2013 Release

On STAAR test day, they are well prepared and know that as soon as the tests are handed out and it is time to begin, the first thing they do is write down their "cheat sheet" in the front inside cover of their test booklets. This ensures that their brains are fired up and that they feel confident and prepared to ace that test.

4th Grade STAAR Math Test 2013
Question #1 to #5

Student Testing and Advancement.
You may remember tests you took in school that included a test booklet and a scorable answer sheet (and how much you fretted about whether your pencil was a number 2). Today, standardized

testing is critical not only for tracking student progress but for determining school and district ratings.
