All's faire in love and war for two sworn enemies who indulge in a harmless flirtation in a laugh-out-loud rom-com from debut author Jen DeLuca. Emily knew there would be strings attached when she relocated to the small town of Willow Creek, Maryland, for the summer to help her sister recover from an accident, but who could anticipate getting roped into volunteering for the local Renaissance Faire alongside her teenaged niece? Or that the irritating and inscrutable schoolteacher in charge of the volunteers would be so annoying that she finds it impossible to stop thinking about him? The faire is Simon's family legacy and from the start he makes clear he doesn't have time for Emily's lighthearted approach to life, her oddball Shakespeare conspiracy theories, or her endless suggestions for new acts to shake things up. Yet on the faire grounds he becomes a different person, flirting freely with Emily when she's in her revealing wench's costume. But is this attraction real, or just part of the characters they're portraying? This summer was only ever supposed to be a pit stop on the way to somewhere else for Emily, but soon she can't seem to shake the fantasy of establishing something more with Simon or a permanent home of her own in Willow Creek.

From BookTok sensation and New York Times bestselling author Penelope Douglas comes a riveting companion novel to Bully. This is Jared's story.... Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same.

I don't love him. I don't even like him. I just want him. Eli Loveless was my nemesis from the first day of kindergarten until we graduated high school. Everything I did, he had to do better - and vice versa. The day he left town was the best day of my life. Ten years later, the day he came back was the worst. Now he's my co-worker. Grown-up Eli Loveless is sexy as sin. He's hotter than asphalt in the summer. The irritating kid I once knew is gone, and he's been replaced by a man with green eyes, perfect abs, and a cocky smile. It's bad that I want him. It's worse that he wants me back. There are looks. There are smirks. There are smiles that make my panties burst into flame. And then there's a shared kiss that leads to the hottest night of my life. This is no office romance. This is a five-alarm fire. What's a girl to do when the man I can't stand is the one I can't stop lusting after? Enter into a friends-with-benefits agreement, of course. No dates. No relationship. Just blisteringly hot sex, because if there's one person I could never fall for, it's Eli. ...right?
