"ECG Workbook is a practical Australian medical book approaching the ECG from a clinical diagnosis perspective. The book covers ECG diagnoses - normal and abnormal - commonly

encountered in local clinical practice. It includes ECGs from real cases encountered in local practice. The reader is guided through the ECG to make the clinical diagnosis and decide on the appropriate management. It presents pathologies as case scenarios to train the reader to interpret ECGs according to specific parameters. Abnormal pathologies and normal scenarios are presented in the ECGs for the reader to analyse in order to manage the patient. Real case studies are used throughout, along with local medical content. ... Each ECG is presented with a brief clinical synopsis. The reader answers structured key questions for each, creating a systematic process for ECG interpretation."--Publisher.

The #1 New York Times bestseller. Over 10 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading

---

experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
