Star Trek: Kirk Fu Manual Simon and Schuster

STAR TREK is one of the world's most popular and enduring science fiction franchises, spanning decades' worth of TV, film, comics, books and more. This book - originally published just as DEEP SPACE NINE was first being produced - analyses the rebirth and renaissance of the series in the nineteen eighties and nineties. Along with masses of factual information - plot synopses, cast and crew and, uniquely, British transmission dates - this Programme Guide casts a gently critical eye over the series' continuity (and lack of it) and lingers over the moments of humour (intentional and otherwise). In sum, this is a light-hearted, detailed and affectionate overview of the revitalised version of the classic STAR TREK. Please note that it has not been updated since its original publication.

Pocket Books/Star Trek Captain's log, Stardate Eleventy-seven eighty six point negative nine. Charted a blah blah blah with my blah blah crew today, collecting samples of blah blah blah... Aren't you tired of surveying all the brave new worlds and startling new civilizations of the galaxy with the safe, polite, politically correct members of the Federation? After all, they only have fun when they break their own rules and leave a communicator behind on a planet of curious mimics, or travel through time to play with tribbles. Wouldn't you rather travel the stars with me? Who am I? Spelled the same way front as back: Q! You've heard of me. All-seeing, all-knowing, dashing beyond comparison. The Q have been here since the dawn of time (and in some cases, a little before that, but that's another story), and we've seen it all. But I've put it all together in a form you can understand. The title? Q's Guide to the Continuum! (Well, what did you think I would call it? Picard's Incessant Droning About Stellar Gas Formations?) Want to know what the longest-lived race in the galaxy is? It's here. Ever wonder who is the greatest mass murderer of all time? I know that, too. And are you dying to find out if a certain relative of mine ever played the harpsichord while dressed like a Victorian nobleman? Well, there are some things I won't tell you, but the rest will be revealed in Q's Guide to the Continuum! (Love that title, don't you?) Prepare to be enlightened!

The Nitpicker's Guide for Deep Space Nine Trekkers Virgin Pub

This guide brings you the scoop on Deep Space Nine -the good, the bad, and the Ferengi. Author Phil Farrand (with a little help from his Trekker friends) has had his VCR in warp drive and surveyed every DS9 episode of the first four seasons for the glitches, gaffs, and goofs that neither the station's engineers nor the show's writers have solved: plot oversights, changed premises, equipment oddities, continuity and production

problems, strange but true fun facts, trivia questions, and more!

Star Trek, Deep Space Nine Simon and Schuster

The European discovery of the Americas forever changed the world as cultures collided with violent consequences. New World weaves the stories of three characters from unique backgrounds—a Native Indian seeking revenge against those who invaded her land, an African musician fighting for freedom against those who enslaved him, and a Portuguese sailor in search of redemption. These three unlikely heroes, connected by fate, will work together to free the New World from the darkness of the old. Written and illustrated by David Jesus Vignolli (A Girl in the Himalayas), New World intertwines the cultures of his personal heritage to explore the European discovery of the Americas with a vibrant blend of fantasy and history.

The Star Trek, the Next Generation Simon and Schuster

A thrilling untold adventure based on the acclaimed Star Trek: Picard TV series! Starfleet was everything for Cristóbal Rios—until one horrible, inexplicable day when it all went wrong. Aimless and adrift, he grasps at a chance for a future as an independent freighter captain in an area betrayed by the Federation, the border region with the former Romulan Empire. His greatest desire: to be left alone. But solitude isn't in the cards for the captain of La Sirena, who falls into debt to a roving gang of hoodlums from a planet whose society is based on Prohibition-era Earth. Teamed against his will with Ledger, his conniving overseer, Rios begins an odyssey that brings him into conflict with outlaws and fortune seekers, with power brokers and relic hunters across the stars. Exotic loves and locales await—as well as dangers galore—and Rios learns the hard way that good crewmembers are hard to find, even when you can create your own. And while his meeting with Jean-Luc Picard is years away, Rios finds himself drawing on the Starfleet legend's experiences when he discovers a mystery that began on one of the galaxy's most important days...™, ®, & © 2021 CBS Studios, Inc. These rules and hundreds more have taken many successful Ferengi to new frontiers of profit.

Treconomics Gateway

"Manu Saadia has managed to show us one more reason, perhaps the most compelling one of all, why we all need the world of Star Trek to one day become the world we live in." — Chris Black, Writer and Co-Executive Producer, Star Trek: Enterprise What would the world look like if everybody had everything they wanted or needed? Treconomics, the premier book in financial journalist Felix Salmon's imprint PiperText, approaches scarcity economics by coming at it backwards — through thinking about a universe where scarcity does not exist. Delving deep into the details and intricacies of 24th century society, Treconomics explores post-scarcity and whether we, as humans, are equipped for it. What are the prospects of automation and artificial intelligence? Is there really no money in Star Trek? Is Treconomics at all possible?

Star Trek: Deep Space Nine—Too Long a Sacrifice #2 Simon and Schuster

From the New York Times bestselling author of The Fall: The Crimson Shadow comes a compelling and suspenseful tale of politics and power set in the universe of Star Trek: Deep Space Nine. Elim Garak has ascended to Castellan of the Cardassian Union...but despite his soaring popularity, the imminent publication of a report exposing his people's war crimes during the occupation on Bajor looks likely to set the military against him. Into this tense situation come Dr. Katherine Pulaski—visiting Cardassia Prime to accept an award on behalf of the team that solved the Andorian genetic crisis—and Dr. Peter Alden, formerly of Starfleet Intelligence. The two soon find themselves at odds with Garak and embroiled in the politics of the prestigious University of the Union, where a new head is about to be appointed. Among the front-runners is one of Cardassia's most respected public figures: Professor Natima Lang. But the discovery of a hidden archive from the last years before the Dominion War could destroy Lang's reputation. As Pulaski and Alden become drawn into a deadly game to exonerate Lang, their confrontation escalates with Castellan Garak—a conflicted leader treading a fine line between the bright hopes for Cardassia's future and the dark secrets still buried in its past...™, ®, & © 2016 CBS Studios, Inc. Space: The Final Frontier. Since the original series began in 1966, Star Trek has captured the imaginations of Americans and stimulated our curiosity about worlds and galaxies beyond our own. The show expertly took on many hot button issues of its day and addressed them with science fiction metaphors. This approach hooked fans in with its utopian vision of united humanity exploring the stars. Today, new Trekkies are being initiated into the Star Trek fandom with the release of new movies. You may think you are already the ultimate Star Trek fan, but have you ever wondered how the Vulcan greeting came to be? Or who did (and didn't) get along behind the scenes of the USS Enterprise? Enter The Ultimate Guide to Star Trek, your personal guide to the shows, cast, crew and worlds that they explored. The Ultimate Guide to Star Trek chronologically explores the productions and fandom of Star Trek. We begin with the three-year run of the original series with stars William Shatner as Captain Kirk and Leonard Nimoy as Spock. Next we lead into the six major motion pictures of the 20th century and second generation of television series. Finally, we survey the current Star Trek major motion picture franchise with stars like Chris Pine and director J.J. Abrams. This 50th anniversary collector's edition includes new photos from the upcoming Star Trek Beyond movie and opens with an introduction by the film's cowriter and Scotty 2.0, Simon Pegg.
