Stihl - Aftermarket

Parts at Jack's

I found a Stihl

BG85 at a yard

sale for \$5 because

they guy said it

quit and he

couldn't get it

going again. I

snapped it up

because I have

several of these

and can at least

use it for parts.

The cord would

not pull and I

assumed it was

locked up from a

broken ring from

using straight gas

or something.
