The infamous exploits of this hapless Rebel pair are now collected in one single, attractive, and highly portable volume! Officers Tag Greenley and Bink Otauna were minding their own business aboard a familiar, princess-harboring freighter when they suddenly found themselves under siege. Now under attack by the Empire, they will choose life over a noble death and "borrow" the armor off a pair of deceased stormtroopers. Their new disguises might get them off the freighter alive, but they'll also lead Tag and Bink on an adventure neither could have predicted! Chockfull of appearances by everyone's favorite Star Wars characters, Tag (Artist),amp; Bink cleverly weaves the pair's misadventures into the movies themselves. No setting is safe as they traverse the galaxy from the Death Star to the Sarlacc pit to Cloud City to Endor! • Written by fanfavorite writer Kevin Rubio (creator of the internet film sensation Troops and hilarious short stories from Star Wars Tales) and illustrated by Star Wars stalwart Lucas Marangon, find out why Tag (Artist),amp; Bink is a favorite of many Dark Horse employees.

The Truce at Bakura: Star Wars

Legends Simon and Schuster

The year is 7202 A.D. Evolving from genetic manipulation and virtually immortal, the Specials wielded their repressive power over a far-flung empire for nearly two thousand years. Until one man—a man of mystery, a gifted military strategist, a superb pilot, a charismatic leader—dared to raise the flag of rebellion. That man is Hawk Hunter. In the middle of a fierce battle with the Imperial forces, Hunter suddenly finds himself alone. His badly-damaged fleet has vanished—gone through a portal to another dimension. They can lay low, rest, make repairs, and gain strength for their next assault. But the enemy also finds the portal—and it leads them to a different dimension where they discover powerful and deadly new allies. Now Hunter must undertake his own Interdimensional search for support. Because when the portal reopens, the battle that follows could destroy not only the rebels and the Empire, but also the entire galaxy.

Star Wars Chelsea Green Publishing

This thrilling Young Adult novel gives readers a macro view of some of the most important events in the Star Wars universe, from the rise of the Rebellion to the fall of the Empire. Readers will experience these major moments through the eyes of two childhood friends—Ciena Ree and Thane Kyrell—who have grown up to become an Imperial officer and a Rebel pilot. Now on opposite sides of the war, will these two star-crossed lovers reunite, or will duty tear them—and the

galaxy--apart? Star Wars: Lost Stars also includes all-new post-Star Wars: Return of the Jedi content, as well as hints and clues about the upcoming film Star Wars: The Force Awakens, making this a must-read for all Star Wars fans. *Star Wars: Attack of the Clones Speaking Volumes*

Collects Star Wars: Vader - Dark Visions #1-5. Who is Darth Vader? He has been many things: enforcer, commander, destroyer. He is, to many throughout the Galactic Empire, the ultimate symbol of power and fear. But there are those who have seen the Dark Lord in a different light. Some corners of the galaxy are so desperate that even Vader can be a knight in shining armor - while for certain Imperial Commanders, Vader's anger is the price of failure. But what is it like to lose your heart to a Sith Lord - and what fate awaits the star-crossed lover who has fallen for a man so unattainable? Plus, learn how it feels to be an X-wing pilot going head-to-head with Vader's TIE Fighter - and discover more of the many sides of the galaxy's greatest villain!

*House of Reeds* Dey St

Explore the beginning of Leia's participation in the Rebellion and the origin of her friendship with Amilyn Holdo from The Last Jedi! Sixteen-year-old Princess Leia Organa faces the most challenging task of her life so far: proving herself in the areas of body, mind, and heart to be formally named heir to the throne of Alderaan. She's taking rigorous survival courses, practicing politics, and spearheading relief missions to worlds under Imperial control. But Leia has worries beyond her claim to the crown. Her parents, Breha and Bail, aren't acting like themselves lately; they are distant and preoccupied, seemingly more concerned with throwing dinner parties for their allies in the Senate than they are with their own daughter. Determined to uncover her parents' secrets, Leia starts down an increasingly dangerous path that puts her right under the watchful eye of the Empire. And when Leia discovers what her parents and their allies are planning behind closed doors, she finds herself facing what seems like an impossible choice: dedicate herself to the people of Alderaan (including the man she loves) or to the galaxy at large, which is in desperate need of a rebel hero...

