In the expanded edition of this profound exploration of Christian identity, David G. Benner illuminates the spirituality of self-discovery. He exposes the false selves that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ. Deepen your experience of God through discovering the gift of being yourself.

### **Seven Spiritual Gifts of Waiting** Wipf and Stock Publishers

You are allowed to be happy! Discover 100 simple, biblical truths that will bring more happiness into each day of your life. The Year of Living Happy will help you take a daily step toward joy and contentment as you ditch stress, overwhelming thoughts, and boredom with encouraging and biblical messages from author and speaker Alli Worthington. How would your life be different if you were just a bit happier every day for a year? What would you do to enjoy life just a little more day by day? You do your best to live life well—you work hard to be present in the moment, take care of the people in your life, knock it out of the park at work and home. And yet, somehow, you still have days (perhaps more than you'd like to admit) where you're simultaneously stressed and bored, and you wonder if you even know how

---

to be happy. In *The Year of Living Happy*, Alli Worthington guides you to embrace your happiest life yet as you explore the truth of God's love and what He wants for your life. Each of the 100 short and inspirational entries includes: A thoughtful message from Alli, based on God's Word  
Practical ways to make your life happier day by day  
A journaling section  
Over the years, Alli's seen how happiness gets a bad rap in some Christian circles, and now she is standing up to shout the good news from the roof: You are allowed to be happy! Yes, you! You can be happy right now!  
*The Year of Living Happy* features a fabric spine, a presentation page, lovely, designed interiors, and a ribbon bookmark, and it is an uplifting gift for yourself or any woman you love. It is the perfect gift for Christmas, birthdays, Mother's Day, New Year's, or other special occasions. It can be used as a daily devotional or as a guided journal. Take your first step toward increased happiness with *The Year of Living Happy*. Don't miss the great big adventure God has for you. Let this be the year of living happy!

Harper Perennial Modern Classics presents the rediscovered spiritual writings of Søren Kierkegaard, edited and translated by Oxford theologian George Pattison. Called "the first modernist" by *The Guardian* and "the father of existentialism" by the *New York Times*, Kierkegaard left an indelible imprint on existential writers from Sartre and Camus to Kafka and Derrida. In works like *Fear and Trembling*, *Sickness unto Death*, and *Either/Or*, he by famously articulated that all meaning is rooted in subjective experience—but the devotional essays that Patterson reveals in *Spiritual Writings* will forever change our understanding of the great philosopher, uncovering the spiritual foundations beneath his secularist philosophy.

*Kierkegaard Bibliography* The Golden Sufi Center  
In this expanded edition of a spiritual formation classic, David G. Benner explores the twin themes of love and surrender as the heart of Christian spirituality. God doesn't want his people to respond to him out of fear or obligation, but invites us to enter into an authentic relationship of intimacy and devotion—by surrendering to love.

*The Rebirthing of God* InterVarsity Press

"By far the most profound thinker of the 19th century" -Ludwig Wittgenstein

"Kierkegaard's great contribution to Western philosophy was to assert, or to reassert with Romantic urgency, that, subjectively speaking, each existence is the center of the universe." -John Updike, *The New Yorker*

---

Williamson delves deeply into the powerful role of change in our lives today. Far from something to fear and avoid, she says, every change—even the most difficult and painful—gives us an opportunity to receive the miraculous gift of personal transformation into what we are capable of becoming. The only real failure in life, she observes, is the failure to grow from what we go through. We will find real growth, Williamson gently teaches us, when we reorient ourselves with an eternal compass of spiritual principles, which alone can guide us on this path to wholeness.

### I See Men as Trees, Walking Harper Collins

How might the formal Christian doctrine of the Trinity make a real concrete difference in the lives of individuals and in the life of the church? This book proposes there are two parts to answering this important but elusive question. In the first place, how on earth did the Early Church actually reach its conclusions about this understanding of God, and why? What's the real point behind their endeavors? How might we apprehend what is otherwise sheer mystification--or even nonsense in some people's minds? Arising out of the answers to such questions, we can secondly construct an appropriately simple model of the Trinity. By means of this model, we can understand with sufficient justice the ways the triune God has come among us in our human history, ways that are still ongoing today. For the proposed model allows us to begin to appreciate the true mystery of the Christian Faith, while also making a practical

difference to the lives of Christian discipleship, in prayer, worship, and mission.

