Solutions Step by Step Taylor & Francis

Doing What Works in Brief Therapy: A Strategic Solution Focused Approach is both a set of procedures for the therapist and a philosophy — one that is shared with clients and one that guides the work of the therapist. This second edition continues its excellence in offering clinicians a guide to doing what works in brief therapy- for whom, and when and how to use it. Psychotherapy that follows these guidelines validates the client ' s most important concerns — and it often turns out to be surprisingly brief. Author, Ellen Quick integrates strategic and solution focused therapy and includes guidelines for tailoring technique and interventions to client characteristics and preferences. With clinically rich examples throughout, this book offers applications for couples, including indications for individual or conjoint sessions. Chapter summaries highlighting key points Presents ways of eliciting what clients most want to remember Describes the "Doing What Works Group," including outcome research findings and all materials needed to run the group Addresses the relationship among the positive psychology movement and this approach and the potential for collaboration Emphasizes an acceptance-based stance and how acceptance commonly leads to change Proposes that "doing what works and changing what doesn't" can provide a transtheoretical perspective for therapists of any orientation

1001 Solution-Focused Questions: Handbook for Solution-Focused Interviewing Routledge

Everything you need for maximum counseling results in less time! Expert Gerald Sklare provides fresh insights and new applications for solution-focused brief counseling (SFBC). Solution-Focused Brief Therapy SAGE

Whether a couple is simply in a rut or on the verge of divorce, there are five habits that can turn things around and bring out the absolute best in any relationship. Drawn from years of working with thousands of couples, Elliott Connie explains how these five habits, can transform a relationship in the most amazing ways. Using stories and exercises, Elliott demonstrates how to successfully implement the habits into one's own relationship and experience positive benefits immediately. Elliott Connie is a solution focused therapist with a private practice based in Keller, Texas. Elliott has traveled throughout the United States and Europe, including the UK, Sweden, and Canada, training psychotherapists to work more effectively with couples, and helping couples to build more satisfying relationships. To learn more about Elliott, visit www.elliottspeaks.com.

Springer Publishing Company

A step-by-step guide to conducting successful solution-focused therapy for survivors of traumatic experiences. This book aims to help therapists working with clients who struggle with trauma by offering them solution-focused (SF) viewpoints and skills. The book invites all professionals to change their focus from what is wrong to what is right with their clients, and from what isn ' t working to what is working in their lives. The book contains 101 solution-focused questions (and more) for help with trauma, with a focus on the clients ' preferred future and the pathways to get there. As Insoo Kim Berg put it in her foreword for Fredrike Bannink ' s highly successful 1001 Solution-Focused Questions: Handbook for Solution-Focused Interviewing, " SFBT is based on the respectful assumption that clients have the inner resources to construct highly individualized and uniquely effective solutions to their problems. " From the more than 2,000 questions she has collected over the years, Bannink has selected the 101 most relevant for each subject. Much of the material in the 3-volume set is unique and did not appear in the earlier work, inviting therapists to open themselves to a new light on interviewing clients.

101 Solution-Focused Questions for Help with Depression Jessica Kingsley Publishers This accessible guide to Solution Focused Brief Therapy (SFBT), an effective therapeutic approach which focuses on strengths and achievements, provides a practical introduction to what SFBT is and how to use it with clients. Barry Winbolt leads the reader through the principles, techniques and steps involved in the approach, including forming a productive working relationship with the client, using questions creatively, the effective use of language, and working collaboratively with the client in finding solutions. Case studies are included to demonstrate the ideas and techniques presented. This book will be invaluable to all those in the helping professions who are either already familiar with SFBT and want to improve their knowledge, or are looking for new and effective ways to communicate with and help the people they work with.

Solution Focused Anxiety Management Routledge

Peter DeJong and Insoo Kim Berg's INTERVIEWING FOR SOLUTIONS features a proven, solutions-oriented approach to basic interviewing that views clients as competent, helps them to visualize the changes they want, and builds on what they are already doing that works. Throughout the book, the authors present models for solution-focused work, illustrated by examples and supported by research. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Solution-focused Brief Therapy Solution Focused Brief Therapy

Struggling with the intricacies of Solution-Focused theory, skills or practice? Wanting to learn more about providing brief, practically-based solution-focused interventions across many therapeutic settings? As part of the popular Brief Therapies Series, this long awaited third edition will tell you all you need to know about Solution-Focused Therapy (SFT) and more! This popular introduction takes you step-by-step through the counselling process, providing insight into how to structure and manage your

therapeutic work in ways that are grounded in Solution-Focused principles. This book includes: - a detailed introduction to the theory and practice of 'brief' therapy - a discussion of the foundations of SFT - exercises to use with clients and/or trainees - brand new case examples relating theory directly to practice - an insightful reflection on the journey of the practitioner From leading Solution-Focused expert Bill O'Connell, this book will not only provide practical guidelines and theoretical background for the beginner but support and inspiration for the more experienced. Bill O'Connell is Director of Training for Focus on Solutions Limited in Birmingham. He was previously Head of the Counselling Department at Westhill College of Higher Education, Birmingham, and is co-editor of Handbook of Solution-Focused Therapy (SAGE, 2003).