*Abstracts* Chronicle Books

In five short centuries, the mighty Empire of the Méxica, descendants of the ancient Aztecs allied with Imperial Japan, has spread out to conquer the Earth, left the homeworld, and set its sights on the stars. But the universe is a dangerous place, filled with hidden powers and the relics of ancient civilizations. The Méxica are only the latest of the great Imperial powers to reach for the stars. But that doesn't stop Imperial Méxica from claiming control.

Xenoarcheologist Gretchen Anderssen had hoped to enjoy her well-earned vacation. She hadn't seen her home-world or her children for many months. But the Company has other plans for her - when she checks in

for her transport, she finds new orders for her team. It looks like only a small diversion - a quick trip to the Planet Jagen, to investigate reports of a possible First Sun artifact. She doesn't have to run an excavation, or even gain possession of the artifact. Just file a report. But it smells bad, says Gretchen's Hesht companion, Magdalena. David Parker, the Company pilot assigned to Anderssen's analysis team agrees. And they are so right. Gretchen, Magdalena, and Parker find themselves in very dangerous territory indeed. Because, unbeknownst to anyone at the Company, the Imperial Méxican Priesthood has decided to wage a war on Jagen - a war not of conquest or defense, but a "flowery war", planned and fomented for the purpose of blooding the Emperor's youngest son. Gretchen and her team are headed right into the middle of the battle. It may be a War of Flowers, but many people will die, and blood will flow in the streets. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Film Weekly* DK Children

There's Santa Claus, Shakespeare, Mickey Mouse, the Bible, and then there's Star Wars. Nothing quite compares to sitting down with a young child and hearing the sound of John Williams's score as those beloved golden letters fill the screen. In this fun, erudite, and often moving book, Cass R. Sunstein explores the lessons of Star Wars as they relate to childhood, fathers, the Dark Side, rebellion, and redemption. As it turns out, Star Wars also has a lot to teach us about constitutional law, economics, and political uprisings. In rich detail, Sunstein tells the story of the films' wildly unanticipated success and explores why some things succeed while others fail. Ultimately, Sunstein argues, Star Wars is about freedom of choice and our never-ending ability to make the right decision when the chips are down. Written with buoyant prose and considerable heart, *The World According to Star Wars* shines a bright new light on the most beloved story of our time. Praise for *The World*

According to Star Wars "Star Wars is the ultimate mythological tale of our age, a hero's journey that is a tribute to the beauty of human freedom as well as an exploration of its dark complexities. In this gem of a book, the brilliant Cass Sunstein uses the series to explore profound questions about being a parent, a child, and a human. It will change the way you think about your own journey, and it might even make you pick up the phone and call your dad."--Walter Isaacson "Irresistibly charming, acclaimed legal scholar Sunstein writes partly as a rigorous academic and partly as a helpless fanboy as he explores our fascination with Star Wars and what the series can teach us about the law, behavioral economics, history, and even fatherhood. This book is fun, brilliant, and deeply original."--Lee Child "For anyone who loves the movies, or loves to think about how the world works, or simply loves their father, this book will provoke and inspire."--Duncan Watts

**Popular Photography** SUNY Press  
"River of Stars is a major accomplishment, the work of a master novelist in full command of his subject."--Michael Dirda, in The Washington Post  
"Game of Thrones in China."--Salon.com  
Ren Daiyan was still just a boy when he took the lives of seven men while guarding an imperial magistrate. That moment on a lonely road changed his life in entirely unexpected ways, sending him into the forests of Kitai among the outlaws. From there he emerges years later--and his life changes again, dramatically, as he circles toward the court and emperor, while war approaches Kitai from the north. Lin Shan is the daughter of a scholar, his beloved only child. Educated by him in ways young women never are, gifted as a songwriter and calligrapher, she finds herself living a life suspended between two worlds. Her intelligence captivates an emperor--and alienates women at the court. But when her father's life is endangered by the savage politics of the day, Shan must act in ways no woman ever has. In an empire divided by bitter factions circling an exquisitely cultured emperor who loves his gardens and his

art far more than the burdens of governing, dramatic events on the northern steppe alter the balance of power in the world, leading to events no one could have foretold, under the river of stars.
