A gift-or curse-gives Titus McGinty the unwanted ability to talk to ghosts. When he starts seeing the same few apparitions repeatedly, appearing with similar gruesome injuries, he begins to wonder what they want from him. Detective Charlie Hale has a serial killer on his hands. On the loose for weeks, the Queen City Slayer has left the police nothing to go on, no forensic evidence other

than what he wants found. The city is running out of time. The crisis brings Titus and Charlie together-Titus stumbles upon a body and finds himself a suspect. Their budding romance is tested as they are sucked into a web of underground laboratories, restive spirits, and religious fanaticism. They'll have to work together to find the identity of the killer before he takes his next victim...Titus.

Mark Hansen thought working as artist's assistant would be glamorous, especially if that artist was a vampire. Black tie events, witty repartee, gracing the pages of the local style section.... Didn't happen. Not even once. Jonathan Varga is an enigma. True, he's quiet, generous, and scrupulously

polite. But he has zero social life, refuses to be interviewed or photographed, and insists he can only consume feline blood. Why supermarket blood won't suffice, Mark hasn't asked. He's rarely at a loss for words-he can dish an insult and follow it with a snap as quick as you can say "Miss Thang." But one look at Jonathan's black-as-sin gypsy eyes, and Mark's objections drain away. So he endures the perpetual grind of their routine: Jonathan hiding in his studio, swiping black paint onto black canvases. Mark hurling insults while he buffs the office to a shine with antiviral wipes. Each of them avoiding the other in a careful choreography...until a blurb

in Art in America unleashes a chain of harrowing events. As secrets from Jonathan's past are brought to light, it becomes clear that all his precautions weren't nearly enough.

Third Grave Dead Ahead is the third installment of Darynda Jones' award-winning paranormal series that's "hilarious and heartfelt, sexy and surprising." (J.R. Ward) Paranormal private eye. Grim reaper extraordinaire. Whatever. Charley Davidson is back! And she's drinking copious amounts of caffeine to stay awake because, every time she closes her eyes, she sees him: Reyes Farrow, the part-human, part-supermodel son of Satan. Yes, she did imprison him for all eternity, but come on. How is she supposed to solve a missing persons case, deal with an ego-driven doctor, calm her curmudgeonly dad,

and take on a motorcycle gang hell-bent on murder when the devil's son just won't give up?

After Ben Jcp Books

Eli and Dag survived a monster. Two monsters, in fact. A year later, though, they 're still trying to settle into a 'regular' life. Dag is working hard in school. It 's not going great. Eli is working hard at...being a better Eli. He 's eating right. Most of the time. He 's thinking about exercise in healthy ways. He 's ok with how he looks, as long as he doesn 't walk past any mirrors. He goes out some nights, though. He goes across the lake, back to Bragg, where the monsters were. And he 's not sure why. He 's not sure what keeps calling him back. When a woman is brutally murdered and an eyewitness claims to have seen the killer transform into a mysterious light, Eli and Dag are forced to set aside their own problems and face a difficult truth: there is another monster out there. Worse, there doesn 't seem to be anybody else who can stop it from killing again. But not all monsters are the same, as Eli and Dag discover. And the most dangerous monster might be the one who can give you what you 've always wanted.

In a world where life is disposable, two men fight to escape oppression and find the truth...together. Ernest just turned thirty. It's time for retirement, freedom from the tedious drudgery of his job as a data clerk. Time to emerge from his pod and explore parts of the city he's never seen before-to meet some actual people. And at the end of the month? Time to die. Will, on the other hand, has met all kinds of people in his sales career. He runs the counter at the historic coffee shop, and when he talks, he sounds just like an old-time data feed. He's striking, charismatic, and intriguingly risqu . According to Will, it's possible to live much longer than the Deacons have always claimed. Ernest wants to believe the heretical notion, but what if it's all a big scam? He might be old enough to qualify for the senior discount, but being around Will leaves him feeling painfully naive...plus a few more intense emotions that are entirely new. Religion, medicine, government-every authority insists thirty is the end of the line, but now the seed of doubt has been planted. Can Ernest summon his inner strength and go against everything he's been taught? He longs to flee the city with Will-but without the Deacons and their Reclaim machine, death will leave his soul trapped in a decaying body for eternity. Zero Hour is a full length standalone novel. If you're a fan of dystopian, post-apocalyptic MM romance, don't miss this nail-biting tale of adventure, romance,

perseverance and self-discovery. This second edition was previously published in 2011 and contains minor text revisions.

Murder House Jcp Books

From the moment she took a job on Captain Caldwell's doomed ship, Devi Morris' life has been one disaster after another: government conspiracies, two alien races out for her blood, an incurable virus that's eating her alive. Now, with the captain missing and everyone -- even her own government -- determined to hunt her down, things are going from bad to impossible. The sensible plan would be to hide and wait for things to blow over, but Devi's never been one to shy from a fight, and she's getting mighty sick of running. It's time to put this crisis on her terms and do what she knows is right. But with all human life hanging on her actions, the price of taking a stand might be more than she can pay.