101 Solution Focused Questions for Help with Anxiety National Geographic Books

This is a comprehensive step-by-step guide to incorporating solution focused techniques into everyday practice. Solution focused therapy helps clients to identify how their lives would be without their problems by exploring current client resources and strengths, and their hopes for the future. Instead of dissecting the problem, it looks at what is different when the problem isn't happening or is less severe. These times are the building blocks of solutions. Solution focused methodology is increasingly used within community mental health teams, mental health charities, inpatient settings, education and business, as it is a well-structured and demonstrably effective approach. This book provides: guidance for practitioners to gain the skills they need to move from problem focused work to searching for solutions; a comprehensive step-by-step guide to using solution focused techniques and integrating them into existing practice; a brief review of the evidence base on solution focused therapy; ample exercises to give to clients to help them move away from their problems to finding solutions; and, clear instructions on how to adapt these techniques for specific populations such as individuals with substance misuse problems, individuals in crisis, anger management and working with couples. This is a very clear and practical guide to using solution focused brief therapy in everyday practice and will be invaluable for all practitioners wanting to incorporate these techniques into their work.

Solution-Focused RTI Routledge

John Sharry has fluency with language that allows complexity to sit side by side with clarity and ideas to flow across the page. This is a book that must be read by anyone interested in front line developments in solution focused therapy ' - Chris Iveson, Brief Therapy Practice, London Solution Focused Groupwork is an innovative and highly practical guide for all professionals who use groups to help people. For those new to the approach it provides a clear, step-by-step introduction, while for more experienced practitioners it presents ideas and techniques which can be readily integrated into existing practice. John Sharry examines the therapeutic factors which characterize solution

Solution-Focused Brief Therapy with Families SAGE Publications

Solution Focused Anxiety Management provides the clinician with evidence-based techniques to help clients manage anxiety. Cognitive behavioral and strategic tools, acceptance-based ideas, and mindfulness are introduced from a solution-focused perspective and tailored to client strengths and preferences. The book presents the conceptual foundation, methods, and attitudes of a solution-focused approach. Case examples illustrate how to transform anxiety into the "Four Cs" (courage, coping, appropriate caution and choice). Readers learn how to utilize solution focused anxiety management in single-session, brief, and intermittent therapy as well as in a class setting. The book additionally includes all materials needed for teaching solution focused anxiety management in a four-session psychoeducational class: complete instructor notes, learner readings, and companion online materials. Special Features: Focuses on what works in anxiety management Presents evidenced based techniques from a solution-focused perspective Increases effectiveness by utilizing client strengths and preferences Describes applications in single session, brief, and intermittent therapy Supplies forms and worksheets for the therapist to use in practice Features clinically rich case examples Supplements text with online companion material Suitable for use as a treatment manual, reference, or course text Offers a solution-focused anxiety treatment Focuses on anxiety management, not "elimination" Translates the program to individual therapy Presents patient exercises and case examples Includes a guide for teaching/learning this therapeutic technique

More Than Miracles Routledge

A step-by-step guide to conducting successful solution-focused therapy for survivors of traumatic experiences. This book aims to help therapists working with clients who struggle with trauma by offering them solution-focused (SF) viewpoints and skills. The book invites all professionals to change their focus from what is wrong to what is right with their clients, and from what isn ' t working to what is working in their lives. The book contains 101 solution-focused questions (and more) for help with trauma, with a focus on the clients ' preferred future and the pathways to get there. As Insoo Kim Berg put it in her foreword for Fredrike Bannink ' s highly successful 1001 Solution-Focused Questions: Handbook for Solution-Focused Interviewing, " SFBT is based on the respectful assumption that clients have the inner resources to construct highly individualized and uniquely effective solutions to their problems. " From the more than 2,000 questions she has collected over the years, Bannink has selected the 101 most relevant for each subject. Much of the material in the 3-volume set is unique and did not appear in the earlier work, inviting therapists to open themselves to a new light on interviewing clients.

