The Sugar Frosted Nutsack Little, Brown
In a narrative replete with poison arrows, devouring snakes, scientific miracles, and spiritual transformations, State of Wonder presents a world of stunning surprise and danger, rich in emotional resonance and moral complexity. As Dr. Marina Singh embarks upon an uncertain odyssey into the insect-infested Amazon, she will be forced to surrender herself to the lush but forbidding world that awaits within the jungle. Charged with finding her former mentor Dr. Annick Swenson, a researcher who has disappeared while working on a valuable new drug, she will have to confront her own memories of tragedy and sacrifice as she journeys into the unforgiving heart of darkness. Stirring and luminous, State of Wonder is a world unto itself, where unlikely beauty stands beside unimaginable loss beneath the rain forest's jeweled canopy.

The Magician's Assistant Harper Collins
wench \'wench\ n. from Middle English “ wenchel, ” a: a girl, maid, young woman; a female child. Situated in Ohio, a free territory before the Civil War, Tawawa House is an idyllic retreat for Southern white men who vacation there every summer with their enslaved black mistresses. It ’ s their open secret. Lizzie, Reenie, and Sweet are regulars at the resort, building strong friendships over the years. But when Mawu, as fearless as she is assured, comes along and starts talking of running away, things change. To run is to leave everything behind, and for some it also means escaping from the emotional and psychological bonds that bind them to their masters. When a fire on the resort sets off a string of tragedies, the women of Tawawa House soon learn that triumph and dehumanization are inseparable and that love exists even in the most inhuman, brutal of circumstances— all while they bear witness to the end of an era. An engaging, page-turning, and wholly original novel, Wench explores, with an unflinching eye, the moral complexities of slavery.

Dear Professor Einstein Grove/Atlantic, Inc.
“ A powerful meditation on the undying nature of love and the often cruel beauty of one ’ s own fate. This is a novel you simply must read! ” —Andre Dubus III, New York Times bestselling author of Townie From Simon Van Booy, the award-winning author of Love Begins in Winter and The Secret Lives of People in Love, comes a debut novel of longing and discovery amidst the ruins of Athens. Withechoes of Nicole Krauss ’ s The History of Love and Charles Baxter ’ s The Feast of Love, Van Booy ’ s resonant tale of three isolated, disaffected adults discovering one another in Greece is the compelling product of an inquisitive, visionary talent. In the words of Robert Olen Butler, Pulitzer Prize-winning author of A Good Scent from a Strange Mountain, “ Simon Van Booy knows a great deal about the complex longings of the human heart. ”

Painter of Silence Penguin
LONGLISTED FOR THE ORANGE PRIZE FOR FICTION 2012
There were people on the banks of the river. Among the tangled waterways and giant anacondas of the Brazilian Rio Negro, an enigmatic scientist is developing a drug that could alter the lives of women for ever. Dr Annick Swenson's work is shrouded in mystery; she refuses to report on her progress, especially to her investors, whose patience is fast running out. Anders Eckman, a mild-mannered lab researcher, is sent to investigate. A curt letter reporting his untimely death is all that returns. Now Marina Singh, Anders' colleague and once a student of the mighty Dr Swenson, is their last hope. Compelled by the pleas of Anders's wife, who refuses to accept that her husband is not coming home, Marina leaves the snowy plains of Minnesota and retraces her friend's steps into the heart of the South American darkness, determined to track down Dr. Swenson and uncover the secrets being jealously guarded among the remotest tribes of the rainforest. What Marina does not yet know is that, in this ancient corner of the jungle, where the muddy waters and susurating grasses hide countless unknown perils and temptations, she will face challenges beyond her wildest imagination. Marina is no longer the student, but only time will tell if she has learnt enough.

Penguins with People Problems Houghton Mifflin Harcourt
HE'S BACK. AND HE'S THE BIGGEST THING IN POLITICS. He is the perfect presidential candidate. Conservatives love his hard-hitting Republican résumé. Liberals love his peaceful, progressive practicality. The

media can't get enough of his larger-than-life personality. And all the American people love that he's an honest, hard-working man who tells it like it is. There's just one problem. He is William Howard Taft . . . and he was already president a hundred years ago. So what on earth is he doing alive and well and considering a running mate in 2012? A most extraordinary satire, Jason Heller's debut novel follows the strange new life of a presidential Rip Van Winkle: a man who never even wanted the White House in the first place, yet finds himself hurtling toward it once more—this time, through the media-fueled madness of 21st-century America.

