STARFLEET CORPS OF ENGINEERS Long believed to be just a Nalori myth, the shii has turned out to be devastatingly real! The monster -- seemingly invulnerable, undeniably powerful, and completely ruthless -- as carved a swath through the Nalori construction project on the crystal planet of Sarindar. The project's supervisor, Commander Sonya Gomez, must find a way to stop the deadly creature before it destroys the entire project and its workers. But when the truth behind the shii is revealed, Gomez realizes that even one of the S.C.E.'s top officers may not be able to solve every problem... The exciting conclusion to the gripping, all-new two-part adventure!

**Star Trek: Corps of Engineers: Wildfire** Simon and Schuster

The third and final novel in an epic crossover trilogy uniting characters from every corner of the Star Trek universe, revealing the shocking origin and final fate of the Federation's most dangerous enemy—the Borg. The soldiers of Armageddon are on the march, laying waste to worlds in their passage. An audacious plan could stop them forever, but it carries risks that one starship captain is unwilling to take. For Captain Jean-Luc Picard, defending the future has never been so important, or so personal—and the wrong choice will cost him everything for which he has struggled and suffered. For Captain William Riker, that choice has already been made. Haunted by the memories of those he was forced to leave behind, he must jeopardize all that he has left in a desperate bid to save the Federation. For Captain Ezri Dax, whose impetuous youth is balanced by the wisdom of many lifetimes, the choice is a simple one: there is no going back—only forward to whatever future awaits them. But for those who, millennia ago, had no choice...this is the hour of their final, inescapable destiny.

Dr. Julian Bashir fears the worst when he accepts a mission from the covert operations division of Starfleet, which he is trying to destroy from within, to stop the Breen stealing a dangerous technology from the Mirror Universe.

**A Star Trek: The Next Generation: Time #8: A Time to Heal** Simon and Schuster

The Shape of Things to Come The cataclysmic

events of Star Trek: Destiny have devastated known space. Worlds have fallen. Lives have been destroyed. And in the uneasy weeks that follow, the survivors of the holocaust continue to be tested to the limits of their endurance. But strange and mysterious occurrences are destabilizing the galaxy's battle-weary Allies even further. In the Federation, efforts to replenish diminished resources and give succor to millions of evacuees are thwarted at every turn. On the borders of the battered Klingon Empire, the devious Kinshaya sense weakness -- and opportunity. In Romulan space, the already-fractured empire is dangerously close to civil war. As events undermining the quadrant's attempts to heal itself become increasingly widespread, one man begins to understand what is truly unfolding. Sonek Pran -- teacher, diplomat, and sometime adviser to the Federation President -- perceives a pattern in the seeming randomness. And as each new piece of evidence falls into place, a disturbing picture encompassing half the galaxy begins to take shape...revealing a challenge to the Federation and its allies utterly unlike anything they have faced before.

**Star Trek: Manifest Destiny #2** Pocket Books/Star Trek Celebrate the 50th Anniversary Celebration of the STAR TREK franchise with this all-new adventure! At the edge of explored space, Captain Kirk and the crew of the Starship Enterprise come face to face with a new Klingon threat... with the fate of the galaxy at stake! Also includes the Klingon Language version of issue #1!

**Star Trek: Destiny #1: Gods of Night** Simon and Schuster One man can shape the future...but at what cost? "In every revolution, there is one man with a vision." Captain James T. Kirk of the United Federation of Planets spoke those prophetic words to Commander Spock of the Terran Empire, hoping to inspire change. He could not have imagined the impact his counsel would have. Armed with a secret weapon of terrifying power and a vision of the alternate universe's noble Federation, Spock seizes control of the Terran Empire and commits it to the greatest gamble in its history: democratic reform. Rivals within the empire try to stop him; enemies outside unite to destroy it. Only a few people suspect the shocking truth: Spock is knowingly arranging his empire's downfall. But why? Have the burdens of imperial rule driven him mad? Or is this the coldly logical scheme of a man who realizes that freedom must always be paid for in blood? Spock alone knows that the fall of the

empire will be the catalyst for a political chain reaction -- one that will alter the fate of his universe forever.

#### **Full Circle** Simon and Schuster

On the cusp of their epic battle with Shinzon, many of Captain Jean-Luc Picard's long-time crew were heading for new assignments and new challenges. Among the changes were William Riker's promotion to captain and his new command, Riker's marriage to Counselor Deanna Troi, and Dr. Beverly Crusher's new career at Starfleet Medical. But the story of what set them on a path away from the Starship Enterprise™ has never been told. UNTIL NOW. A cataclysmic war between the Federation and the Klingon Empire has been miraculously averted, and a new government is finally in place on the planet Tezwa. But deadly secrets still threaten the fragile peace accord. Rebels still loyal to the old Tezwa regime have captured Commander Riker and are willing to kill to achieve their goals...the Orion Syndicate is interfering in the rebuilding -- and may also be involved in much more than that. But the most devastating revelation of all threatens the very foundations of the Federation itself -- leaving Captain Picard to possibly face the very conflict that he labored so hard to prevent....

