gonna rebuild the old
one (cant get kits for
em.. have to buy
parts individually I
am told..) which is BS
I see kits on the
net...and ebay.

I found a Stihl
BG85 at a yard
sale for \$5 because
they guy said it
quit and he
couldn't get it
going again. I
snapped it up
because I have
several of these
and can at least
use it for parts.
The cord would
not pull and I

assumed it was
locked up from a
broken ring from
using straight gas
or something.
