Conflict resolution Hachette Go

People thrive on conflict in most areas of their lives - football games, political debates, legal disputes - yet steer clear from workplace conflicts. But conflict is actually a healthy way to challenge the existing order and essential to change in the workplace. The real problem is not conflict per se, but managing conflict. This authoritative manual explains step by step how to design a complete conflict resolution system and develop the skills to implement it. Packed with exercises, case studies, and checklists, the book also supplies: * an overview of workplace conflict * diagnostic tools for measuring it * techniques for resolving conflict, such as negotiation, labor/management partnerships, third-party dispute resolution, mediation, arbitration, more."

How to Manage Conflicts John Wiley & Sons

"Raines masterfully blends the latest empirical research on workplace conflict with practical knowledge, skills, and tools to effectively manage and prevent a wide range of conflict episodes. This is a highly applicable 'top shelf book' that will assist anyone from the aspiring manager to top level management and leadership in the public, private, and nonprofit sectors. It will also be a fast favorite of professors, trainers, and students of business and conflict management." - Brian Polkinghorn, Distinguished Professor, Center for Conflict Resolution,

Salisbury University. "With her broad dispute resolution, teaching, and editing experience, Susan Raines is uniquely qualified to organize what is known about conflict management in the workplace. She has succeeded in providing private, public, and nonprofit managers with accessible concepts and tools to deal effectively with the internal and external conflicts they must confront every day. Essential reading for all managers!" - Alan E. Gross, senior director, training coordinator, New York Peace Institute "After reading an advance copy of Raine's impressive book, I can't wait to begin to use it as a seminal text in my classes in organizational conflict. I am amazed at her ability to cover so well such disparate subjects as systems design, public policy disputes, small and large group processes, customer conflicts, conflicts in a unionized environment, and conflicts within regulatory contexts. Her user-friendly writing style is enhanced by her salient examples of exemplary and mistake-laden practices within public and private sector organizations. A 'must-read' for scholars, students, and practitioners interested in organizational conflict." - Neil H. Katz, professor, Conflict Analysis and Resolution, Nova-Southeastern University "Conflict management skills are essential to a manager's success. Raines, a leading scholar and practitioner,

provides a comprehensive and strategic new guide to these critical skills and how to use them in any organization." - Lisa Blomgren Bingham, Keller-Runden Professor of Public Service, School of Public and Environmental Affairs, Indiana University Leaders Working Together The Eight Essential Steps to Conflict Resolution

"One of the most important books of our modern era" - Amb. Jaime de Bourbon For anyone struggling with conflict, this book can transform you. Negotiating the Nonnegotiable takes you on a journey into the heart and soul of conflict, providing unique insight into the emotional undercurrents that too often sweep us out to sea. With vivid stories of his closed-door sessions with warring political groups, disputing businesspeople, and families in crisis, Daniel Shapiro presents a universally applicable method to successfully navigate conflict. A deep, provocative book to reflect on and wrestle with, this book can change your life. Be warned: This book is not a quick fix. Real change takes work. You will learn how to master five emotional dynamics that can sabotage conflict outside your awareness: 1. Vertigo: How can you avoid getting emotionally consumed in conflict? 2. Repetition compulsion: How can you stop repeating the same conflicts again and again? 3. Taboos: How can you discuss sensitive issues at the heart of the conflict? 4. Assault on the sacred: What should you do if your values feel threatened? 5. Identity politics: What can you do if others use politics against you? In our era of discontent, this is just the book we need to resolve conflict in our own lives and in the world around us.

Perfect Phrases for Conflict Resolution: Hundreds of Ready-to-Use Phrases for Encouraging a More Productive and Efficient Work Environment Amacom Books

While some of us enjoy a lively debate with colleagues and others prefer to suppress our feelings over disagreements, we all struggle with conflict at work. Every day we navigate an office full of competing interests, clashing personalities, limited time and resources, and fragile egos. Sure, we share the same overarching goals as our colleagues, but we don't always agree on how to achieve them. We work differently. We rub each other the wrong way. We jockey for position. How can you deal with conflict at work in a way that is both professional and productive—where it improves both your work and your relationships? You start by understanding whether you generally seek or avoid conflict, identifying the most frequent reasons for disagreement, and knowing what approaches work for what scenarios. Then, if you decide to address a particular conflict, you use that information to plan and conduct a productive conversation. The HBR Guide to Dealing with Conflict will give you the advice you need to: Understand the most common sources of conflict Explore your options for addressing a disagreement Recognize whether

you—and your counterpart—typically seek or avoid conflict Prepare for and engage in a difficult conversation Manage your and your counterpart's emotions Develop a resolution together Know when to walk away Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

