Srimad-Bhagavatam, an epic philosophical and literary classic, holds a prominent position in India's voluminous written wisdom. The timeless wisdom of India is expressed in the vedas, ancient sanskrit texts that touch upon all fields of human knowledge. Originally preserved through oral tradition, the vedas were first put into writing by Vyasadeva, "the literary incarnation of God." After compiling the Vedas, Vyasadeva was

inspired by his spiritual master to present their profound essence in the form of Srimad-Bhagavatam. -- Jacket.

A seamless blend of fable and philosophy, the Bhagavata Purana is perhaps the most revered text in the Vaishnava tradition. It brings to life the legends of gods, asuras, sages and kings-all the while articulating the crucial ethical and philosophical tenets that underpin Hindu spiritualism. The narrative unfolds through a series of conversations and interconnected stories. We are told how the sage Vyasa was inspired by Narada to compose the Bhagavata Purana as a means to

---

illumine the path to a spiritual life. We learn of the devotion of Prahlada, the austerity of Dhruva, and the blinding conceit of Daksha. Also recounted are tales of the many incarnations of Vishnu, especially Krishna, whom we see grow from a beloved and playful child to a fierce protector of the faithful.

At the final hour . . . This amazing narrative is based on the story of Ajamila from the Sixth Canto of Srimad-Bhagavatam. The law of karma states that we're all responsible for our actions, and death is the crucial moment when mysterious forces acting according to this law work behind the scenes to determine our destiny. As the sinful Ajamila lay on his deathbed, he was terrified to see three fierce, humanlike creatures coming to drag him out of his dying body and take

him to the lord of death for punishment. Surprisingly, Ajamila escaped this terrible fate. How? A Second Chance: The Story of a Near-Death Experience teaches vital truths about the fundamental nature of the self and reality. At a time when reincarnation is quickly gaining acceptance, not only with the growing ranks of people reporting out-of-body and near-death experiences but with the public at large, A Second Chance can show one how to use meditation and yoga techniques to overcome the obstacles of materialism, meet the challenge of death, and ultimately attain spiritual perfection.

electronics – this is also knowledge. But the central point is atma-jnana – self-knowledge, knowledge of the soul." In these thirty-one essays, talks, and informal conversations, Srila Prabhupada reveals the central point of essential self-knowledge – a knowledge that makes all other knowledge and activities pale in comparison. Brighten your life with the light of self-knowledge and gain a world perspective usually reserved for ascetics and saints.

The Science of Self-Realization Advaita Ashrama

The quality of our consciousness can go up or down based on how we see the world and act in it.

---

When we act like the eternal spiritual beings that we are – small parts of a supreme whole – makes us happy. But if we focus our attempts at happiness on the temporary body and mind – on matter – and make those our life's priority, our consciousness will shrink and we ' ll be miserable. Spiritual elevation – raising our consciousness to higher levels – happens quickly when we revive our God consciousness. In this compact book, Srila Prabhupada recommends seeing the world as it is – a temporary place full of anxiety – and then taking the road to higher consciousness by rediscovering our relationship with the Supreme Person, Krishna. Anyone can become elevated; the journey begins

with a single step up. Life Comes from Life The Bhaktivedanta Book Trust We cannot be happy without satisfying our fundamental desire to love. Discover all the intricacies of spiritual love, bhakti, in this devotional classic. This is a summary study of Bhakti-rasamrita-sindhu, the Vaishnava classic written by Rupa Goswami that analyzes the various stages of bhakti (devotion) as a methodical practice resulting in love of God. Rupa Goswami uses a metaphor comparing an ocean (sindhu) to a devotional relationship with God. The title of the book conveys that loving relationships are enjoyable like sweet nectar and deep like an ocean. However, devotion is truly only meant for the supreme beloved, Krishna. Srila Prabhupada has written this summary study to show the essential understanding of the practices and ideals of

---

Krishna consciousness, and to introduce the Western world to the beauty of devotional concepts. The spiritually thirsty can develop their relationship with Krishna by drinking from the unlimited reservoir of The Nectar of Devotion. Drink deeply.
