Char-grilled or boiled? Sauerkraut or chili? Mustard or ketchup? Vienna Beef or Sabrett? Only these questions could be raised about one of the world's favorite backyard, picnic, ballgame, and street foods—the hotdog. Though nearly two billion hot dogs are consumed by Americans annually in the month of July alone, there is absolutely no consensus on which is the right way to serve up a hotdog. In *Hot Dog*, well known food historian Bruce Kraig recounts the history of this popular “tube steak” from the origin of the sausage 20,000 years ago to its central place in American culture today. Kraig discusses the many brands, including Hebrew National, Pearl, Sabrett, and Vienna Beef, and the regional variations that go along with them—like kosher-style New York dogs loaded with mustard and sauerkraut, New England dogs with Boston Baked Beans, and fully-loaded Chicago style hotdogs, complete with mustard, onion, relish, sport peppers, a dill pickle spear, a dash of celery salt, and tomato slices (but never, ever ketchup). *Hot Dog* covers the other international sausages, like bologna and bockwurst, as well, and explores some of the apocryphal tales of the hotdog in history—like the origin of its name and whether Queen Elizabeth II was truly served hotdogs on a visit to the White House. Packed with tasty facts and recipes, *Hot Dog* reveals the rich history and passionate opinions about this seemingly ordinary food.

The uplifting story of two unlikely mountaineers: a man in late middle age and a fearless pint-sized pup who, together, scale Colorado's highest peaks. By the time life had finished hitting Rick Crandall from all sides, he was at the lowest point of his life, both personally and professionally. Depressed to find himself facing a mid-late-life age crisis and watching his finances crumble as the tech industry bubble burst, he hopes his future isn't headed downhill. It was at this critical juncture in their new marriage that his wife Pamela made an astute and life-changing suggestion: “ Let's get a dog. ” So begins the story of Emme, a 200-pound Saint Bernard trapped in the body of 5-pound Australian terrier puppy. Soon, Emme and Rick hit the hiking trails around Aspen, Colorado. While she is groomed to be a show dog, it's soon obvious that her heart is in the hills and with Rick, who decides to add more challenging hikes to the mix. Before long, they are scaling Colorado's “ fourteeners, ” peaks with altitudes of over 14,000 feet. On one magical day, Emme climbs to the top of four “ fourteeners, ” a quarter of the sixteen such peaks she will complete during her life without once being carried on a trail or on the rocks on the way to a summit. In mountaineering Rick realizes he has found—in his late sixties—his life's new passion. This is where Emme has led him—out of the abyss and to the top of the mountain. She was never really walking behind: she was nudging him along until he found his stride. Even after Rick understood the glory of climbing, it was Emme still doing the leading, until Rick learned how to lead himself.