McGraw Hill Professional

In this groundbreaking book, John Winslade and Gerald Monk -- leaders in the narrative therapy movement--introduce an innovative conflict resolution paradigm that is a revolutionary departure from the traditional problem-solving, interest-based model of resolving disputes. The narrative mediation approach encourages the conflicting parties to tell their personal "story" of the conflict and reach resolution through a profound understanding of the context of their individual stories. The authors map out the theoretical foundations of this new approach to conflict resolution and show how to apply specific techniques for the practical application of narrative mediation to a wide-variety of conflict situations.

Negotiating the Nonnegotiable John Wiley & Sons

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement.

The Eight Essential Steps to Conflict Resolution Harvard Business Review Press

Sometimes it's necessary to push beyond the usual limits of the mediation process to achieve deeper and more lasting change. *Mediating Dangerously* shows how to reach beyond technical and traditional intervention to the outer edges and dark places of dispute resolution, where risk taking is essential and fundamental change is the desired result. It means opening wounds and looking beneath the surface, challenging comfortable assumptions, and exploring dangerous issues such as dishonesty, denial, apathy, domestic violence, grief, war, and slavery in order to reach a deeper level of transformational change. *Mediating Dangerously* shows conflict resolution professionals how to advance beyond the traditional steps, procedures, and techniques of mediation to unveil its invisible heart and soul and to reveal the subtle and sensitive engine that drives the process of personal and organizational transformation. This book is a major new contribution to the literature of conflict resolution that will inspire and educate professionals in the field for years to come.

Conflict Resolution at Work For Dummies Pearson UK

When we are baffled by the insanity of the “other side” —in our politics, at work, or at home—it’s because we aren’t seeing how the conflict itself has taken over. That’s what “high conflict” does. It’s the invisible hand of our time. And it’s different from the useful friction of healthy conflict. That’s good conflict, and it’s a necessary force that pushes us to be better people. High conflict is what happens when discord distills into a good-versus-evil kind of feud, the kind with an us and a them. In this state, the brain behaves differently. We feel increasingly certain of our own superiority, and everything we do to try to end the conflict, usually makes it worse. Eventually, we can start to mimic the behavior of our adversaries, harming what we hold most dear. In this “compulsively readable” (Evan Osnos, National Book Award-winning author) book, New York Times bestselling author and award-winning journalist Amanda Ripley investigates how good people get captured by high conflict—and how they break free. Our journey begins in California, where a world-renowned conflict expert struggles to extract himself from a political feud. Then we meet a Chicago gang leader who dedicates his life to a vendetta—only to realize, years later, that the story he’d told himself about the conflict was not quite true. Next, we travel to Colombia, to find out whether thousands of people can be nudged out of high conflict at scale. Finally, we return to America to see what happens when a group of liberal Manhattan Jews and conservative Michigan corrections officers choose to stay in each other’s homes in order to understand one another better, even as they continue to disagree. All these people, in dramatically different situations, were drawn into high conflict by similar forces, including conflict entrepreneurs, humiliation, and false binaries. But ultimately, all of them found ways to transform high conflict into good conflict, the kind that made them better people. They rehumanized and recategorized their opponents, and they revived curiosity and wonder, even as they continued to fight for what they knew was right. People do escape high conflict. Individuals—even entire communities—can short-circuit the feedback loops of outrage and blame, if they want to. This is an “insightful and enthralling” (The New York Times Book Review) book—and a mind-opening new way to think about conflict that will

transform how we move through the world. Narrative Mediation ReadHowYouWant.com Super series are a set of workbooks to accompany the flexible learning programme specifically designed and developed by the Institute of Leadership & Management (ILM) to support their Level 3 Certificate in First Line Management. The learning content is also closely aligned to the Level 3 S/NVQ in Management. The series consists of 35 workbooks. Each book will map on to a course unit (35 books/units).

