*Getting the Most Out of Your Legal Structure* Business Plus  
The book begins by addressing many of the challenges stock market investors face today and the various ways many investors use the stock market to achieve their goals. A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and commodities. The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power. The book concludes with ideas for an individual action plan suited to the goals of the reader  
Rich Dad, Poor Dad RDA Press, LLC  
"Throughout the ages, many things

---

have been used as currency: livestock, grains, spices, shells, beads, and now paper. But only two things have ever been money: gold and silver. When paper money becomes too abundant, and thus loses its value, man always turns back to precious metals. During these times there is always an enormous wealth transfer, and it is within your power to transfer that wealth away from you or toward you." --Michael Maloney, precious metals investment expert and historian; founder and principal, Gold & Silver, Inc. The Advanced Guide to Investing Gold and Silver tells readers: The essential history of economic cycles that make gold and silver the ultimate monetary standard. How the U.S. government is driving inflation by diluting our money supply and weakening our purchasing power Why precious metals are one of the most profitable, easiest, and safest investments you can make Where, when, and how to invest your money and realize maximum returns, no matter what the economy's state Essential advice on avoiding the middleman and taking control of

your financial destiny by making your investments directly. The Founder's Dilemmas John Wiley & Sons Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

**The Only Startup Book You'll Ever Need** Lulu Press, Inc  
In his mid-twenties, Dave

Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques that made his fortune to "hack" his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The Bulletproof Diet, an anti-inflammatory program for hunger-

---

free, rapid weight loss and peak performance. The Bulletproof Diet will challenge—and change—the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional "diet" thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. The Bulletproof Diet is your blueprint to a better life.

Secrets of Successful Real Estate Investing

Mosaica Press  
"Designed for entrepreneurs and individuals interested in starting their own business, this book provides an indepth study of how the special

characteristics of limited partnerships and limited liability companies may be used to your advantage and to assist you in protecting assets, managing wealth and strategic estate planning to minimize taxes. It features strategic uses of limited liability companies and limited partnerships to hold real estate and other assets, how to easily manage and operate a limited liability company or limited partnership, how to creatively plan for your future and your family's future, and how to follow the rules to keep your assets protected."--Publisher description.

**How to Start and Run Your Own Corporation** Entrepreneur Press

The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of

research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

*Rich Dad Advisor's Series: Own Your Own Corporation* Princeton University Press

Sutton has updated, yet again, his comprehensive book on maximizing the benefits of limited liability companies and limited partnerships. You will learn how to: Select the right entity for your specific needs and goals ; Follow the rules to keep your assets protected ; Creatively plan your future and your family's future ; Easily manage and operate an LLC or an LP ; Strategically use entities to hold real estate and other assets.--Back cover.

David Crystal's classic English  
as a Global Language considers  
the history, present status and  
future of the English language,  
focusing on its role as the  
leading international language.  
English has been deemed the  
most 'successful' language  
ever, with 1500 million  
speakers internationally,  
presenting a difficult task to  
those who wish to investigate  
it in its entirety. However,  
Crystal explores the subject in  
a measured but engaging way,  
always backing up observations  
with facts and figures. Written  
in a detailed and fascinating  
manner, this is a book written  
by an expert both for  
specialists in the subject and  
for general readers interested

in the English language.

Discover why Ken Njoroge is  
building a billion-dollar pan-  
African digital payments  
company (it is not because he  
wants to drive a Ferrari); Find

out how Jean de Dieu Kagabo grew a Rwanda-based industrial group from a simple product: toilet paper; And be inspired by the extraordinary tale of Hassan Bashir who created a booming insurance company from nothing but grit and persistence. Each entrepreneur's story is told in an honest manner, not shying away from the mistakes made and the considerable hurdles they had to overcome. And there were many tough times: from being betrayed by long-time senior managers to losing vast sums of money because of poor market research. Pursuing their business ambitions also had a toll on their personal lives: one entrepreneur was too broke to afford diapers for his baby, while another had to sell her house to keep the company alive. MEET THE ENTREPRENEURS

road less travelled 24. Polo Leteka (South Africa): The investor who spots opportunity where others see risk 25. Ashley Uys (South Africa): Diagnostic hustler ABOUT THE AUTHOR Jaco Maritz is CEO of Maritz Africa, publisher of the award-winning pan-African online business publication How we made it in Africa. Jaco holds a BA in Information Science from USB. He started his career at South African media company Media24, working on the websites of some of the country's most well-known newspapers. He went on to become editor of TradeInvestNigeria, after which he founded Maritz Africa. When not building Maritz Africa, Jaco enjoys investing in other businesses. He is a regular speaker on business in Africa. *The Bible, the Greeks and the Missing 168 Years* Entrepreneur Press Giselle Burgess knew that the girls in the shelter--

including her own daughters-- needed something they could be a part of, where they didn't feel the shame or stigma of being homeless. Troop 6000 helped them develop skills and build a community that they could be proud of. Shared experiences of poverty and hardship sparked the political will needed to create similar troops in other New York City shelters, and ultimately to other cities around the country. Stewart provides a history of the Girl Scouts, and shows how the organization has changed and adapted to fit the times, meeting the needs of girls from all walks of life. In coming together we can improve our circumstances, find support and commonality, and experience joy, no matter how challenging life may be. -- adapted from jacket

A Data-Driven Guide to Better Decision Making in the Early School Years Rich Dad Advisor's Series: Own Your Own Corporation Why the Rich Own Their Own Companies and Everyone Else Works for Them Buying and Selling a Business reveals key strategies used to sell and acquire business investments. Garrett Sutton, Esq. is a best selling author of numerous law for the layman books, and he guides the reader clearly through all of the obstacles to be faced before completing a winning transaction. "Buying and Selling a Business" uses real life stories to illustrate how to prepare your business for sale, analyze acquisition candidates and assemble the right team of experts. The book also clearly identifies how to understand the tax issues of a business sale, how to use confidentiality agreements to your benefit and how to negotiate your way to a positive result. Robert Kiyosaki, the best selling author of Rich Dad/Poor Dad has this to say about Buying and Selling a Business, "Garrett Sutton's information is priceless

---

for anyone who wants to increase his or her knowledge of the often secret world of the rich, what the rich invest in, and some of the reasons why the rich get richer." *Buying and Selling a Business* is a timely business book for our times.

### **The Challenge of Jewish History**

RDA Press, LLC

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, "Good debt makes you rich and bad debt makes you poor." *The ABCs of Getting Out of Debt* provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad's Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the

lenders at their own game, and how to understand and repair your own credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. "The reason Garrett Sutton's book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives." - Robert Kiyosaki *The times call for a book that offers hope and education on mastering credit and getting out of debt.*
