STATE OF EMERGENCY is the third in an ongoing series on modern British history by Dominic Sandbrook, this one focusing on the tumultuous years under Ted Heath. As usual, Sandbrook is excellent at making the cut-and-thrust of British politics compelling reading, meaning that the decision to end each volume with a change of government ensures that the last chapter is filled with verve.

### **State Of Emergency The Way**

A state of emergency is a situation in which a government is empowered to be able to put through policies that it would normally not be permitted to do, for the safety and protection of their citizens. A government can declare such a state during a natural disaster, civil unrest, armed conflict, medical pandemic or epidemic or other biosecurity risk.
