tubebooks.org

Rubber clad diffusers are utilized to extend life and maintain efficiency by making field adjustments easy. Stancor™ also provides the longest cable lengths in the industry and MSHA-approved controls to further maximize service life. Dewatering pumps are available in 115, 230, 460, 575 and 950 volts and are made in the USA.

SE/SV-Series – Stancor

The Stancor Oil Minder® Control and Pump System allows water to be automatically pumped from hydraulic elevator pits or transformer vaults without danger of ejecting potentially harmful oily substances

into sewers, rivers and waterways. There is no need for a separate oil-water separator.
