Sprout by Dale Peck - Goodreads
Sprout is both hilarious and gripping; a story of one boy at odds with the expected. Review: Sprout was definitely an interesting read. The number one thing I loved about the book was the writing. Dale Peck is amazing, with his metaphors, similies, and way of wording. I highlighted lines of the book I loved and I never write in books.
Sprout (novel) - Wikipedia
Sprout is a young adult gay novel by American author Dale Peck first published in May 2009. The novel depicts an openly gay teenage boy who moves to Kansas after his mother dies from cancer. While he struggles with harassment at school and two potential boyfriends, he has to decide if he will hide his sexual orientation in order to win a statewide essay-writing contest.
