This Ss Gb Len Deighton, as one of the most full of zip sellers here will agreed be in the midst of the best options to review.

London Match HarperCollins UK

C.J. Sansom rewrites history in a thrilling novel that dares to imagine Britain under the thumb of Nazi Germany. 1952. Twelve years have passed since Churchill lost to the appeasers and Britain surrendered to Nazi Germany. The global economy strains against the weight of the long German war against Russia still raging in the east. The British people find themselves under increasingly authoritarian rule -- the press, radio, and television tightly controlled, the British Jews facing ever greater constraints. But Churchill's Resistance soldiers on. As defiance grows, whispers circulate of a secret that could forever alter the balance of the global struggle. The keeper of that secret? Scientist Frank Muncaster, who languishes in a Birmingham mental hospital. Civil Servant David Fitzgerald, a spy for the Resistance and University friend of Frank's, is given the mission to rescue Frank and get him out of the country. Hard on his heels is Gestapo agent Gunther Hoth, a brilliant, implacable hunter of men, who soon has Frank and David's innocent wife, Sarah, directly in his sights. C.J. Sansom's literary thriller *Winter in Madrid* earned Sansom comparisons to Graham Greene, Sebastian Faulks, and Ernest Hemingway. Now, in his first alternative history epic, Sansom doesn't just recreate the past -- he reinvents it. In a spellbinding tale of suspense, oppression and poignant love, *Dominion* dares to explore how, in moments of crisis, history can turn on the decisions of a few brave men and women -- the secrets they choose to keep and the bonds they share.

Horse Under Water HarperCollins UK

The legendary, incendiary novel of the film industry back in print after 20 years. A Hollywood Babylon for our time

The Madagaskar Plan Penguin Classics

'Deighton is a marvel ... a tale told by an author at the height of his power' Chicago Tribune World-weary agent Bernard Samson is losing control of his personal and professional life. Sent to Mexico to aid the defection of a KGB agent to the West, he has a chance to prove his worth. Instead he is torn between conflicting loyalties, and lost in a maze of double-dealing and duplicity. The second novel in the *Game, Set and Match* trilogy is a gripping portrayal of a man who can trust no one, not even those closest to him. A BERNARD SAMSON NOVEL

Winter Penguin UK

'A stunning spy story ... incomparable' Guardian It is the most dangerous secret of the Second World War, one that could destroy Britain's reputation forever. In 1940, a clandestine meeting took place between Churchill and Adolf

Hitler. All records of it have been hidden, and anyone who discovers the truth dies - their file stamped XPD; Expedient Demise. But now what was buried is threatening to come to light, and SIS agent Boyd Stuart must stop it falling into the wrong hands, no matter how high the price. 'Deliciously sharp and flawlessly accurate dialogue, breathtakingly clever plotting ... a splendidly strongly told story' The Times Mexico Set Penguin UK

With Churchill executed, the King imprisoned, and the SS in control of Scotland Yard, Detective Douglas Archer, investigating an apparently routine murder, finds himself plunged into a brutal espionage battle

Collaborator Penguin UK

Deep in Marxist Guerilla territory a hopeless war is being fought.

XPD Penguin UK

Angleterre, 1941. Londres est occupé par l'armée nazie. Churchill est mort, le roi George croupit au fond d'une cellule et la loi martiale terrorise le pays. Douglas Archer, commissaire à Scotland Yard, se voit confier une enquête de la plus haute importance : le Dr Spode, brillant physicien qui travaillait pour les nazis, a été assassiné et retrouvé avec d'étranges brûlures sur les bras. Et si ce meurtre était le signe avant-coureur de bouleversements autrement plus graves ? Et si le monde était sur le point de changer pour toujours ? SS-GB, un classique de l'uchronie, à (re)découvrir d'urgence !

S S -G B Mulholland Books

December 1940 - Nick Penny comes home after four months as a POW to act as interpreter to the

provincial governor. He finds his father dead, his mother crippled and his friend Roy involved in a resistance movement. When Matty returns to run his father's estate, the three friends are reunited in a common purpose.

The Afrika Reich Heyne Verlag

Three confidence tricksters - two blokes and a bird - had a style that earned them millions.

Declarations of War HarperCollins UK

'The most honest attempt yet to tell how the Battle of Britain really was' Andrew Wilson, Observer History is swamped by patriotic myths about the aerial combat fought between the RAF and the Luftwaffe over the summer of 1940. In his gripping history of the Battle of Britain, Len Deighton drew on a decade of research and his own wartime experiences to puncture these myths and point towards a more objective, and even more inspiring, truth.

'Revolutionised thinking about the Battle of Britain in a way that has not been seriously challenged since'

The Times

Spy Line HarperCollins UK

The Ipcress File HarperCollins UK

The long-awaited reissue of the second part of the classic spy trilogy, HOOK, LINE and SINKER, when the Berlin Wall divided not just a city but a world.

Goodbye Mickey Mouse HarperCollins UK

Inventing counterfactual histories is a common pastime of modern day historians, both amateur and professional. We speculate about an America ruled by Jefferson Davis, a Europe that never threw off Hitler, or a second term for JFK. These narratives are often written off as politically inspired fantasy or as pop culture fodder, but in *Telling It Like It Wasn't*, Catherine Gallagher takes the history of counterfactual history seriously, pinning it down as an object of dispassionate study. She doesn't take a moral or normative stand on the practice, but focuses her attention on how it works and to what ends—a quest that takes readers on a fascinating tour of literary and historical criticism. Gallagher locates the origins of contemporary counterfactual history in eighteenth-century Europe, where the idea of other possible historical worlds first took hold in philosophical disputes about Providence before being repurposed by military theorists as a tool for improving the art of war. In the next century, counterfactualism became a legal device for deciding liability, and lengthy alternate-history fictions appeared, illustrating struggles for historical justice.

These early motivations—for philosophical understanding, military improvement, and historical justice—are still evident today in our fondness for counterfactual tales. Alternate histories of the Civil War and WWII abound, but here, Gallagher shows how the counterfactual habit of replaying the recent past often shapes our understanding of the actual events themselves. The counterfactual mode lets us continue to envision our future by reconsidering the range of previous alternatives. Throughout this engaging and eye-opening book, Gallagher encourages readers to ask important questions about our obsession with counterfactual history and the roots of our tendency to ask "What if...?"

Yesterday's Spy HarperCollins UK

'A master of fictional espionage' Daily Mail 'In Deighton's best books - like this one - the narrative glides forward on rollers, and the scenes and characters fit perfectly into place. The result is marvellous' Independent Millions of pounds have gone missing, and the Department have sent

agent Bernard Samson to Washington to track them down. But this mission is just the start of something far deeper and darker. It will take him from the English suburbs to Berlin, the South of France to Los Angeles and the heart of a maelstrom. In the first part of the Hook, Line and Sinker trilogy, friends become enemies, pursuer becomes victim and no one - not even Bernard himself - is above suspicion. A BERNARD SAMSON NOVEL
