Her husband sees their ups and downs as normal challenges in a healthy relationship, but Cass lies awake at night wondering what you do when you need a break from your marriage? It comes as a shock to Jonathan when Cass persuades

him to try a marital "intermission": a six-month separation during which they'll decide if the comfortable life they've built together is still the one they both want. Six months apart from their beloved dog is a different story, so they agree to meet once a month for a custody exchange. Time apart on opposite coasts makes the Coynes realize their problems may lie deeper than sweaty gym socks left on the bed and an empty container of milk put back in the fridge. Can a marriage experiment go too far for two people who once thought they had it all figured out?

Once Upon a Christmas: A Wynter Family Saga Harlequin

Rebecca Musser grew up in fear, concealing her family's polygamous lifestyle from the "dangerous" outside world. Covered head-to-toe in strict, modest clothing, she received a rigorous education at Alta Academy, the Fundamentalist Church of Jesus Christ of Latter Day Saints' school headed by Warren Jeffs. Always seeking to be an obedient Priesthood girl, in her teens she became the nineteenth wife of her people's prophet: 85-year-old Rulon Jeffs, Warren's father. Finally sickened by the abuse she suffered and saw around her, she pulled off a daring escape and sought to build a new life and family. The church, however, had a way of pulling her back in- and by 2007, Rebecca had no choice but to take the witness stand against the new prophet of the FLDS in order to protect her little sisters and other young girls

from being forced to marry at shockingly young ages. The following year, Rebecca and the rest of the world watched as a team of Texas Rangers raided the Yearning for Zion Ranch, a stronghold of the FLDS. Rebecca's subsequent testimony would reveal the horrific secrets taking place behind closed doors of the temple, sending their leaders to prison for years, and Warren Jeffs for life. **THE WITNESS WORE RED** is a gripping account of one woman's struggle to escape the perverse embrace of religious fanaticism and sexual slavery, and a courageous story of hope and transformation.

night. You know, the night where he totally pulled a Mr. Darcy on me at the dance. 2. That Griff Sinclair hated me. I mean, seriously, would it kill him to smile at me. Just once. 3. That my life plan for post-graduation was golden. 4. That I knew exactly what I wanted. 5. And none of that included Griff. But everything I thought I knew is thrown out the window by the biggest surprise of my life. All it takes is one touch, one kiss, one night . . . that leads to so much more.
