"Gloriously witty, keen and spirited" J.J. Abrams, Director of Star Wars: The Rise of Skywalker
"The odds of me ever writing a book were approximately... Oh, never mind. My golden companion worries about such things - I don't. I have indeed now written a book - telling my story, in my voice, not his - recognizing that our voices and our stories are inextricably intertwined." When Star Wars burst onto the big screen in 1977, an unfailingly polite golden droid called C-3PO captured imaginations around the globe. But C-3PO wasn't an amazing display of animatronics with a unique and unforgettable voiceover. Inside the metal costume was an actor named Anthony Daniels. In this deeply personal memoir, Anthony Daniels recounts his experiences of the epic cinematic adventure that has influenced pop culture for more than 40 years. For the very first time, he candidly describes his most intimate memories as the only actor to appear in every Star Wars film - from his first meeting with George Lucas to the final, emotional days on the set of Star Wars: The Rise of Skywalker. With a foreword by J.J. Abrams and never-before-seen photography, this book is a nostalgic look back at the Skywalker saga as it comes to a close. I Am C- 3PO: The Inside Story reveals Anthony Daniels' vulnerability, how he established his role and what he accomplished, and takes readers on a journey that just happens to start in a galaxy far, far away.

In his best-selling book, Save the Cat!(r) Goes to the Movies, Blake Snyder provided 50 beat sheets to 50 films, mostly studio-made. Now his student, Salva Rubio, applies Blake s principles to 50 celebrated non-studio films (again with 5 beat sheets for each of Blake s 10 genres). From international sensations like The Blair Witch Project topromising debuts like Pi, from small films that acquired cult status like Texas Chain Saw Massacre to Euro-blockbusters like The Full Monty, from unexpected gems like Before Sunrise to textbook classics such as The 400 Blows, from Dogville to Drive and Boogie Nights to Cinema Paradiso, here are 50 movies that fit both the independent label and Blake Snyder s 15 beats. You ll find beat sheets for works from Quentin Tarantino, Steven Soderbergh, David Lynch, Roman Polanski, Danny Boyle, David Mamet, Spike Jonze, Charlie Kaufman, Sofia Coppola, Stephen Frears, David Hare, Stanley Kubrick, Woody Allen, Wes Anderson, and the Coen Brothers, among other renowned writers and directors. You ll see how hitting the beats creates a story that resonates for audiences the world over. Why is this important? Because it gives both writers and moviegoers a language to analyze film and understand how filmmakers can effectively reach audiences. And especially if you are a writer, this book reveals how screenwriters who came before you tackled the same challenges you are facing with the film you want to write or the one you are currently working on."