Works of Love in a World of Violence Harper Collins  
Humanity has been given access to the secrets of oneness, but we need to learn how to work with them. Working with Oneness brings mysticism into the center of the marketplace, into the world of business and technology, and shows how we can work with it in everyday life. The dynamic energy of oneness has the potential to heal the planet and revolutionize life more than we can imagine, but it requires our individual participation and awareness to become fully alive. The energy of oneness is already present but waiting to be lived, and Llewellyn Vaughan-Lee provides a blueprint for working consciously with this energy. As we understand how our consciousness affects the whole fabric of life, the potential for real global change comes alive. Llewellyn Vaughan-Lee stresses the need to change from hierarchical, patriarchal power structures to organic patterns that allow for the free flow of energy and ideas. Through these patterns the dynamic energy of oneness can become part of everyday life. Working with Oneness includes a number of additional important topics, including: the changing energy structure of the planet and how to work with it; the power of individual consciousness; the danger of the desire for spiritual security; the return of joy to everyday life; the

---

awakening of the heart of the world; a new understanding of magic; the use of the imagination; and mystical participation in life with the energy of oneness. Working with Oneness offers guidance on how to work with the energy of oneness, to learn how to participate in life free of the patterns of the past, so that the divine can come alive in every moment of every day. Working with Oneness is mystical activism at its most potent. “ There is a growing and eager audience waiting for a vision of unity consciousness... Working with Oneness offers a salutary antidote to worn-out antagonisms. It challenges readers to join other kindred souls in a mystical activism that can bring new hope to humanity. ” —Spirituality & Health

“ A book filled with wonder and the kind of insights that can leap out to your heart and gladden you for having read them. It's words are simple and straightforward—always a blessing—but its message is the most vital and important for the time in which we live. I recommend it. ” —David Spangler, author, Blessings: the Art and the Practice

*The Hidden Authorship of Søren Kierkegaard* Wipf and Stock Publishers

The essays in *The Philosophy of Spirituality* explore a new field in philosophy. Until recently, most philosophers in the analytic and continental Western traditions treated spirituality as a religious concept. Any non-religious spirituality tended to be neglected or dismissed as irremediably vague. Here, from various philosophical and cultural perspectives, it is addressed as a subject of independent interest. This is a philosophical response to increasing numbers of spiritual but not religious people inhabiting secular societies and the heightened interaction between a multitude of spiritual traditions in a globalized age. A provocative array of approaches (African, Indigenous, Indian, Stoic, and Sufic perspectives, as well as Western analytic and continental views) offer fresh insights, many articulated by emerging voices. Contributors are Mariapaola Bergomi, Moses Biney, Christopher Braddock, Drew Chastain, Kerem Eksen, Nikolay Milkov, Roderick Nicholls, Jerry Piven, Heather Salazar, Eric Steinhart, Richard White, Mark Wynn and Eric Yang.

*The Best Spiritual Writing 2010* B&H Publishing Group

In this new collection, Oxford theologian George Pattison translates and selects Søren Kierkegaard's previously neglected writings on spirituality—works that greatly deepen our understanding of the influential thinker. In philosophy and literature, Kierkegaard ("By far the most profound thinker of the nineteenth century"—Ludwig Wittgenstein) is generally perceived as epitomizing existential angst. However, there is much more to Kierkegaard than the popular image of the "melancholy Dane" or the iconoclastic critic of established Christendom. Alongside the pseudonymous books for which he is largely known, Kierkegaard also wrote many devotional works, which he called "upbuilding" or "edifying" discourses. Taken as a whole, these writings offer something very different from the popular view—they embody a spirituality grounded in a firm sense of human life as a divine gift.

*The Book of Love and Creation* Crossway

Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in *The Language of Heaven* as he wrestles with this s...

*Working with Oneness* Baker Academic

In this book, Jacob H. Sawyer explores the concept of hiddenness as a means to unlock the intriguing, and oft misunderstood, authorship of Søren Kierkegaard. By

---

understanding the melancholy man as first and foremost a Christian thinker, this work gives special attention to how the form of Kierkegaard's authorial task complements its content, giving particular attention to his use of pseudonyms. The first part of the book addresses the explicit content of the authorship, the second addresses the implicit form in which it was communicated to Kierkegaard's reader, and the third addresses how these can help us understand Kierkegaard's own "hidden inwardness." Through this investigation, Soren Kierkegaard is recognized as an example par excellence of a communicator. He is seen to have attempted to only speak what his own life could uphold, striving to be one who was in Christ the truth.

