Gypsy antique dealer Roman Grey is back in one of Martin Cruz Smith's most beloved novels—the exciting and fast-paced *Canto for a Gypsy*. The priceless Royal Crown of Hungary is on display in St Patrick's Cathedral in New York. Guarded by many, including the NYPD and the gypsy antique dealer Roman Grey, a heist is impossible. But everybody wants the legendary Crown of Saint Stephen. The Hungarian government wants it as a symbol of national greatness. Exiled rebels want it simply to rob the Communists of their pleasure. And an ex-Nazi art plunderer wants it to settle a very old score. Then the unthinkable happens, and murder, mayhem, and all hell breaks loose...and only Grey knows the century's old secret about the crown.

Stalin's Ghost Pan Macmillan

From “the master of the international thriller” (The New York Times) and the bestselling author of *Tatiana and Gorky Park*, Martin Cruz Smith's first mystery novel—a classic crime whodunit with a shocking twist. One girl was dead, one girl was threatened, one girl was possessed. One girl was found horribly mutilated, the victim of a rite that no sane person believed could take place in the modern world. One girl lay trembling in her apartment, as the strange intruders forced open her bedroom door, and the waking nightmare began. And one girl discovered that her body and her soul were no longer her own.... A murder threatens to force the police into a confrontation with New York's gypsy community. The cops are determined to pin the blame on a gypsy. But antique dealer Roman Grey knows there is more to the case than the convenient closing of a crime file, and he vows to bring the truly guilty to justice. You'll never guess the secret of *Gypsy in Amber*.

The “gripping, romantic, and dazzlingly original”

(Cosmopolitan) Arkady Renko book that started it all: the #1 bestseller *Gorky Park*, an espionage classic that begins the series, by Martin Cruz Smith, “the master of the international thriller” (The New York Times). It begins with a triple murder in a Moscow amusement center: three corpses found frozen in the snow, faces and fingers missing. Chief homicide investigator Arkady Renko is brilliant, sensitive, honest, and cynical about everything except his profession. To identify the victims and uncover the truth, he must battle the KGB, FBI, and the New York City police as he pursues a rich, ruthless, and well-connected American fur dealer. Meanwhile, Renko is falling in love with a beautiful, headstrong dissident for whom he may risk everything.

“Brilliant...there are enough enigmas within enigmas within enigmas to reel the mind” (The New Yorker) in this wonderfully textured, vivid look behind the Iron Curtain. “Once one gets going, one doesn't want to stop...The action is gritty, the plot complicated, and the overriding quality is intelligence” (The Washington Post). The first in a classic series, *Gorky Park* “reminds you just how satisfying a smoothly turned thriller can be” (The New York Times Book Review).

‘Cruz Smith at his best: ace storytelling with dry, laconic dialogue and a crumpled but courageous hero’ Adam LeBor, Financial Times  
Investigator Arkady Renko, described as ‘one of the most compelling figures in modern fiction’ by USA Today, finds himself travelling deep into Siberia when journalist Tatiana Petrovna disappears on a case. Journalist Tatiana Petrovna has disappeared. Arkady Renko, iconic Moscow investigator and Tatiana's on-off lover, hasn't seen her since she left on a case over a month ago. No one else thinks Renko should be worried — Tatiana is known to disappear during deep assignments — but he knows her enemies all too well and the criminal lengths they will go to keep her quiet. Given the opportunity to interrogate a suspected assassin in Irkutsk, Renko embarks on a dangerous journey to Siberia to find Tatiana and bring her back. Renko finds Siberia to be a land of shamans and brutally cold nights, oligarchs wealthy on northern oil and sea monsters that are said to prowl the deepest lake in the world. With these forces at work against him, Renko will need all his wits about him to get Tatiana out alive. From the revered author of crime classic *Gorky Park* comes the brilliant ninth novel featuring the iconic Arkady Renko. 'Martin Cruz Smith's deftness of touch, lightness of humour and depth of knowledge are on display as ever in *The Siberian Dilemma*' Observer

[Music of the Ghosts](#) Simon and Schuster

A Moscow detective is sent to Chernobyl for a frightening case in the most spectacular entry yet in Martin Cruz Smith's Arkady Renko series. In his

groundbreaking Gorky Park, Martin Cruz Smith created an iconic detective of contemporary fiction. Quietly subversive, brilliantly analytical, and haunted by melancholy, Arkady Renko survived, barely, the journey from the Soviet Union to the New Russia, only to find his transformed nation just as obsessed with corruption and brutality as was the old Communist dictatorship. In *Wolves Eat Dogs*, Renko returns for his most enigmatic and baffling case yet: the death of one of Russia's new billionaires, which leads him to Chernobyl and the Zone of Exclusion—closed to the world since 1986's nuclear disaster. It is still aglow with radioactivity, now inhabited only by the militia, shady scavengers, a few reckless scientists, and some elderly peasants who refuse to relocate. Renko's journey to this ghostly netherworld, the crimes he uncovers there, and the secrets they reveal about the New Russia make for an unforgettable adventure.

