Plunkett's Infotech Industry Almanac 2006 Plunkett Research, Ltd.

The travel industry has been through exceptional upheaval and change. Plunkett's Airline, Hotel & Travel Industry Almanac will be your complete guide to this fascinating industry. After reeling from the effects of the September 11, 2001 tragedies, the travel business is now emerging as a more streamlined, efficient and focused industry. Many of the biggest, most successful firms are becoming extremely global in nature. Meanwhile, most airlines are struggling to return to profitability, while low-cost providers Southwest Airlines and JetBlue continue to set the standard for air travel. Deregulation is opening up huge travel markets in India and China. On the hotel side, massive management firms, development companies and real estate investment trusts are gaining in scale and influence. The booking of travel online is perhaps the most successful niche of all of the world's e-commerce efforts. Consumers use the Internet to become better informed and to seek bargains. Online sites like Travelocity, Priceline and Orbitz steer millions of consumers toward specific airlines and hotels in a manner that lowers prices and improves satisfaction among consumers. The exciting new reference book (which includes a fully-featured database on CD-ROM) will give you access to the complete scope of the travel industry, including: Analysis of major trends; Market research; Statistics and historical tables; Airlines; Hotel operators; Entertainment destinations such as resorts and theme parks; Tour operators; The largest travel agencies; E-commerce firms; Cruise lines; Casino hotels; Car rental; and much, much more. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. This book also includes statistical tables, a travel industry glossary, industry contacts and thorough indexes. The corporate profile section of the book includes our proprietary, in-depth profiles of over 300 leading companies in all facets of the travel industry. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

Work at Home with a Real Online Job Joint Commission Resources

If you are looking for work, consider temporary employment a valuable source of job opportunities. As a temp, you can increase job skills and work experience, expand business networks, strengthen your resume, and avoid gaps in employment, all while being paid. Quite often, temp work can be a "job audition" because it puts temps in front of hiring managers and decision makers for days, weeks, or even months at a time while on job assignments. The Temp Factor for Job Seekers: The Job Seeker's Guide to Temporary Employment presents how this job search strategy may get you back to work faster. Becoming a temp guarantees what a resume cannot: face time inside the doors of potential employers. With over 20 years of experience working with staffing service firms and temps, Cathy A. Reilly teaches you about the advantages, challenges, pay, and benefits of being a temp. She explains what clients and staffing services look for in effective temps, how to find and apply to a high quality staffing service, and how to distinguish yourself from the crowd. Corporate culture, job performance issues, temp assessment tools, interview questions (and answers that have impact), real-world insights and "must knows" are included in this comprehensive manual. How to Open & Operate a Financially Successful Staffing Service Business CareerJournal.com Resume Guide for \$100,000 + Executive Jobs

Financial Services and General Government Appropriations for 2013 Plunkett Research, Ltd. Book & CD-ROM. The median annual salary for someone in the staffing service industry is \$29,000 according to the U.S. Department of Labor and as a business owner, you could make even more. The Department also estimates that the staffing industry will grow faster and add more jobs than just about any other industry over the next decade. If you have always yearned for a career where you can really make a difference in someone s life and are thinking of opening a staffing service business, then we have a book that can assist you in taking those first steps and answer all of your questions along the way. Whether you will be operating out of your home or you are looking to buy or rent office space, this book can help you with a wealth of start-up information, from how to form and name your business to

deciding if this will be a joint venture or if you would rather work solo. Valuable information on forming a Partnership, LLC, Corporation, or becoming a Sole Proprietor, the four types of business formation, is included, as well as the legal implications of each. A complete list of all of the start-up equipment that you will need is provided, as well as a sample budgeting sheet to allow you to gauge start-up costs. You will learn about potential risks that you take in opening a staffing service and how to minimise your losses. Also include is information on other types of insurance that you will need to have available to contractors that you hire, such as workers compensation, disability, and unemployment insurance. This book will assist in helping you decide whether you will offer temporary staffing services, long-term staffing services, or temp-to-perm staffing services. A list of potential sectors that your business can operate in will help you decide whether to stick to a specific niche or whether you will hire contractors to work in various fields, along with the benefits of operating in both situations and factors to consider such as local supply and demand, your own career experience, and economic feasibility. This complete manual will arm you with everything you need, including sample business forms; contracts; worksheets and check-lists for planning, opening, and running day-to-day operations; lists; plans and layouts; and dozens of other valuable, timesaving tools of the trade that no business owner should be without. A special chapter on finding qualified contractors and businesses to place your employees in will be included. While providing detailed instruction and examples, the author leads you through every detail that will bring success. You will learn how to draw up a winning business plan (the companion CD-ROM has the actual business plan you can use in Microsoft Word) and about basic cost control systems, copyright and trademark issues, branding, management, legal concerns, sales and marketing techniques, and pricing formulas.
