way to work, start being agile — today!

Student Study Guide Pearson Education South Asia

Drawing on his widely read Huffington Post columns—rated one of the top educational blogs in the United States—Alan Singer introduces readers to contemporary issues in education in the United States. The issues are presented with a point of view and an edge intended to promote widespread classroom debate and discussion. Each section opens with a new topical summary essay followed by a series of brief essays updated and adapted from Huffington Post columns. The book includes guest contributions, guiding questions, and responses to essays by teacher education students and teachers to further classroom discussion. Education Flashpoints is written in a conversational style that draws readers into a series of debates by presenting issues in a clear and concise manner, but also with a touch of irony and a bit of rhetorical bite. The topics examined in these essays read like the latest newspaper headlines in the battle to define public education in the United States.

Kindle the Fire Pearson Education

Presents the candid diary of Thomas Macaulay, Victorian statesman, historian and author of "The History of England". This work shows how, spanning the period 1838 to 1859, the journal is the longest work from Macaulay's pen. It states that these unique manuscripts held at Trinity College, Cambridge, are most revealing of all his writings. Volume 5 includes entries from 1 January 1857 – 23 December 1859 and an Index.
