Split Air Conditioner
Reparation Guide
A ductless, or mini-split,
air conditioner is a great
solution for people who

want to cool one room in
their house without having
to cool the whole house. It
is also a great way to add
air conditioning to an older
house that is heated by a
boiler and radiators
without an existing system
of forced-air heat ducts. A
mini-split does essentially
the same job as a window
air conditioner, but you
can ...
