But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Christmas Carol revived in Victorian England such Christmas hallmarks as the Christmas tree, holiday cards, and caroling. The Yuletide yarns of Anthony Trollope popularized throughout the British Empire and around the world the trappings of Christmas in London. The Life and Adventures of Santa Claus created the origin story for the presiding spirit of Christmas as we know it. The holiday tales of Louisa May Alcott shaped the ideal of an American Christmas. The Night Before Christmas brought forth some of our earliest Christmas traditions as passed down through folk tales. And The Nutcracker inspired the most famous ballet in history, one seen by millions in the twilight of every year. Beautifully designed hardcovers—with foil-stamped jackets, decorative endpapers, and nameplates for personalization—in a small trim size that makes them perfect stocking stuffers, Penguin Christmas Classics embody the spirit of giving that is at the heart of our most time-honored stories about the holiday.
