STIHL Product Instruction
Manuals. The STIHL
philosophy is to continually
improve all of our products.
As a result, engineering
changes and improvements
are made from time-to-time.
If the features, operating
characteristics or the
appearance of your product

differ from those described in this Instruction Manual, please contact your STIHL Dealer. The version of the Instruction Manual that you are about to download has been specifically prepared for STIHL products sold in the United States.

The team at DIY Spare Parts is continuing to work around the clock to fulfil its customers' orders wherever possible. However, following Boris Johnson's address to the nation on the 23 rd March 2020, along with the

new measures that have now been implemented, this is causing us to experience some delays with parts and deliveries.
