Mick Bramich presents a systematic approach to playing the C/G Anglo concertina, Irish style. Many people buy or acquire an Anglo concertina and find that it is less intuitive to play than it first appears. What is needed is a systematic approach and, at last, here it is. You don't have to play specifically Irish music to utilize this style; the system employed is one of the most efficient ways of exploiting the peculiar nuances of this instrument and can be applied to any genre. Keys are presented in order of difficulty and all types of tune - including slow airs - are tackled. The book contains 17 photographs and numerous illustrations and diagrams; 14 reels, 20 jigs, 10 hornpipes and 12 miscellaneous tunes, (56 in total, many with chords), rudiments of music, an extensive bibliography and discography, and a chord chart. The optional CD contains extracts from each chapter and a selection of the tunes from the book. It is not totally essential that you be able to read musical notation to use this book, but musical notation is used without explanation. Mally's and UK product #AT102.

The classic work on the music of Afrofuturism, from jazz to jungle More Brilliant than the Sun: Adventures in Sonic Fiction is one of the most extraordinary books on music ever written. Part manifesto for a militant posthumanism, part journey through the unacknowledged traditions of diasporic science fiction, this book finds the future shock in Afrofuturist sounds from jazz, dub and techno to funk, hip hop and jungle. By exploring the music of such musical luminaries as Sun Ra, Alice Coltrane, Lee Perry, Dr Octagon, Parliament and Underground Resistance, theorist and artist Kodwo Eshun mobilises their concepts in order to open the possibilities of sonic fiction: the hitherto unexplored intersections between science fiction and organised sound. Situated between electronic music history, media theory, science fiction and Afrodiasporic studies, More Brilliant than the Sun is one of the key works to stake a claim for the generative possibilities of Afrofuturism. Much referenced since its original publication in 1998, but long unavailable, this new edition includes an introduction by Kodwo Eshun as well as texts by filmmaker John Akomfrah and producer Steve Goodman aka kode9. **Anglo Concertina in the Harmonic Style** Dan Michael Worrall

This account of the renowned composer's neglected wife—including her years in a Soviet prison—is “a story both riveting and

wrenching” (Kirkus Reviews, starred review). Serge Prokofiev was one of the twentieth century’s most brilliant composers yet is an enigma to historians and his fans. Why did he leave the West and move to the Soviet Union despite Stalin’s crimes? Why did his astonishing creativity in the 1930s soon dissolve into a far less inspiring output in his later years? The answers can finally be revealed, thanks to Simon Morrison’s unique and unfettered access to the family’s voluminous papers and his ability to reconstruct the tragic, riveting life of the composer’s wife, Lina. Morrison’s portrait of the marriage of Lina and Serge Prokofiev is the story of a remarkable woman who fought for survival in the face of unbearable betrayal and despair and of the irresistibly talented but heartlessly self-absorbed musician she married. Born to a Spanish father and Russian mother in Madrid at the end of the nineteenth century and raised in Brooklyn, Lina fell in love with a rising-star composer—and defied convention to be with him, courting public censure. She devoted her life to Serge and art, training to be an operatic soprano and following her brilliant husband to Stalin’s Russia. Just as Serge found initial acclaim—before becoming constricted by the harsh doctrine of socialist-realist music—Lina was at first accepted and later scorned, ending her singing career. Serge abandoned her and took up with another woman. Finally, Lina was arrested and shipped off to the gulag in 1948. She would be held in captivity for eight awful years. Meanwhile, Serge found himself the tool of an evil regime to which he was forced to accommodate himself. The contrast between Lina and Serge is one of strength and perseverance versus utter self-absorption, a remarkable human drama that draws on the forces of art, sacrifice, and the struggle against oppression. Readers will never forget the tragic drama of Lina’s life, and never listen to Serge’s music in quite the same way again.