The Almost Moon Harper Collins
In 1992, celebrated novelist Ann Patchett launched her remarkable career with the publication of her debut novel, The Patron Saint of Liars. On this 25th anniversary, read the best-selling book that is “beautifully written . . . a first novel that second- and third-time novelists would envy for its grace, insight, and compassion” (Boston Herald). St. Elizabeth's, a home for unwed mothers in Habit, Kentucky, usually harbors its residents for only a little while. Not so Rose Clinton, a beautiful, mysterious woman who comes to the home pregnant but not unwed, and stays. She plans to give up her child, thinking she cannot be the mother it needs. But when Cecilia is born, Rose makes a place for herself and her daughter amid St. Elizabeth's extended family of nuns and an ever-changing collection of pregnant teenage girls. Rose's past won't be kept away, though, even by St. Elizabeth's; she cannot remain untouched by what she has left behind, even as she cannot change who she has become in the leaving.

Prodigal Summer Viking
As a child, Wenny Achdiat experienced the tumult of the Japanese occupation and the Revolution against Dutch rule. Subsequently she struggled for her own independence, first with her parents as a teenager, then with her oil executive husband during the chaotic Sukarno era, and finally with her loneliness as a single mother in Australia. Daughter of Independence interweaves Wenny's story with that of her father, the controversial writer Achdiat Karta Mihardja, whose first novel *Atheis* became a classic. Independence brings both joy and sorrow for Wenny and tests the strong bond between father and daughter.

Harper Collins
Finalist for the Pulitzer Prize New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of 2019 Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and Buzzfeed Ann Patchett, the #1 New York Times bestselling author of *Commonwealth*, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. The Dutch House is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and

forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, The Dutch House is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

Commonwealth Bloomsbury Publishing USA
In a remote corner of West Africa, Monique Dembele saved lives and dispensed hope every day in a place where childbirth is a life-and-death matter. Monique and the Mango Rains is the compelling story of the authors decade-long friendship with Monique, an extraordinary midwife in rural Mali. It is a tale of Moniques unquenchable passion to better the lives of women and children in the face of poverty, unhappy marriages, and endless backbreaking work, as well as her tragic and ironic death. In the course of this deeply personal narrative, as readers immerse in village life and learn firsthand the rhythms of Moniques world, they come to know her as a friend, as a mother, and as an inspired woman who struggled to find her place in a male-dominated world.

True Story Harper Collins
From Victorian India to near-future New York, The Calcutta Chromosome takes readers on a wondrous journey through time as a computer programmer trapped in a mind-numbing job hits upon a curious item that will forever change his life. When Antar discovers the battered I.D. card of a long-lost acquaintance, he is suddenly drawn into a spellbinding adventure across centuries and around the globe, into the strange life of L. Murugan, a man obsessed with the medical history of malaria, and into a magnificently complex world where conspiracy hangs in the air like mosquitoes on a summer night.

State of Wonder by Ann Patchett Quirk Books
. . . I probably would have written ages ago, only I was not aware that you were still alive. . . . -Tyfanny Thank you for your letter of July 10th. I have to apologize to you that I am still among the living. There will be a remedy for this, however. . . . -Albert Einstein. . . I'm a little below average in mathematics. . . . I worry (perhaps too much), although in the end I imagine it will all work out for the best. . . . -Barbara. . . Do not worry about your difficulties in mathematics; I can assure you that mine are still greater. -Albert Einstein This enchanting book displays a small sampling of the amusing, touching, and sometimes precocious letters sent to Albert Einstein by children from around the world, and his often witty and very considerate responses. Alice Calaprice has compiled a delightful and charming collection of more than 70 letters, most never published before, from children to

