As someone who played all the starry sky games, this is a pathetic attempt to try to squeeze every single character's plotline into 1 show. They only give 2 episodes per guy (which is only 11 min per episodes so a full episode per guy). They don't even use this time wisely to fully cover or describe the character.

[The Starry Night, The Starry Sea \(2017\) - Episodes ...](#)  
[Starry Sky](#) is a series about a woman surrounded by a harem of men. The series is based off an otome game targeted at a female audience. The series is webcast online through a series of 11 minute episodes. Due to the success of Hetalia and it's 5 minute webcast.
