Surviving the First Day

Every day in developing
countries, 20,000 girls below
age 18 give birth. Nine in 10
of these births occur within
marriage or a union. This has
consequences on the health,
education, employment and
rights of an untold millions
of girls. What are the
challenges of adolescent
pregnancy, and what can we do
to ensure girls have a
healthy and safe transition
into adulthood?

State Of The World 2013

Like all children, those with
disabilities have many
abilities, but are often
excluded from society by
discrimination and lack of
support, leaving them among the
most invisible and vulnerable
children in the world. UNICEF's
flagship report The State of
the World's Children 2013:
Children with Disabilities
brings global attention to the
urgent needs of a largely
invisible population.

State of the World 2013 - Michael Iantorno

The 2013 edition of The State
of the World's Children is
dedicated to the situation of
children with disabilities. The
report examines the barriers -
from inaccessible buildings to
dismissive attitudes, from
invisibility in official
statistics to vicious
discrimination - that deprive
children with disabilities of
their rights and keep them from
participating fully in society.

State of the World 2013: Is
Sustainability Still Possible?
by The Worldwatch Institute is
a collection of articles about
the ecological state of the
world, the rapidity at which we
are approaching catastrophic
disaster, and what can be done
to avert or at least minimize
the damage. It is sometimes a
somber but always a thought-
provoking work.

State of the World (book series) - Wikipedia

The state of the world 2013
seems incoherent,
unfathomable, often terrible,
often exhilarating. I've been
immersed in the Internet
ecosystem for almost two
decades now, and the surge of
information has been
increasing exponentially
throughout that time, a real
firehose of data, much of it
unstructured.