This "novel of extraordinary humanity" (Madeleine Thien, author of *Do Not Say We Have Nothing*) from New York Times bestselling author Vaddey Ratner reveals "the endless ways that families can be forged and broken hearts held" (Chicago Tribune) as a young woman begins an odyssey to discover the truth about her missing father. Leaving the safety of America, Teera returns to Cambodia for the first time since her harrowing escape as a child refugee. She carries a letter from a man who mysteriously signs himself as "the Old Musician" and claims to have known her father in the Khmer Rouge prison where he disappeared twenty-five years ago. In Phnom Penh, Teera finds a society still in turmoil, where perpetrators and survivors of unfathomable violence live side by side, striving to mend their still beloved country. She meets a young doctor who begins to open her heart, confronts her long-buried memories, and prepares to learn her father's fate. Meanwhile, the Old Musician, who earns his modest keep playing ceremonial music at a temple, awaits Teera's visit. He will have to confess the bonds he shared with her parents, the passion with which they all embraced the Khmer Rouge's illusory promise of a democratic society, and the truth about her father's end. A love story for things lost and restored, a lyrical hymn to the power of forgiveness, *Music of the Ghosts* is a "sensitive portrait of the inheritance of survival" (USA TODAY) and a journey through the embattled geography of the heart where love can be reborn.

**Eye of the Red Tsar** Hachette Books

In the Prosecutor's Office, Renko is looking into the murder of Rosen, a black marketeer. But all the witnesses to the car bomb that caused his death have disappeared, and Renko is taken off the case. But continuing the investigation, he is led to Irina, a woman he thought he'd lost forever.

"Spufford cunningly maps out a literary genre of his own . . . Freewheeling and fabulous." —The Times (London) Strange as it may seem, the gray, oppressive USSR was founded on a fairy tale. It was built on the twentieth-century magic called "the planned economy," which was going to gush forth an abundance of good things that the lands of capitalism could never match. And just for a little while, in the heady years of the late 1950s, the magic seemed to be working. *Red Plenty* is about that moment in history, and how it came, and how it went away; about the brief era when, under the rash leadership of Khrushchev, the Soviet Union looked forward to a future of rich communists and envious capitalists, when Moscow would out-glisten Manhattan and every Lada would be better engineered than a Porsche. It's about the scientists who did their genuinely brilliant best to make the dream come true, to give the tyranny its happy ending. *Red Plenty* is history, it's fiction, it's as ambitious as *Sputnik*, as uncompromising as an Aeroflot flight attendant, and as different from what you were expecting as a glass of Soviet champagne.

**The Girl from Venice** Simon and Schuster

From its beginnings in hip hop culture, the dense rhythms and aggressive lyrics of rap music have made it a provocative fixture on the American cultural landscape. In *Black Noise: Rap Music and*

*Black Culture in Contemporary America*, Tricia Rose, described by the New York Times as a "hip hop theorist," takes a comprehensive look at the lyrics, music, cultures, themes, and styles of this highly rhythmic, rhymed storytelling and grapples with the most salient issues and debates that surround it. Assistant Professor of Africana Studies and History at New York University, Tricia Rose sorts through rap's multiple voices by exploring its underlying urban cultural politics, particularly the influential New York City rap scene, and discusses rap as a unique musical form in which traditional African-based oral traditions fuse with cutting-edge music technologies. Next she takes up rap's racial politics, its sharp criticisms of the police and the government, and the responses of those institutions. Finally, she explores the complex sexual politics of rap, including questions of misogyny, sexual domination, and female rappers' critiques of men. But these debates do not overshadow rappers' own words and thoughts. Rose also closely examines the lyrics and videos for songs by artists such as Public Enemy, KRS-One, Salt N' Pepa, MC Lyte, and L. L. Cool J. and draws on candid interviews with Queen Latifah, music producer Eric "Vietnam" Sadler, dancer Crazy Legs, and others to paint the full range of rap's political and aesthetic spectrum. In the end, Rose observes, rap music remains a vibrant force with its own aesthetic, "a noisy and powerful element of contemporary American popular culture which continues to draw a great deal of attention to itself."

Stalin's Ghost Other Press, LLC

Stalin's Ghost Investigator Arkady Renko, the pariah of the Moscow prosecutor's office, has been assigned the thankless job of investigating a new phenomenon: late-night subway riders report seeing the ghost of Joseph Stalin. The illusion seems part political hocus-pocus and also part wishful thinking, for among many Russians Stalin is again popular; the bloody dictator can boast a two-to-one approval rating. Decidedly better than that of Renko, whose lover, Eva, has left him for Detective Nikolai Isakov, a charismatic veteran of the civil war in Chechnya, a hero of the far right and, Renko suspects, a killer for hire. The cases entwine, and Renko's quests become a personal inquiry fueled by jealousy. *Wolves Eat Dogs* The death of one of Russia's new billionaires leads Arkady Renko to Chernobyl and the Zone of Exclusion—closed to the world since 1986's nuclear disaster. It is still aglow with radioactivity, now inhabited only by the militia, shady scavengers, a few reckless scientists, and some elderly peasants who refuse to relocate. Renko's journey to this ghostly netherworld, the crimes he uncovers there, and the secrets they reveal about the New Russia make for an unforgettable adventure. *Three Stations* In *Three Stations*, Renko's skills are put to their most severe test.