perhaps the greatest scientist of all time. Enhancing this correspondence are numerous photographs showing Einstein amid children, wearing an Indian headdress, carrying a puppet of himself, donning furry slippers, among many other wonderful pictures. They reveal the intimate human side of the great public persona, a man who, though he spent his days contemplating the impersonal abstractions of mathematics and physics, was very fond of children and enjoyed being in their company. Obviously, Einstein led a busy life, and so he could not answer every letter sent to him. Nonetheless, he made time to respond to those that touched him in some way. To Monique from New York, who asked about the age of the Earth and when it will come to an end, he patiently responded that it is a little more than a billion years old, and, As for the question of the end of it I advise: Wait and see! To six little scientists from Morgan City, Louisiana, who despite the skepticism of their classmates maintained that life would survive even if the sun burned out, he wrote, The minority is sometimes right-but not in your case. Complete with a foreword by Einstein's granddaughter Evelyn, a biography and chronology of Einstein's life, and an introduction by Einstein scholar Robert Schulmann on the great scientist's educational philosophy, this wonderful compilation will be welcomed by teachers, parents, and all the young, budding scientists in their lives. A portion of the author's royalties will be donated to UNICEF. Alice Calaprice (Princeton, NJ) is the editor of The Quotable Einstein and The Expanded Quotable Einstein, and the author of An Owl in the House, a science book for young audiences. She is the in-house editor for The Collected Papers of Albert Einstein and the former Senior Editor at Princeton University Press.

Bel Canto Harper Collins Sabine—twenty years a magician's assistant to her handsome, charming husband—is suddenly a widow. In the wake of his death, she finds he has left a final trick; a false identity and a family allegedly lost in a tragic accident but now revealed as very much alive and well. Named as heirs in his will, they enter Sabine's life and set her on an adventure of unraveling his secrets, from sunny Los Angeles to the windswept plains of Nebraska, that will work its own sort of magic on her.

Monique and the Mango Rains HarperCollins SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION 2012 There were people on the banks of the river. Once Upon a River: A Novel Penguin Books India State of Wonder Harper Perennial *State of Wonder* Waveland Press #1 New York Times Bestseller and Oprah Book Club selection "Thoughtful . . . heart-wrenching An exercise in soul-baring storytelling—with the soul belonging to 20th-

century America itself. It's hard to read and to stop reading, and impossible to forget." — USA Today Dominick Birdsey, a forty-year-old housepainter living in Three Rivers, Connecticut, finds his subdued life greatly disturbed when his identical twin brother Thomas, a paranoid schizophrenic, commits a shocking act of self-mutilation. Dominick is forced to care for his brother as well as confront dark secrets and pain he has buried deep within himself—a journey of the soul that takes him beyond his blue-collar New England town to Sicily's Mount Etna, the birthplace of his grandfather and namesake. Coming to terms with his life and lineage, Dominick struggles to find forgiveness and finally rebuild himself beyond the haunted shadow of his troubled twin. I Know This Much Is True is a masterfully told story of alienation and connection, power and abuse, devastation and renewal—an unforgettable masterpiece.

Taft HarperCollins "A demonstration of outstanding skills on the river of American literature." —Entertainment Weekly "Bonnie Jo Campbell has built her new novel like a modern-day craftsman from the old timbers of our national myths about loners living off the land, rugged tales as perilous as they are alluring. Without sacrificing any of its originality, this story comes bearing the saw marks of classic American literature, the rough-hewn sister of *The Leatherstocking Tales*, *The Adventures of Huckleberry Finn*, and *Walden*." —Ron Charles, Washington Post

Everything Beautiful Began After Radiator Press The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

The Patron Saint Of Liars A&C Black The #3 New York Times Bestseller *These Precious Days* Harper Collins A New York Times Bestseller Winner of the 2014 Kirkus Prize Winner of the 2014 New England Book Award for Fiction A Finalist for the National Book Critics Circle Award A Best Book of the Year for: New York Times Book Review, Time, NPR, Washington Post, Entertainment Weekly, Newsday, Vogue, New York Magazine, Seattle Times, San Francisco Chronicle, Wall Street Journal, Boston Globe, The Guardian, Kirkus Reviews, Amazon, Publishers Weekly, Our Man in Boston, Oprah.com, Salon Euphoria is Lily

King's nationally bestselling breakout novel of three young, gifted anthropologists of the '30's caught in a passionate love triangle that threatens their bonds, their careers, and, ultimately, their lives. Inspired by events in the life of revolutionary anthropologist Margaret Mead, *Euphoria* is "dazzling ... suspenseful ... brilliant...an exhilarating novel." —Boston Globe
