LibGuides at Bow Valley  
College

The Teacher's Resource has been designed to complement the student text by providing explanatory details and supplementary materials for the course. A variety of suggestions and possibilities are provided to link instructional planning and delivery, assessment and evaluation with the expectations of the program. Opportunities for task modifications and extensions are also

included.

Spotlight Canada (Book, 2000) [WorldCat.org]  
An APA citation generator is a software tool programmed to format academic citations in the American Psychological Association (APA) style. It will usually request vital details about a source — like the authors, title, and publish date — and will output these details with the correct punctuation and layout required by the official APA style guide.