#### The Power of Now Crossway

What are the spiritual gifts? Do all Christians have them? Have the miraculous gifts ceased? The topic of spiritual gifts is often a point of contention among Christians. In *Spiritual Gifts: What They Are and Why They Matter*, Dr. Thomas R. Schreiner, a leading New Testament scholar, answers these questions.

Schreiner shares his personal experience related to spiritual gifts, but more importantly, he unpacks what the Bible has to say about them. In doing so, he brings a spirit of humility and charity, reminding us that though spiritual gifts are important, we can have unity in Christ even where we disagree.

#### Wandering, Not Lost Brazos Press

*A Phenomenology of the Devout Life* is the first part of a three-part work, *A Philosophy of Christian Life*. Rather than approaching Christianity through its doctrinal statements, as philosophers of religion have often done, the book starts by offering a phenomenological description of the devout life as

that is set out in the teaching of Francois de Sales and related authors. This is because for most Christians practice and life-commitments are more fundamental than formal doctrinal beliefs. Although George Pattison will address the metaphysical truth-claims of Christianity in Part three, the guiding argument is that it is the Christian way of life that best reveals what these beliefs really are. As the work is a philosophical study, it does not presuppose the truth of Christianity but assumes only that there is a humanly accessible meaning to the intention to live a devout life, pleasing to God. This can be said to find expression in a certain view of selfhood that emphasizes the dimensions of feeling and will rather than intellect and that culminates in the experience of the annihilation of self. This is a model of selfhood deeply opposed to contemporary models that privilege autonomous agency and the devout life is therefore presented as offering a corrective to extreme versions of the contemporary view.

#### Creation Care Harper Collins

Have you ever felt held back from the abundant life God promises you? Do you ever look at the satisfaction and success in other people ' s lives, and wonder where yours is? In *You Be You*, beloved podcast host and author Jamie Ivey reveals that the abundant life you want is closer than you think. It ' s not over there in someone else ' s life. No. It ' s right here, right now, in your life as it already is—you just have to know how to take hold of it. And in this book, Jamie shows you how to: Throw out false definitions of success Give up the idea that you must have someone else ' s skills, talents, family, or resources to

---

succeed Use the beautiful level of influence that God has given you Start leaving your deepest mark on the world by living your story Are you ready to finally bloom where you ' re planted? To finally free yourself to flourish? To live a life that could only be done by Him and through you? Then jump into You Be You, and you ' ll find yourself satisfied and succeeding in ways you never expected.

Spiritual Gifts InterVarsity Press

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a " cold case " : it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers ' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. *Creation Spirituality* Wipf and Stock Publishers

This fully revised and updated 2nd edition provides a comprehensive reference guide to existentialism, featuring key chapters on key existentialist thinkers, as well as chapters

applying existentialism to subject areas ranging across politics, literature, feminism, religion, the emotions, cognitive science, and poststructuralism. Contemporary developments in the field of existentialism that speak to issues of identity and exclusion are explored in 4 new chapters on race, gender, disability, and technology, whilst the 5th new chapter new chapter outlines analytic philosophy's complicated relationship to existentialism. Presenting the field of existentialism beyond the European tradition, this edition also includes a new key thinker chapter on Frantz Fanon, alongside Kierkegaard, Nietzsche, Heidegger, Sartre and de Beauvoir, as well as new engagement with the work of scholars on race and existentialism, including Lewis R. Gordon, George Yancy, and Richard Wright. The resources section at the end of the book includes an updated A to Z glossary, and timeline of key events, texts and thinkers in existentialism, as well as a list of relevant organisations, and an annotated guide to further reading, making this 2nd edition an invaluable text for scholars and students alike.

*The Things of Earth* Harper Perennial Modern Classics  
2016 Word Guild Award - Academic category Honorable mention, Grace Irwin Prize Renowned scholar Craig Bartholomew, coauthor of the bestselling textbook *The Drama of Scripture*, writes in his main area of expertise--hermeneutics--to help seminarians pursue a lifetime of biblical interpretation. Integrating the latest research in theology, philosophy, and biblical studies, this substantive hermeneutics textbook is robustly theological in its approach, takes philosophical hermeneutics seriously, keeps the focus throughout on the actual process of interpreting Scripture, and argues that biblical interpretation should be centered in the context and service of the church--an approach that helps us hear God's address today.
