How to step up - and stand out at work - The Globe and Mail

When we take full responsibility, everything changes. Take responsibility. Don't make excuses. Ask yourself "How else can I get this done?" 6) Do Something...Do Anything: Find one thing and get start immediately in the direction you seek. Find some allies and start to meet and talk about improvements. Don't talk about how other people need to step up. Focus on what you can do. Talk about the future - it is often a powerful precursor to change.

Stepping Up | Dr John Izzo

What ' s more, you are responsible for poverty, for global warming, for your neighborhood, for your school, and for homelessness. Better said, we are all It. That is, when each of us takes responsibility, stepping up to do what we can, everything gets better.

Stepping Up: How Taking Responsibility Changes Everything ...

Stepping Up in a climate of Pushing Down will destroy all initiatives. The 100/0 mantra (100% responsibility and no excuses) requires an environment that fosters taking responsibility. It's like Jef Staes' explains in My Organisation is a Jungle where his Red Monkeys are threatened by the Red Monkey killers. [Interviewing for a Step Down | Monster.com](#)

Making excuses instead of taking one hundred percent responsibility for your actions, your thoughts, and your goals are the hallmark of people who fail to succeed both in their professional lives and personal lives. Part of the power of taking responsibility for your actions is that you silence the negative, unhelpful voice in your head.
