Depth of Field Kubrick's A Clockwork Orange. Book & DVD Set

A darkly hilarious, wildly erotic satire of Hollywood from "the only author capable of handling mayhem on a gigantic scale" (Esquire). King B., the world's most admired filmmaker—winner of a string of Oscars and awards from Cannes to Venice—takes on a new project: the most expensive, star-studded, high-quality, X-rated film ever made. He joins forces with producer Sid Krassman, who's made a fortune with B movies, and Angela Sterling, a misunderstood sex symbol who longs to do "serious" work. After convincing the principality of Liechtenstein to host the production in exchange for a distribution exclusive to boost tourism, King B. and Krassman arrive with cast and crew to make The Faces of Love. While keeping the nature of the film secret from American bankers, King B. lines up a host of European and American big-name stars. But word leaks out to the local religious groups and possibly even the Vatican. Between the Cardinal's attempts to sabotage production and the big egos and even bigger libidos behind the scenes, the enterprise plummets into hilarious anarchy. Blue Movie is comic eroticism at its best—populated by over-the-top characters, memorable dialogue, and perverse vignettes, and colored by razor-sharp insights into the film industry. This ebook features an illustrated biography of Terry Southern including rare photos and never-before-seen documents from the author's estate.

Stanley Kubrick's A Clockwork Orange McFarland

Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Cologne (Institut für Anglistik), course: Novels and their film adaptations, 9 entries in the bibliography, language: English, abstract: After the release of Stanley Kubrick's film version of "A Clockwork

Orange" in 1971, Anthony Burgess's original novel of 1962 and the film were obstinately criticised to be senselessly brutal and it was (and is) said (until today) that both Burgess and Kubrick glorified violence with their works. Although in "A Clockwork Orange", a lot of different themes are dealt with - for example politics, music, art or themes of philosophical nature - the violence in the book and on screen are the most concerned about things when critics write about "A Clockwork Orange". But not only critics, also 'normal' readers (or viewers) regard the violence to be the most remarkable thing about the whole book (or movie). One simply has to look at the website of the internet-bookstore 'Amazon' (www.amazon.de) to see that the main part of the readers' reviews for the book by Anthony Burgess comment on the violence and the brutal crimes committed by the story's protagonists: Alex DeLarge and his 'droogs'. It is interesting that most of the readers that commented on the book also gave a statement about Kubrick's film adaptation. It looks like the whole discussion about violence in "A Clockwork Orange" really first came up when Stanley Kubrick's movie version hit the theatres. But why this violence? Does it stand for itself? Are rape and murder obeyed fetishes of Burgess and Kubrick? Or is there something more in the story, that makes it indispensable to present violence in the extreme way Burgess and Kubrick did? This text will explain the function and the intention of presenting violence in "A Clockwork Orange". It will show the differences between the way of presenting violence in the original novel and the film version and why author and director decided to portray the protagonists' brutality in unlike ways, including the impact they have on the reader and the viewer. This text will conclude that in the novel and the film version, violence in "A Clockwork Orange" serves to discuss other and more important themes included in the story.

Kubrick's A Clockwork Orange. Book & DVD Set Taschen  
Director of some of the most controversial films of the twentieth century, Stanley Kubrick created a reputation as a Hollywood outsider as well as a cinematic genius. His diverse yet relatively small oeuvre—he directed only thirteen films during a career that spanned more than four decades—covers a broad range of the themes that shaped his century and continues to shape the twenty-first: war and crime, gender relations and class conflict, racism, and the fate of individual agency in a world of increasing social surveillance and control. In Depth of Field, leading screenwriters and scholars analyze Kubrick's films from a variety of perspectives. They examine such groundbreaking classics as Dr. Strangelove and 2001: A Space Odyssey and later films whose critical reputations are still in flux. Depth of Field ends with three viewpoints on Kubrick's final film, Eyes Wide Shut, placing it in the contexts of film history, the history and theory of psychoanalysis, and the sociology of sex and power. Probing Kubrick's whole body of work, Depth of Field is the first truly multidisciplinary study of one of the most innovative and controversial filmmakers of the twentieth century.

We'll Meet Again National Geographic Books

A brilliantly funny spy novel, this morality tale of a Secret Service gone mad features sex, gluttony, violence, and

treachery. From the author of the ground-breaking *A Clockwork Orange*. Denis Hillier is an aging British agent based in Yugoslavia. His old school friend Roper has defected to the USSR to become one of the evil empire's great scientific minds. Hillier must bring Roper back to England or risk losing his fat retirement bonus. As thoughtful as it is funny, this morality tale of a Secret Service gone mad features sex, gluttony, violence, treachery, and religion. Anthony Burgess's cast of astonishing characters includes Roper's German prostitute wife; Miss Devi and her Tamil love treatise; and the large Mr. Theodorescu, international secret monger and lascivious gourmand. A rare combination of the deadly serious and the absurd, the lofty and the lusty, *Tremor of Intent* will hold you in its thrall.

*Tremor of Intent* Palgrave Macmillan

Cast size: large.

Kubrick's *A Clockwork Orange*. Book & DVD Set Taschen

*The Shadow Knows* Vintage

A newly revised text for *A Clockwork Orange*'s 50th anniversary brings the work closest to its author's intentions.

*A Clockwork Orange* is as brilliant, transgressive, and influential as when it was published fifty years ago. A nightmare vision of the future told in its own fantastically inventive lexicon, it has since become a classic of modern literature and the basis for Stanley Kubrick's once-banned film, whose recent reissue has brought this revolutionary tale on modern civilization to an even wider audience. Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with its original British cover and six of Burgess's own illustrations.