The omnibus edition of an epic crossover trilogy uniting characters from every corner of the Star Trek universe, and revealing the shocking origin and final fate of the Federation's most dangerous enemy--the Borg. DESTINY #1: GODS OF NIGHT THE BORG RETURN—WITH A VENGEANCE. Blitzkrieg attacks by the Borg leave entire worlds aflame. No one knows how they are slipping past Starfleet's defenses, so Captain Picard and the crew of the Enterprise have to find out—and put a stop to it. Thousands of light-years away, Captain Riker and the crew of the Titan follow bizarre energy pulses to a mysterious, hidden world. But what they find there is a figure out of history: a Starfleet captain long thought dead. At the same time, in the Gamma Quadrant, a new captain and her crew investigate the wreck of the Earth starship Columbia NX-02, missing in action for more than two centuries. Four starships. Four captains. Four lives about to intersect—and discover their shared Destiny. DESTINY #2: MERE MORTALS IT'S A CLASH OF CIVILIZATIONS. The Borg have found a secret passage through subspace and are using it to attack the Federation. But the passage is one of many that the Enterprise crew finds inside a nebula, and Captain Picard and Captain Dax must find the right one—and lead a counterstrike to stop the impending Borg invasion. Meanwhile, Captain Riker and the Titan's crew are held captive by the reclusive and powerful aliens known as the Caeliar. The Titan's freedom hinges on the action of fellow prisoner Erika Hernandez, commander of the long-lost Earth starship Columbia. Hernandez has lived among the Caeliar for centuries—enduring disasters, accidental time-travel, and interstellar exile. After so long as their prisoner, will she dare to fight for her freedom? Or is an eternity in captivity her inescapable Destiny? DESTINY #3: LOST SOULS THE FINAL BATTLE HAS BEGUN. An

armada of several thousand Borg cubes has wiped out a fleet of ships sent by the Federation and its allies. The Collective's goal this time isn't assimilation—it's extermination. Captain Picard, Captain Riker, and Captain Ezri Dax unite in a final desperate bid to halt the Borg's genocidal march through known space. But their three starships—the Enterprise, the Titan, and the Aventine—are no match for the Borg armada. Or are they? With them is Erika Hernandez, former captain of the Columbia. She has powers and insight gained from centuries of living with the aliens known as the Caeliar. She can end the Borg threat forever—or transform it into an unstoppable menace that will devour the galaxy. Destruction or salvation—only one can be her final Destiny.

time its goal is nothing less than total annihilation. Elsewhere, deep in the Gamma Quadrant, an ancient mystery is solved. One of Earth's first generation of starships, lost for centuries, has been found dead and empty on a desolate planet. But its discovery so far from home has raised disturbing questions, and the answers harken back to a struggle for survival that once tested a captain and her crew to the limits of their humanity. From that terrifying flashpoint begins an apocalyptic odyssey that will reach across time and space to reveal the past, define the future, and show three captains -- Jean-Luc Picard of the U.S.S. Enterprise, TM William Riker of the U.S.S. Titan, and Ezri Dax of the U.S.S. Aventine -- that some destinies are inescapable.

The Left Hand Of Destiny Book One IDW Publishing

On Earth, Federation President Nanietta Bacco gathers allies and adversaries to form a desperate last line of defense against an impending Borg invasion. In deep space, Captain Jean-Luc Picard and Captain Ezri Dax join together to cut off the Collective's route to the Alpha Quadrant. Half a galaxy away, Captain William Riker and the crew of the Starship Titan have made contact with the reclusive Caeliar -- survivors of a stellar cataclysm that, two hundred years ago, drove fissures through the structure of space and time, creating a loop of inevitability and consigning another captain and crew to a purgatory from which they could never escape. Now the supremely advanced Caeliar will brook no further intrusion upon their isolation, or against the sanctity of their Great Work....For the small, finite lives of mere mortals carry little weight in the calculations of gods. But even gods may come to understand that they underestimate humans at their peril.

They were created to be killing machines. Highly intelligent, resourceful, and deceptively complex, the Jem'Hadar are a species engineered for war and programmed at the genetic level for one purpose: to fight until death as soldiers of the sprawling stellar empire known as the Dominion. No Jem'Hadar has ever lived thirty years, and not even their masters, the shape-shifting Founders, know what such a creature is capable of becoming were it to be freed of its servitude. One Founder, however, has dared to wonder. Appointed by Odo himself to learn peaceful coexistence aboard Deep Space 9™, Taran'atar, an Honored Elder among the Jem'Hadar, had for months been a staunch, if conflicted, ally to the crew of the station, ever struggling to understand the mission on which he was sent . . . until something went horrifically wrong. Consumed by self-doubt and an ever-growing rage, Taran'atar has lashed out against those he was sworn to aid. While Captain Kira Nerys and Lieutenant Ro Laren both lie near death aboard DS9, their assailant has taken a hostage and fled into Cardassian space, pursued by Commander Elias Vaughn on the U.S.S. Defiant. But as the hunt unfolds, Taran'atar's true objective becomes increasingly less certain, as the rogue Jem'Hadar leads the Defiant to a discovery even more shocking than his crime.

During the Dominion War, the Federation set a trap for its enemies and secretly armed the neutral planet Tezwa with high-tech weapons -- violating its non-aggression pact with the Klingon Empire in the process. Now Tezwa's ruthless prime minister is flexing his world's military muscle and threatening both Federation and Klingon border worlds -- and Captain Picard and the Starship Enterprise crew are caught in the middle of what could be their last battlefield.

**The Starfleet Survival Guide** Simon and Schuster

Imagine Alias combined with Star Trek and you have the idea behind VANGUARD, a new concept for Star Trek fiction that

takes it in a compelling new direction, presenting a new perspective on the classic Original Series era, with novels running parallel to Kirk's original five-year mission. VANGUARD is a Starfleet space station charged with the exploration and colonization of a region of space that holds a highly coveted, mysterious, and potentially cataclysmic secret - one that the Federation must solve before anyone else. The race is on and at the centre of this intrigue is an eclectic mix of Starfleet and civilian protagonists unlike any crew previously seen in Star Trek. Their turbulent lives aboard the station and on the ships they travel are painted against the backdrop of an evolving storyline that will gain momentum as the series progresses and the layers of ancient mystery are steadily peeled back, one after another.
