E. This Mackie product has been dropped, or its chassis damaged. 13. Servicing — The user should not attempt to service this Mackie product beyond those means described in this operating manual. All other servicing should be referred to the Mackie Service Department. 14. To prevent electric shock, do not use this polarized plug with an

The Mackie SR 1530's are a set of loudspeakers for use in venues and for using as a public address system. These are two really large speakers, and they can get super loud if you want them do. The sub woofer speaker is 15 inches and there is a smaller, 6 inch speaker for mid and high range to go along with an even smaller 1" compressor driver.
