Stoicism and the Philosophies of the Jedi and the Sith The...

The Force is a metaphysical and ubiquitous power in the Star Wars universe. It is wielded by "Force-sensitive" characters throughout the franchise: heroes like the Jedi who seek to become one with the Force, while the Sith and other villains exploit the Force and try to bend it toward their will. The Force has been compared to aspects of several world religions, and the phrase "May the Force ...

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

The philosophy of Star Wars - The Nation

As a fan of both Star Wars and philosophy, I found this book very interesting. The quality of the different submissions varies greatly, but overall, each chapter offers its own unique look at an aspect of Star Wars through the filter of philosophy. Or perhaps it's the other way around.

[Star Wars and Philosophy: More Powerful than You Can ...](#)

The point I believe this essay makes is that the philosophy of star wars is a philosophy of its own. And like all other philosophies it is a synthesis of the philosophies that have preceded it. It has parallels to the systems you have mentioned but the artwork itself claimed none of them. It should be recognized and enjoyed for it's own ...

Star Wars: The Prequel Trilogy Stories: The Star Wars saga begins! Join Anakin Skywalker, Obi-Wan Kenobi, Queen Amidala, and Yoda for one action-packed adventure after the next! This collection features 18 stories from the Star Wars prequel trilogy. This audio storybook is a must-have for fans!

That way of doing things doesn't add anything to our understanding of Star Wars, and it's not the ideal way to discuss philosophy either, since Star Wars is often more a distraction from philosophical issues than a means of illuminating them. Unfortunately, some of the book's essays simply offer bad interpretations of the films.

Stoic ideas also appear in Hollywood science fiction films, including the Star Wars movies. Many elements of the Jedi philosophy, and even a couple of elements of the Sith philosophy, are very Stoic in character. Consider Yoda in *The Empire Strikes Back*. When Yoda offers to take Luke to the Jedi master he seeks,