Managing Conflict in the Workplace John Wiley & Sons

Conflict is a part of life. It occurs in many forms, in many different locations and situations, and involves a broad range of people of all ages. Barriers to Conflict Resolution John Wiley & Sons "Throughout this period of dynamic growth, the first edition of The Mediation Process, originally published in 1986, has led the way as the best resource in the field for a generation of practitioners and trainers, students in degree programs, and professionals in corporate, legal, health care, education, and governmental arenas.

Mediating Dangerously McGraw Hill Professional

The relationship teacher, coach, and founder of The Relationship School reveals the origins of conflict styles, how to stop avoiding difficult conversations, and how to resolve conflict in our most important relationships. Conflicts in our closest relationships are scary because so much is at stake. If the conflict doesn't go well, we could lose our marriage, our family or our

job, all connected to our security and survival. So we do just about anything not to lose those relationships, including avoid conflict, betraying ourselves or becoming dishonest. Unresolved conflict affects every single aspect of our lives, from self-confidence to physical and mental health. Jayson Gaddis is a personal trainer for relationships and one of the world's leading authorities on interpersonal conflict. For almost two decades, Gaddis has helped individuals, couples, and teams get to the bottom of their deepest conflicts. He helps people see the wisdom in conflict and how to get to zero—which means we have successfully worked through our conflict and have nothing in the way of a good connection. In Getting to Zero, Gaddis shows the reader how to stop running away from uncomfortable conversations and instead learn how to work through them.

Through funny personal stories, uncomfortable examples, and effective tools and skills, he shows the reader how to move from disconnection to connection, acceptance, and understanding. This method upgrades the old tired and static conflict resolution approaches and offers a fresh, street-level, user-friendly road map on exactly how to work through conflict with the people you care most about.

The Anatomy of Peace W. W. Norton & Company

In real-life conflict resolution situations, one size does not fit all. Just as a mechanic does not fix every car with the same tool, the conflict resolution practitioner cannot hope to resolve every dispute using the same technique.

Practitioners need to be comfortable with a wide variety of tools to diagnose different problems, in vastly different circumstances, with different people, and resolve these conflicts effectively. The Conflict Resolution Toolbox gives you all the tools you need: eight different models for dealing with the many conflict situations you encounter in your practice. This book bridges the gap between theory and practice and goes beyond just one single model to present a complete toolbox - a range of models that can be used to analyze, diagnose, and resolve conflict in any situation. It shows mediators, negotiators, managers, and anyone needing to resolve conflict how to simply and effectively understand and assess the situations of conflict they face. And it goes a step further, offering specific, practical guidance on how to intervene to resolve the conflict successfully. Each model provides a different and potentially useful angle on the problem, and includes worksheets and a step-by-step process to guide the reader in applying the tools. Offers eight models to help you understand the root causes of any conflict. Explains each model's focus, what kind of situations it can be useful in and, most importantly, what interventions are likely to help. Provides you with clear direction on what specific actions to choose to resolve a particular type of conflict effectively. Features a detailed case study throughout the book, to which each model is applied. Additional examples and case studies unique to each chapter give the reader a further chance to see the models in action. Includes practical tools and worksheets that you can use in working with these models in your practice. The Conflict Resolution Toolbox equips any practitioner to resolve a wide range of conflicts. Mediators, negotiators, lawyers, managers and supervisors, insurance adjusters, social workers, human resource and labour relations specialists, and others will have all the tools they need for successful conflict resolution.

The Mediation Process John Wiley & Sons A standard model for effective mediation and conflict resolution, now in an updated fourth edition, can be used in diverse environments. Original.

Resolving Conflict John Wiley & Sons

Provides mediators and other professionals who use mediationsuch as lawyers, therapists, and personnel managerswith comprehensive, step-by-step instruction in effective dispute resolution strategies.

- Unreasonable or unethical customer requests
- Abrupt, rude, and unprofessional coworkers

Conflict Management for Managers Houghton
Mifflin Harcourt

Conflict is inevitable, in everyday life and especially in today's increasingly nonhierarchical organizations-in the workplace. So what has always been a key leadership skill, conflict resolution, has become even more critical. But too often, leaders receive little formal training in conflict resolution, and they struggle just to manage the simplest interpersonal conflicts. By using the lessons of this book, readers will be able to apply a thorough, proven method-summarized in ten steps-for resolving conflicts. Following these steps, leaders can analyze a conflict and move toward its resolution with more assurance of a positive outcome for everyone involved.