A Seattle Stories novel A year after the sudden death of his longtime partner, Ben, Theo Anderson is still grieving. The last thing he's looking for is a new lover. But as Theo soon discovers, sometimes life has other plans. While Theo experiences a powerful physical attraction to fellow gym member Peter, it's his new online friend,

Morgan, who provides the intellectual challenge to make him come alive. Morgan is witty, brave, and irreverent, and Theo is ready to take the plunge until he discovers Morgan might be half his age. Theo's late partner was significantly older enough to strain Theo's relationship with his family and the potential of another relationship being cut short leaves him gunshy. Theo needs to lay Ben's memory to rest, reconcile with his family, and rekindle neglected friendships if he's to start afresh with a new lover. But Theo isn't the only one with a past. His biggest challenge, in living after Ben, might not be his to face.

Troubled medium Vic and his boyfriend Jacob try to find a home they can move into that's not infested-with either cockroaches, or ghosts. A deceased junkie with a bone to pick leads Victor on a wild chase that ends in a basement full of horrors. Then, Jacob's on a case that has him stretched to the breaking point, and Victor's old partner Lisa needs him to help her work through an ethical psychic dilemma.

Hemovore Spook Squad Everyone enjoys peace and tranquility, and Victor Bayne is no exception. He goes to great lengths to maintain a harmonious home with his partner, Jacob.

Although the cannery is huge, it's grown difficult to avoid the elephant in the room...the elephant with the letters FPMP scrawled on its hide. Once Jacob surrendered his PsyCop badge, he infiltrated the Federal Psychic Monitoring Program. In his typical restrained fashion, he hasn't been sharing much about what he actually does behind its vigilantly guarded doors. And true to form, Vic hasn't asked. In fact, he would prefer not to think about the FPMP at all, since he's owed Director Dreyfuss an exorcism since their private flight to PsyTrain. While Vic has successfully avoided FPMP entanglement for several months, now his debt has finally come due. PsyCop

For the past dozen years, Victor Bayne has solved numerous murders by interrogating witnesses only he can see--dead witnesses. But when his best friend Lisa goes missing from the sunny California campus of PsyTrain, the last thing he wants to find there is her spirit. Disappearing without a trace in a school full of psychics? That's some trick. But somehow both Lisa and her roommate have vanished into thin air. A group of fanatics called Five Faith has been sniffing around, and Lisa's email is compromised. Time is running out, and with no ghosts to cross-examine, Vic can't afford to turn down any offers of help. An old

enemy can provide an innovative way to track Vic's missing friend, and he enters into an uneasy alliance--even though its ultimate cost will ensnare him in a debt he may never manage to settle. Alex Tanner is a male nurse who divides his time between his job and his television schedule. His idea of the perfect partner, like so many other people's, is a tall, dark, and handsome man. Preferably alive and breathing. Surely that's not asking too much? Then an uninvited guest—a ghost, of all things—forces Alex to question what he's always looked for in a lover and his definition of what makes a person so beautiful.

Every day, Daniel Schroeder breaks his father's heart. While forgetting your problems won't solve them, it does seem like it would make life a heck of a lot easier. Daniel thought so once. Now he knows better. He and Big Dan have always been close, which makes it all the more difficult to break the daily news: the last five years were nothing like his father remembers. They're both professionals in the memory field—they even run their own memory palace. So shouldn't they be able to figure out a way to overwrite the persistent false memory that's wreaking havoc on both of

their lives? Daniel thought he was holding it together, but the situation seems to be sliding out of control. Now even his own equipment has turned against him, reminding him he hasn't had a date in ages by taunting him with flashes of an elusive man in black that only he can see. Is it some quirk of the circuitry, or is Daniel headed down the same path to fantasy-land as his old man?

Desmond Poole is damaged in more ways than one. If he was an underachiever before, he's entirely useless now that he's lost his right hand. He spends his time drowning his sorrows in vodka while he deliberately blows off the training that would help him master his new prosthetic. Social Services seems determined to try and stop him from wallowing in his own filth, so he's forced to attend an amputee support group. He expects nothing more than stale cookies, tepid decaf and a bunch of self-pitying sob stories, so he's blindsided when a fellow amputee catches his eye. Corey Steiner is a hot young rudeboy who works his robotic limb like an extension of his own body, and he's smitten by Desmond's crusty punk rock charm from the get-go. Unfortunately, Desmond hasn't quite severed ties with his ex-boyfriend, and Corey isn't known for his maturity or patience. Meatworks is set in a bleak near-future where cell phone and personal computer technologies never

developed. In their place, robotics flourished. Now robots run everything from cars to coffee pots. Taking the guesswork out of menial tasks was intended to create leisure time, but instead robots have made society dependent and passive. Desmond loathes robots and goes out of his way to avoid them. But can he survive without the robotic arm strapped to the end of his stump? Genre: Dystopian Science Fiction
