NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • In this beautifully written masterwork, the Pulitzer Prize-winner and bestselling author of *Caste* chronicles one of the great untold stories of American history: the decades-long migration of black citizens who fled the South for northern and western cities, in search of a better life. From 1915 to 1970, this exodus of almost six million people changed the face of America. Wilkerson compares this epic migration to the migrations of other peoples in history. She interviewed more than a thousand people, and gained access to new data and official records, to write this definitive and vividly dramatic account of how these American journeys unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career, which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an “unrecognized immigration” within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is destined to become a classic.

NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • From the author of *Daisy Jones & The Six* and *The Seven Husbands of Evelyn Hugo* . . . ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *Time*, *Marie Claire*, *PopSugar*, *Parade*, *Teen Vogue*, *Self*, *She Reads* • “Irresistible . . . High drama at the beach, starring four sexy, surfing siblings and their deadbeat, famous-crooner dad.”—*People* Four famous siblings throw an epic party to celebrate the end of the summer. But over the course of twenty-four hours, the family drama that ensues will change their lives forever. *Malibu*: August 1983. It’s the day of Nina Riva’s annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long past time for him to confess something to the brother from whom he’s been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can’t stop thinking about promised she’ll be there. And Kit has a couple secrets of her own—including a guest she invited without consulting anyone. By midnight the party will be completely out of control. By morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family’s generations will all come rising to the surface. *Malibu Rising* is a story about one unforgettable night in the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind. “Intriguing, delightful, and touching.” —*School Library Journal* (starred review) “Creech’s best yet.” —*Publishers Weekly* (starred review) It started out as an ordinary summer. But the minute thirteen-year-old Zinny discovered the old, overgrown trail that ran through the woods behind her family’s house, she realized that things were about to change. It was her chance to finally make people notice her, and to have a place she could call her very own. But more than that, Zinny knew that the trail somehow held the key to all kinds of questions. And that the only way to understand her family, her Aunt Jessie’s death, and herself, was to find out where it went. From Newbery Medal-winning author Sharon Creech comes a story of love, loss, and understanding, an intricately woven tale of a young girl who sets out in search of her place in the world—and discovers it in her own backyard. When Betty Friedan produced *The Feminine Mystique* in 1963, she could not have realized how the discovery and debate of her contemporaries’ general malaise would shake up society. Victims of a false belief system, these women were following strict social convention by loyally conforming to the pretty image of the magazines, and found themselves forced to seek meaning in their lives only through a family and a home. Friedan’s controversial book about these women - and every woman - would ultimately set Second Wave feminism in motion and begin the battle for equality. This groundbreaking and life-changing work remains just as powerful, important and true as it was forty-five years ago, and is essential reading both as a historical document and as a study of women living in a man’s world. ‘One of the most influential nonfiction books of the twentieth century.’ *New York Times* ‘Feminism began with the work of a single person: Friedan.’ Nicholas Lemann With a new Introduction by Lionel Shriver

From W. Bruce Cameron, the author of the *New York Times* and *USA Today* bestselling novel *A Dog’s Purpose*, which is now a major motion picture! After 13-year-old Charlie Hall’s mother dies and his father retreats into the silence of grief, Charlie finds himself drifting lost and alone through the brutal halls of junior high school. But Charlie Hall is not entirely friendless. In the woods behind his house, Charlie is saved from a mountain lion by a grizzly bear, thought to be extinct in northern Idaho. And this very unusual bear will change Charlie’s life forever. Deeply moving, and interwoven with hope and joy, *Emory’s Gift* is not only heartwarming and charming coming of age story, but also a page-turning insightful look at how faith, trust, and unconditional love can heal a broken family and bridge the gaps that divide us. *A Dog’s Purpose* Series #1 *A Dog’s Purpose* #2 *A Dog’s Journey* #3 *A Dog’s Promise* (forthcoming) *Books for Young Readers* *Ellie’s Story: A Dog’s Purpose* *Puppy Tale* *Bailey’s Story: A Dog’s Purpose* *Puppy Tale* *Molly’s Story: A Dog’s Purpose* *Puppy Tale* *Max’s Story: A Dog’s Purpose* *Puppy Tale* *Toby’s Story: A Dog’s Purpose* *Puppy Tale* (forthcoming) *Shelby’s Story: A Dog’s Way Home* *Novel* *The Rudy McCann Series* *The Midnight Plan of the Repo Man* *Repo Madness* *Other Novels* *A Dog’s Way Home* *The Dog Master* *The Dogs of Christmas* *Emory’s Gift* At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Declaration of Sentiments Square Fish Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). *America’s History* Random House Books for Young Readers

