The Creative Curriculum comes alive! This videotape-winner of the 1989 Silver Apple Award at the National Educational Film and Video Festival-demonstrates how teachers set the stage for learning by creating a dynamic well-organized environment. It shows children involved in seven of the interest areas in the The Creative Curriculum and explains how they learn in each area. Everyone conducts in-service training workshops for staff and parents or who teaches early childhood education courses will find the video an indispensable tool for explaining appropriate practice.

“ Intriguing, delightful, and touching. ” —School Library Journal (starred review) “ Creech ’ s best yet. ” —Publishers Weekly (starred review) It started out as an ordinary summer. But the minute thirteen-year-old Zinny discovered the old, overgrown trail that ran through the woods behind her family ’ s house, she realized that things were about to change. It was her chance to finally make people notice her, and to have a place she could call her very own. But more than that, Zinny knew that the trail somehow held the key to all kinds of questions. And that the only way to understand her family, her Aunt Jessie ’ s death, and herself, was to find out where it went. From Newbery Medal-winning author Sharon Creech comes a story of love, loss, and

understanding, an intricately woven tale of a young girl who sets out in search of her place in the world—and discovers it in her own backyard. An ALA Best Book for Young Adults