Solution-oriented Social Work Practice John Wiley & Sons

Too often in practice, there is a tendency to pathologize clients, requiring a diagnosis as part of the helping relationship. Suppose, however, that most of the client problems that social workers encounter have more to do with the vagaries of life and not with what clients are doing wrong. This powerful idea is the philosophy behind the strengths-based approaches to social work. This groundbreaking practice handbook takes this concept one step further, combining the different strengths-based approaches into an overarching model of solution-oriented social work for greater impact. The strengths perspective emphasizes client strengths, goal-setting, and a shared definition of positive outcome. Solution-focused therapy approaches ongoing problems when they have temporarily abated, amplifying exceptions as solutions. This natural but rarely explored pairing is one component in the challenging and effective practice framework presented here by the authors, two seasoned practitioners with over 50 years of combined experience. By integrating the most useful

aspects of the major approaches, a step-by-step plan for action emerges. With this text in hand, you will: - Integrate elements from the strengths perspective, solution-focused therapy, narrative therapy, and the strategic therapy of the Mental Research Institute (the MRI approach) into an effective and eclectic framework - Build and practice your skills using case examples, transcripts, and practical advice - Equip yourself with the tools you need to emphasize clients' strengths - Challenge the diagnosis-first medical model of behavioral health care - Collaborate with clients to get past thinking (first-order change), and more to acting "outside the box" (second-order change) - Learn to work with a wide variety of clients, including individuals, groups, and families; involuntary clients; clients with severe mental illness; and clients in crisis For any student or practitioner interested in working with clients towards collaborative and empowering change, this is the essential text.

Preventing Suicide Oxford University Press, USA

A strength of the book is that the solution-focused therapy process was clearly identified in a step-by-step procedure, with many examples of specific dialogues and strategies that would be appropriate with a client. Overall the book presented a coverage of the theoretical and application components of solution-focused counselling that would be valuable reference for health psychologist or allied-health professionals working in a stress-counselling role' - Journal of Family Studies Solution-focused therapy is of growing interest to a wide range of professional not only because of the tight time limits within which so many have to work; counsellors are increasingly open to using a variety of approaches based on what is most helpful to their clients in their particular contexts. This book aims to help practitioners to extend their therapeutic repertoire of interventions by explaining clearly how solution-focused skills can help clients. Written for a wide range of professionals - psychologists, counsellors, social workers, probation officers, and mental health workers - this solution-focused therapy manual looks at organizational and work-related stress, and on developing solutions for groups.

Skills in Solution Focused Brief Counselling and Psychotherapy National Geographic Books

Doing What Works in Brief Therapy SAGE Publications Limited

Solution Focused Brief Therapy in Alternative Schools (SFBT) provides a step-by-step guide for how school social workers and counselors can work with other school professionals to create an effective solution focused dropout prevention program. Along with illustrative cases and detailed explanations, the authors detail the curriculum and day-to-day operations of a solution focused dropout prevention program by drawing on the experiences of a school that uses this approach.

Solution Focused Therapy Oxford University Press

The latest developments in this groundbreaking therapy approach! More Than Miracles: The State of the Art of Solution-Focused Brief Therapy is a ground breaking, intellectually provocative book, revealing new advances in the widely used, evidence based Solution-focused Brief Therapy (SFBT) approach. The final work of world renowned family therapists and original developers of SFBT, the late Steve de Shazer and Insoo Kim Berg (who passed away shortly before the book's release) this definitive resource provides the most up-to-date information available on this eminently practical, internationally acclaimed approach. New revelations about the impact of language in therapeutic change are presented precisely and clearly, illustrated with real life case examples that give readers a "hands-on" view of the newest technical refinements in the SF approach. Challenging questions about the applications of SFBT to complex problems in "difficult" settings are given thoughtful, detailed answers. The book's unique design allows the reader to "listen in" on the lively discussions that took place as the authors watched therapy sessions. The solution-focused brief therapy approach is based upon researchers observing thousands of hours of psychotherapy sessions and studying which questions and responses were most effective in helping people develop solutions to their problems. More Than Miracles: The State of the Art of Solution-Focused Brief Therapy is the most up-to-date, comprehensive review of this approach. This book discusses the latest developments in the fields of family therapy, brief therapy, and psychotherapy training and practice. A succinct overview orients the reader to the current state of SFBT, and provides three real life case transcripts that vividly illustrate the practical applications of SFBT techniques. The seminar format of More Than Miracles: The State of the Art of Solution-Focused Brief Therapy allows readers to: sit in on surprising psychotherapy sessions eavesdrop on the authors' commentary about the sessions get a comprehensive overview on the current state of SFBT review and understand the major tenets of SFBT learn specific interventions, including the miracle question and the reasons for asking it understand treatment applicability read actual session transcripts understand the "miracle scale" get insight into the unique relationship between Wittgenstein's philosophy and SFBT better understand SFBT and emotions examine misconceptions about SFBT and more More Than Miracles: The State of the Art of Solution-Focused Brief Therapy is illuminating reading for psychotherapists, counselors, human services personnel, health care workers, and teachers.
