HNC Computing –

Exam Exemplars.
Today saw the three final additional HNC Computing exam exemplars uploaded to the SQA secure website. There are now six fully moderated versions in total available for use by centres.

Thanks to the writers, vetters & moderators who have been working on the materials to ensure that all timescales were met.

HNC Information Technology. The HNC IT was successfully validated yesterday with the QDT (Qualifications Design Team) being

led by George Johnston Reid Kerr College. It is planned that a letter will be sent (by post) to centres after the Easter break with details about this award.

SQA - NQ - Past papers and marking instructions

HNC/D Computing assessment. I've posted several times about the problems with student achievement in HNC/D Computing.. On Saturday, 30 May, a sub-group of the Qualification Support Team for these awards is going to meet to discuss how best to (quickly) reduce the assessment load in some of the component units.

TMUA 2019 Paper 1 Q1 to 5 - Test of Mathematics for University Admission	But it's an important stage in development, if we do decide to proceed, because it outlines the size and nature of the required work. The development would also let us revisit the existing HNC Data Analytics, which has been available since 2014 but has very low uptake. Any	The HNC Cyber Security will allow progression to the HND Cyber Security and various degree programmes. The HND has been designed to allow learners to gain a wide range of knowledge and skills in the key areas of cyber security, and should enable learners to specialise and progress to various degrees at different levels at the discretion of the universities.

HNC Cyber Security update. It's been a while since we updated you about the new cyber security qualifications. As many of you will know, we're developing a suite of new qualifications over the next three years: HNC Cyber Security, HND Cyber Security and PDA Cyber Security. We're currently working on the HNC qualification.

The HNC Computing award is designed to offer candidates academic and technician training leading to the skills necessary to design, implement and support IT systems in a vast range of industries. The candidates will develop a range of contemporary vocational skills (e.g. technical computing skills) relating to the use and support of IT systems.

The new HNC Computing will be one of the first “HN Next Gen” qualifications (along

with one from engineering and one from broadcasting). New HN awards will be different from the existing ones. There's going to be a common core, across all HN qualifications, some sector specific units and some vocational (industry-based) units.

Review of HNC Computing. I recently posted information about the planned review of a number of Higher National awards in Computing. I'm pleased to let you know that we're commencing this large development by reviewing HNC Computing. We plan to update five HN qualifications in total but it makes sense to commence with the HNC because this forms the first year of the HNDs.