*A Clockwork Orange* GRIN Verlag

Drawing on new research in the Stanley Kubrick Archive at the University of the Arts London, Krämer's study explores the production, marketing and reception as well as the themes and style of *A Clockwork Orange* against the backdrop of Kubrick's previous work and of wider developments in cinema, culture and society from the 1950s to the early 1970s.

*Clockwork Orange*, Directed by Stanley Kubrick GRIN Verlag

The daring dystopian satire that inspired one of the most notorious films ever made, beautifully reimagined as part of the Penguin Essentials series 'Every generation should discover this book' Time Out \_\_\_\_\_ In this nightmare vision of youth in revolt, fifteen-year-old Alex and his friends set out on a diabolical orgy of robbery, rape, torture and murder. Alex is jailed for his teenage delinquency and the State tries to reform him - but at what cost? Experiment of language? Social prophecy? Black comedy? *A Clockwork Orange* is all of these. Dazzling and transgressive, this frightening fable about good and evil asks the meaning of human freedom.

\_\_\_\_\_ 'A gruesomely witty cautionary tale' Time 'Not only about man's violent nature and his capacity to choose between good and evil. It is about the excitements and intoxicating effects of language' Daily Telegraph 'I do not know of any other writer

who has done as much with language . . . a very funny book' William S. Burroughs 'One of the cleverest and most original writers of his generation' The Times [Blissful Violence Ambiguity in Stanley Kubrick's a Clockwork Orange](#) Oxford University Press

Stanley Kubrick is generally acknowledged as one of the world's great directors. Yet few critics or scholars have considered how he emerged from a unique and vibrant cultural milieu: the New York Jewish intelligentsia. Stanley Kubrick reexamines the director's work in context of his ethnic and cultural origins. Focusing on several of Kubrick's key themes—including masculinity, ethical responsibility, and the nature of evil—it demonstrates how his films were in conversation with contemporary New York Jewish intellectuals who grappled with the same concerns. At the same time, it explores Kubrick's fraught relationship with his Jewish identity and his reluctance to be pegged as an ethnic director, manifest in his removal of Jewish references and characters from stories he adapted. As he digs deep into rare Kubrick archives to reveal insights about the director's life and times, film scholar Nathan Abrams also provides a nuanced account of Kubrick's cinematic artistry. Each chapter offers a detailed analysis of one of Kubrick's major films, including *Lolita*, *Dr. Strangelove*, *2001*, *A Clockwork Orange*, *Barry Lyndon*, *The Shining*, *Full Metal Jacket*, and *Eyes Wide Shut*. Stanley Kubrick thus presents an illuminating look at one of the twentieth century's most renowned and yet misunderstood directors.

Hundreds of photos from the movie as they appeared show the incredible world of Alex and his droogs - a world of violence and terror.

*A Clockwork Orange* Open Road Media

Stanley Kubrick's '*A Clockwork Orange*' brings together critically informed essays about one of the most powerful, important and controversial films ever made. Following an introduction that provides an overview of the film and its production history, a suite of essays examine the literary origins of the work, the nature of cinematic violence, questions of gender and the film's treatment of sexuality, and the difficulties of adapting an invented language ('nadsat') for the screen. This volume also includes two contemporary and conflicting reviews by Roger Hughes and Pauline Kael, a detailed glossary of 'nadsat' and stills from the film.

Univ of Wisconsin Press

Seminar paper from the year 2003 in the subject Film Science, grade: A, Concordia University Montreal (Mel Hoppenheim School Of Cinema), course: Stanley Kubrick Seminar, 7 entries in the bibliography, language: English, abstract: I don't know many filmmakers within their films are more pictorial structures than in the films of Stanley Kubrick. In the following essay, "A Clockwork Orange" will be analyzed in terms of expressionism and theatricality. There not only the pictorial structure of the shots, but also the structure of the entire film is very interesting. The film has three main parts. The first one contains Alex's violent performance, the second is Alex's cure in jail and the third one is a kind of "the empire strikes back". Many scenes of the first part come again but in a mirrored version; now Alex is the victim. "A Clockwork Orange" represents the director's most complete experiment in presenting

---

cinematic material in a subjective mode. (Falsetto, A Narrative and Stylistic Analysis, p. 90) Therefore other characteristics of the film, especially the 1st person voice over, or the point of view shots, are very important to mention in terms of creating this subjectivity. But one of the most important aspects in the film 's subjectivity and theatricality is Alex ' s performance. Also the expressionist d é cor and lightning plays its important part in the film. The expressionistic style is deeply connected with elements of theatricality, in particular through the performance of the actors. Before analyzing " A Clockwork Orange " concerning these elements, I will describe the development of the German expressionism and its historical context in general. After that I will point out the development of theatricality in cinema and in what relation theater stands to cinema.

A Clockwork Orange Cambridge University Press

We'll Meet Again illuminates music's central role in the design and reception of Stanley Kubrick's films. It brings together archival evidence and close analysis to trace the ways music serves as starting point and inspiration throughout Kubrick's working process.

"A Clockwork Orange". The presentation and the impact of violence in the novel and in the film

ScreenPress Books

One of the most original shows in the history of television, Mystery Science Theater 3000 is a beloved cult hit built on the back of another cult phenomenon: the bad movie. The show's premise involved a man and some robots watching cheesy movies and cracking jokes. Over its 197 episodes, MST3K developed a passionate fan base that took it from a local UHF show in Hopkins, Minnesota, to a major motion picture. This is the story of MST3K from the beginning to the end. Twelve of the episodes are covered, giving an in-depth look at the show, its ethos and its comedic style. The films screened in these episodes are discussed critically, as are the episodes themselves.
