Meet the Editor... Elisha Reed loved working at her lucrative publishing house. On a daily basis, she wrestled with the literary world's divas and won. Her sterling reputation was the icing on the cake. Yes, Elisha knew the essential ingredients of life: 1. Remember the editor is

always right 2. Know how to throw a party in fifteen minutes 3. Stay positive no matter what.... So when her world spun out of control, she had no choice but to attack life in a different way, using different ingredients. Suddenly with two cranky teenagers to care for and a take-no-prisoners author on her plate, Elisha couldn't disappear in the bliss of a triple-layer confection...unless she brought out several forks. She decided to start from scratch...and from here on in, it would be a piece of cake!

From the best-selling author of Rubyfruit Jungle and Bingo, here is a writers' manual as provocative, frank, and funny as her fiction. Unlike most writers' guides, this one had as much to do with how writers live as with mastering the tools of their trade. Rita Mae Brown begins with a very personal account of her own

career, from her days as a young poet who had written a novel no publisher wanted to take a chance on, right up to her recent adventures as a Hollywood screenwriter. In a sassy style that makes her outspoken advice as entertaining as it is useful, she provides straight talk about paying the rent while maintaining the energy to write; and dealing with agents, publishers, critics, and the publicity circus; about pursuing journalism, academia, or screen-writing; and about rejecting the Hemingway myth of the hard-living, hard-drinking genius. In addition Brown, a former teacher of writing, offers a serious examination of the writer's tool--language, plotting, characters, symbolism--plus exercises to sharpen the ear for dialogue, and a fascinating, annotated reading list of important works from the seventh century to the late twentieth.

Why is someone who just defended her doctoral dissertation still wasting her time at her childhood home, two months after her mother's funeral, making coq au vin and osso buco? Olivia Tschetter, the youngest of four high-achieving South Dakotan siblings, is not returning to "normal"—or to graduate school—quickly enough to suit her family. She wants only to bury herself in her mother's kitchen, finding solace in their shared passion for cooking. Threatened with grief counseling, Olivia accepts a temporary position at the local Meals on Wheels, where she stumbles upon some unfinished business from her mother's past—and a dark family secret. Startling announcements from two siblings also challenge the family's status quo. The last thing she needs is a deepening romantic interest in a close but platonic (she thought) friend. But while Olivia's mother is gone, her memory and spirit continue to engage Olivia, who finds herself daring to speak when she would never have spoken before. Told with humor and compassion, *Starting from Scratch* explores the shifting of family dynamics in the wake of shattering loss and the healing power of cooking.

A hilarious re-imagining of the heroes of the Old Testament for a modern world-and the neurotic, demanding reader. In the beginning...there was humor. Sure, it's the foundation for much of Western morality and the cornerstone of world literature. But let's face it: the Bible always needed punching up. Plus, it raised quite a few questions that a modern world refuses to ignore any longer: wouldn't it be boring to live inside a whale? How did Joseph explain Mary's pregnancy to the guys at work? Who exactly was the megalomaniacal foreman who oversaw the construction of the Tower of Babel? And honestly, what was Cain's problem? In Ladies and Gentlemen, the Bible!, Jonathan Goldstein re-imagines and recasts the greatest heroes of the Bible with depth, wit, and snappy dialogue. This is the Bible populated by angry loners, hypochondriacs, and reluctant prophets who fear for their sanity, for readers of Sarah Vowell and the books of David Sedaris. Basically, a Bible that readers can finally, genuinely relate to. Jonathan Goldstein's new book, *I'll Seize the Day Tomorrow*, will be available May 2013.

Soon to be a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is "a captivating story of love lost and found" (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and

wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. From Scratch is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.