Though he has been technically suspended from the prosecutor's office for once again turning up unpleasant truths, he strives to solve a last case: the death of an elegant young woman whose body is found in a construction trailer on the perimeter of Moscow's main rail hub. It looks like a simple drug overdose to everyone—except to Renko, whose examination of the crime scene turns up some inexplicable clues, most notably an invitation to Russia's premier charity ball. Thus a sordid death becomes interwoven with the lifestyles of Moscow's rich and famous, many of whom are clinging to their cash in the face of Putin's crackdown on the very oligarchs who placed him in power.

Vayl is the CIA's top assassin. A master of black ops, he has never failed. He's

also a 291-year-old vampire. Assigned to protect Vayl, if such a formidable creature can be said to require protection, is Jasmine Parks - 'Jaz' to her friends. But Jaz has got problems - and not just the run-of-the-mill ones you'd expect from someone whose job consists of putting her life on the line for an undead assassin. She hasn't had sex in god knows how long, so Vayl's almost overpowering vampire charisma is making it increasingly difficult for her to keep their relationship . . . professional. Her personal life is a long line of missed birthdays and Christmases, and lies and excuses to her family. And then there's that other thing: the blackouts. See, there's times that Jaz can't account for and things that happen in those times that Vayl - not to mention the CIA - may not appreciate. And if they find out, Jasmine knows it won't just be her contract that's terminated . . .

When the brilliant and fearless young reporter Tatiana Petrovna falls to her death from a sixth-floor window in Moscow in the same week that notorious mob billionaire Grisha Grigorenko is shot in the back of the head, Renko finds himself on the trail of a mystery as complex and dangerous as modern Russia itself. The body of an elite government translator shows up on the sand dunes of Kaliningrad: killed for nothing but a cryptic notebook filled with symbols. A frantic hunt begins to locate and decipher this notebook. In a fast-changing and lethal race to uncover what this translator knew, and how he planned to reveal it to the world, Renko makes a startling discovery that propels him deeper into Tatiana's past - and, at the same time, paradoxically, into Russia's future. Winner of the 2010 National Book Critics Circle Award for Biography How to get along with people, how to deal with violence, how to adjust to losing someone you love—such questions arise in most people's lives. They are all versions of a bigger question: how do you live? How do you do the good or honorable thing, while flourishing and feeling happy? This question obsessed Renaissance writers, none more than Michel Eyquem de Montaigne, perhaps the first truly modern individual. A nobleman, public official and wine-grower, he wrote free-roaming explorations of his thought and experience, unlike anything written before. He called them "essays," meaning "attempts" or "tries." Into them, he put whatever was in his head: his tastes in wine and food, his childhood memories, the way his dog's ears twitched when it was dreaming, as well as the appalling events of the religious civil wars raging around him. The Essays was an instant bestseller and, over four hundred years later, Montaigne's honesty and charm still draw people to him. Readers come in search of companionship, wisdom and entertainment—and in search of themselves. This book, a spirited and singular biography, relates the story of his life by way of the questions he posed and the answers he explored. It traces his bizarre upbringing, youthful career and sexual adventures, his travels, and his friendships with the scholar and poet Étienne de La Boétie and with his adopted "daughter," Marie de Gournay. And we also meet his readers—who for centuries have found in Montaigne an inexhaustible source of answers to the haunting question, "how to live?"

Drugs, weapons, migrant labour, women — these are just a few of the many goods that effortlessly cross national borders in this globalized age, often without the knowledge or permission of the nations concerned. How is this remarkable criminal feat managed? From gun runners in the Ukraine, to money launderers in Dubai, cyber criminals in Brazil, racketeers in Japan, and the booming marijuana industry in western Canada, McMafia builds a breathtaking picture of a secret and bloody business. Internationally celebrated writer Misha Glenny crafts a fascinating, highly readable, and impressively well-researched account of the emergence of organized crime as a globalized phenomenon and shows how its secret and bloody business mirrors both the methods and the rewards of the legitimate world economy. Employing his journalistic talent and his prior experience covering organized crime in Eastern Europe, Glenny reports on his travels around the planet to investigate this worrying and worsening situation. After comprehensively surveying the criminal scene, Glenny ends by considering the future of organized crime. McMafia is an important book that assembles all the pieces of this worldwide puzzle for the
