The football field is 160-feet wide. The spot where the end zone meets the playing field is referred to as the goal line. The goal line is the end zone, which is the same as saying the 0-yard mark. From there, numbers mark 10-yard intervals going up to the 50-yard line, which marks the center of the field.

Spot Plays Football - Another Read - Children's Books

In American football a play is a close to the ground "plan of action" or "strategy" used to move the ball down the field. A play begins at either the snap from the center or at kickoff. Most commonly plays occur at the snap during a down. These plays range from basic to very intricate. Football players keep a record of these plays in their playbook.
