many of us are afraid and feel out of our depth. What does the Bible really say about the demonic? How did Christians deal with this in various cultures over 2000 years? Do we even need this conversation? For pastor and theologian, Jon Thompson, this has been a journey more than 20 years in the making as he and his church found themselves working

through how to help desperate people and still remain rooted in Scripture. In this book, Jon will lead you on a journey through the pages of Scripture and the experiences of Christians throughout the centuries as he outlines what has always been universally applicable when dealing with evil and what must be adapted to fit our different churches and cultures. Topics include: The Scriptural basis for deliverance Deliverance throughout church history An explanation of spiritual authority The role of spiritual gifts in deliverance ministry An evaluation of the five major deliverance models Outline of a mixed model approach to deliverance No matter our history, theology, bias, pain, or disbelief, we all need to engage in this conversation because there are people all around us who desperately need to be set free to live as Jesus promised. About the Author: Jon Thompson is the Senior Pastor

---

of Sanctus Church, a multi-site church of over 3,000 people in the Greater Toronto Area where he has been on staff for more than 20 years. Under Jon's leadership, Sanctus is characterized by dynamic Biblical teaching, vibrant community groups, compelling media, and powerful times in worship. Jon has a Master of Theological Studies from Tyndale Seminary and a Doctorate of Missiology from Fuller Seminary.

Divine Deliverance TAN Books

Spiritual warfare is real, and we are all involved whether we like it or not. The Bible plainly tells us that Satan schemes against humanity and that he wants to devour us. Daily we struggle against Satan's strategies and desire to take over God's kingdom. This battle will not go away, and

ignoring it could be disastrous. But don't be afraid. The victory is already won by Christ. No enemy is powerful enough to overcome the risen savior. In these pages, Mark Bubeck exposes the reality of the conflict and the hope believers have. He answers such questions as: What is Satan's strategy in spiritual warfare? Can a Christian be oppressed by demons? Can demonic affliction be passed down through family lines? What are the symptoms of demonic activity in a person's life? Having sold more than 350,000 copies worldwide, this bestseller will help the reader triumph in the battle against demonic activity by relying on the almighty and powerful Son of God.

Manual for Spiritual Warfare

Sophia Institute Press

What are spiritual gifts? Author

and pastor Sam Storms has spent

several decades teaching on the

topic of the spiritual gifts and

equipping believers in the

faithful practice of God's gifts.

Yet there remains a great deal of

confusion about the nature of the

gifts and how they best function

in the body of Christ. In this

comprehensive guide to the

spiritual gifts, Storms addresses

the many bizarre and misleading

interpretations that abound and

confronts the tendency to

downplay the urgency of spiritual

gifts for Christian living and

ministry. He explains how

spiritual gifts, both the more

miraculous and the somewhat

mundane, are given to build up

the body of Christ. God has

graciously provided these

"manifestations of the Spirit" so

that believers might encourage,

edify, strengthen, instruct, and

console one another, all with a

view to an ever-increasing,

incremental transformation into

the image of Jesus Christ.

Throughout this guide, Storms

unpacks the glorious truth that

there is a supernatural and divine

energy or power that fills and

indwells the body and soul of

every born-again believer. God

does not call upon us to speculate

about the nature of this power or

---

to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives. Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today.

### I Give You Authority Spiritual Warfare

Though Satan has no right to rule in a believer's life, he can subtly build a stronghold-brick by brick, layer by layer-until he is a dominating force in your life. Mark Bubeck asserts that spiritual warfare requires careful preparation, biblical obedience, and persistent prayer. The Adversary prowls,

but he's already been beaten.

This book is an essential follow-up to the bestselling *The Adversary*, in which Bubeck helps Christians grasp prayer practices that enable a victorious walk. Building on the practical instruction of *The Adversary*, this book shares examples of demonic activity and carries you through the perils and challenges of spiritual warfare. The author focuses on four weapons needed to wage the battle against the enemy.

### **Dangers of the Spirit**

#### **World Lifeway Church**

#### **Resources**

The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is

there a kingdom of Satan.

And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake.

Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can

---

offer them? The good news is the joy and freedom of inner that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. Understanding Spiritual Warfare explains the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in spiritual healing, and in the case of some, physical healing as well. Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

**Winning the War Through Prayer** Lifetogether Satan is always at work breeding sadness and anxiety while providing obstacles that prevent souls from making spiritual progress. In this concise yet powerful book, author Dan Burke presents the venerable, time-tested wisdom of Catholic mystics

---

to help you understand the influence of the Enemy on your mind and heart, and the tactics you need to combat him. With St. Ignatius as his guide, Burke presents here an indispensable, authoritative manual for engaging in daily battle with the Adversary—combat that is both inevitable and winnable. Burke will help you recognize the ebbs and flows of consolation and desolation, and distinguish between the voices of God and of Satan. Best of all, you'll come to see the spiritual life not as a science to be learned, but as an intuitive art to be practiced as you move with increasing success from habitual sin to sanctity. The battle for our souls is unavoidable. The saints won theirs by learning how to be spiritual warriors and by recognizing that we become stronger through battle and grow weaker from avoidance. With this book as your guide, you'll grow in strength and contentment as you learn: -How to take captive every negative thought and make it obedient to Christ -St. Ignatius's revelations exposing how the Devil seeks to influence us -The Paradigm of Ascent and the Five Steps to Sanctity -The three ways you can discern "Good Spirits" from "Bad Spirits" -The three principal causes of desolation—and what you must do when it afflicts your soul -Proven methods for moving away from sin and toward self-giving love of God and neighbor.

What Every Believer Should Know about Spiritual Warfare  
Zondervan

This is a true story. His eye balls were rolling inside his skull as he came out of Cecilia's home. "What is the problem?" we asked

him. This is not the person I use to know because his behavior changed. As we began to pray for him, he turned violent that three of us could hardly hold him down. About one hundred and forty four demons were cast out of him. The last twelve demons refused to leave as they claimed ownership of this brother. We stood our ground that brother Paul is a child of God. We rebuked and cast them out. Reluctantly they left, remaining their leader that also left after all false claims. This violent brother by now was slain in the spirit and slept like a baby for quite some time. When he woke up he looked surprised wondering what has happened. What happened was that he had gone and laid hands on this said Cecilia when he heard her screaming and shouting. Cecilia was not born again and had been demon possessed and ran mental for years. The junior sister who is a Christian shared with us in fellowship how the demons that visit or that are in her senior sister Cecilia one day threw her, the junior sister out of her own room