Florida’s railroad heritage began in the 1830s amidst Native American upheaval and territorial colonization. Surpassing waterways as the primary mode of transport, the “Iron Horse” linked practically every town and city, carried tourists and locals, and ably conveyed the wealth of Florida’s mines, factories, forests, groves, and farms. Nearly 175 years later, railroads

still remain a dependable source of transport within the Sunshine State. *Proofreading, Revising & Editing Skills Success in 20 Minutes a Day* Houghton Mifflin Harcourt

Born on the eve of China's Cultural Revolution, Ping Fu was separated from her family at the age of eight. She grew up fighting hunger and humiliation and shielding her younger sister from the teenagers in Mao's Red Guard. At twenty-five, she found her way to the United States; her only resources were \$80 and a few phrases of English. Yet Ping persevered, and the hard-won lessons of her childhood guided her to success in her new homeland. Aided by her well-honed survival instincts, a few good friends, and the kindness of strangers, she grew into someone she never thought she'd be—a strong, independent, entrepreneurial leader. "She tells her story with intelligence, verve and a candor that is often heart-rending." —The Wall Street Journal "This well-written tale of courage, compassion, and undaunted curiosity reveals the life of a genuine hero." —Booklist (starred review) "Her success at the American Dream is a real triumph." —The New York Post *Chasing Redbird* Mometrix Media LLC

"A California classic . . . California, it should be remembered, was very much the wild west, having to wait until 1850 before it could force its way into statehood. So what tamed it? Mr. Starr's answer is a combination of great men, great ideas and great projects." —The Economist From the age of exploration to the age of Arnold, the Golden State's premier historian distills the entire sweep of California's history into one splendid volume. Kevin Starr covers it all: Spain's conquest of the native peoples of California in the early sixteenth century and the chain of missions that helped that country exert control over the upper part of the territory; the discovery of gold in January 1848; the incredible wealth of the Big Four railroad tycoons; the devastating San Francisco earthquake of 1906; the emergence of Hollywood as the world's entertainment capital and of Silicon Valley as the center of high-tech research and development; the role of labor, both organized and migrant, in key industries from agriculture to aerospace. In a rapid-fire epic of discovery, innovation, catastrophe, and triumph, Starr gathers together everything that is most important, most fascinating, and most revealing about our greatest state. Praise for California "[A] fast-paced and wide-ranging history . . . [Starr] accomplishes the feat with skill, grace and verve." —Los Angeles Times Book Review "Kevin Starr is one of California's greatest historians, and California is an invaluable contribution to our state's record and lore." —Marla Shriver, journalist and former First Lady of California "A breeze to read." —San Francisco

When Addie Baum's 22-year old granddaughter asks her about her childhood, Addie realises the moment has come to relive the full history that shaped her. Addie Baum was a Boston Girl, born in 1900 to immigrant Jewish parents who lived a very modest life. But Addie's intelligence and curiosity propelled her to a more modern path. Addie wanted to finish high school and to go to college. She wanted a career, to find true love. She wanted to escape the confines of her family. And she did. Told against the backdrop of World War I, and written with the same immense emotional impact that has made Diamant's previous novels bestsellers, *The Boston Girl* is a moving portrait of one woman's complicated life in the early 20th Century, and a window into the lives of all women seeking to understand the world around them.

A poetry collection of "peculiar grace" from the National Book Critics Circle Award finalist author of *Dailies & Rushes* (Brian Phillips, *Poetry Magazine*). Susan Kinsolving's first poetry collection, *Dailies & Rushes*, was hailed as a "brilliant debut" by the *New York Times*, and "grand and almost terrifying" by the *New Yorker*. In her new work, *The White Eyelash*, she turns the extremes of her recent experiences—especially those with her ageing, mentally ill mother—into poems of harsh factuality. This dark narrative sequence is highly contrasted by the humor presented in a section called "Light Fare & Oddballs." Once again, Kinsolving exhibits a daunting range with signature style and substance. "[The White Eyelash] finds the poet remembering her trouble mother, concentrating on visual detail or pursuing light-verse forms and verbal games with a demotically highbrow, casual grace. . . . Often organized around colors . . . these poems show a love for beauty and a casual line reminiscent of Eamon Grennan's." —Publishers Weekly
