Discover Captain Phasma's mysterious history in the official prequel to The Last Jedi, the highly anticipated blockbuster film directed by Rian Johnson, hitting cinemas in December 2017. One of the most cunning and merciless officers of the First Order, Captain Phasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Phasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins-and exposing a secret she guards as zealously and ruthlessly as she serves her masters. Deep inside the Battlecruiser Absolution, a captured Resistance spy endures brutal interrogation at the hands of a crimson-armored stormtrooper-Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Phasma's past-and with it whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won't surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the spellbinding chronicle of the inscrutable Phasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it-and once his adversary unleashes the full measure of her fury.

Black Spire Del Rey

The first in a steampunk paranormal romance series in which a woman is transported to a world filled with vampires and magic. When nurse Tish Everett forced open the lovely locket she found at an estate sale, she had no idea she was answering the call of Criminy Stain, from the far off land of Sang. He ' d cast a

spell for her, but when she's transported right to him, she's not so sure she's ready to be under the spell of another man. If only Criminy wasn't so deliciously rakish... Half the inhabitants of Sang are Pinkies—human—and the other half are Blutmen, who in Tish's world would be called vampires. But they don't mess with any of the bat/coffin/no sunlight nonsense. They're rather like you and me, just more fabulous, long living, and mostly indestructible—they're also very good kissers. But when the evil Mayor of Manchester (formerly Blutchester) redoubles his efforts to rid Sang of the Blutmen once and for all, he steals Tish's locket in hopes of traveling back to her world himself for reinforcements. Criminy and Tish must now battle ghosts, sea monsters, wayward submarines, a secret cabal, and thundering Blutmares to get the locket back and allow Tish to return home...but has she found love with Criminy? Could she stay in Sang forever?

The Dark Lord Trilogy Lucasbooks

In war, no one is safe. War has come to Thornstone, Tarkin's Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

There are plenty of mercenaries, spies, and guns for hire in the galaxy. But probably none as dangerous and determined as Bazine Netal. A master of disguise—and lethal with a blade, a blaster, or bare handed—she learned from the best. Now it's her turn to be the teacher—even if schooling an eager but inexperienced recruit in the tricks of her trade is the last thing she wants to do. But it's the only way to score the ship she needs to pull off her latest job. An anonymous client has hired Bazine to track down an ex-stormtrooper and recover the mysterious package he's safeguarding. Payment for the mission promises to be astronomical, but the obstacles facing Bazine will

prove to be formidable. And though her eager new sidekick has cyber skills crucial to the mission, only Bazine's razor-sharp talents will mean the difference between success or failure—and life or death.
