Billionaire Ella Parker has always been strong, focused, and independent. As the founder and CEO of Parker Enterprises and one of the world's youngest billionaires, she doesn't have time for love or the drama that comes with being New Orleans' most eligible bachelorette. When mysterious threats surface, Ella is forced to take on additional security and hire a full-time protection detail. When former Navy SEAL and security expert Elliott Quinn enters her life, she finds that her priorities are shifting, and just maybe she can take a chance on love. After leaving the Navy, Elliott turned his expertise into a lucrative business, taking on Ella's job due to his connections with her past. He has always been married to

his work, but despite their best efforts, he soon finds Ella breaking down the walls he worked so hard to build around himself. An intense attraction draws them together, but Elliott knows that breaking the rules and falling for those he is charged with protecting can be a matter of life or death. Clinging to her faith, Ella knows that she has to trust that everything is a part of a greater plan. Elliott isn't sure what he believes in anymore. Both have endured loss and are longing to fill a need within. As the threats against Ella mount, will Elliott be able to protect the woman he has fallen in love with, and will Ella escape with both her life and her heart?

### **The Help** Simon and Schuster

The gripping first installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. One touch is all it takes. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

### **I Am Still Me** Dell

I'm SO over that gorgeous, scary, heartbreaking man who hates my guts. I'm just counting on him to save my life. Never, ever fall for your brother's hot older friend. I flunked the test the instant I laid eyes on Landon Strauss. Tall. Ripped. Commanding. Irresistibly alpha. He gave a damn like no one else did. His soul-searing eyes saw me, not just a nerd girl next door. I had my idol, my destiny, and names for our future kids picked. Then I read Landon's little black book. One nosy peek exposed the shock of a lifetime. His confession. His pain. His plan. The sweet boy I loved was gone. Hero-turned-villain-turned-bad-memory overnight. Five years later, an insane slip of fate puts us under the same roof. Sweet closure, I think. I almost forget he hates me. I almost think we'll talk like normal adults. I don't expect the shirtless behemoth who comes barreling through my door. Landon's grown up. All snarls, testosterone, and lethal chemistry. We're in trouble, he says. Oh, Landon. Oh, baby, don't I know it? From Wall Street Journal bestselling author Nicole Snow - a tale of two hearts torn, stomped, and dragged through the mud. An uber-alpha protector bent on reclaiming his nerd next door. Full length romance novel with a Happily Ever After worth a "hell yeah."

Paris for One and Other Stories is an irresistibly romantic collection filled with humor and heart. "A vicarious jolt of Parisian romance. . . Delightful." – People Magazine "An old-fashioned, feel-good love story. . . It 's as if Moyes has booked a vacation and is taking us along. To Paris. Amour!" – USA Today "Dreamy escapism, a book you can curl up with and easily finish over a weekend, with or without a glass of wine." – Miami Herald Nell is twenty-six and has never been to Paris. She's never even been on a romantic weekend away—to anywhere—before. Traveling abroad isn't really her thing. But when Nell's boyfriend fails to show up for their mini-vacation, she has the opportunity to prove everyone—including herself—wrong. Alone in Paris, Nell finds a version of herself she never knew existed: independent and intrepid. Could this turn out to be the most adventurous weekend of her life? Funny, charming, and irresistible, "Paris for One" is quintessential Jojo Moyes—as are the other stories that round out the collection.

The Psychopomp Book No. 1 Editeurs divers Royaume-Uni & Irlande

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

**INTERNATIONAL BESTSELLER** The bestselling author of *The Simple Wild* and *Keep Her Safe* and “master of steamy romance” (Kirkus Reviews) delivers a sizzling novel about an ambitious and high-powered executive who reconnects with her first love: the boy who broke her heart. Life is a mixed bag for Piper Calloway. On the one hand, she’s a twenty-nine-year-old VP at her dad’s multibillion-dollar real estate development firm, and living the high single life with her two best friends in a swanky downtown penthouse. On the other hand, she’s considered a pair of sexy legs in a male-dominated world and constantly has to prove her worth. Plus she’s stuck seeing her narcissistic ex-fiancé—a fellow VP—on the other side of her glass office wall every day. Things get exponentially more complicated for Piper when she runs into Kyle Miller—the handsome new security guard at Calloway Group, and coincidentally the first love of her life. The guy she hasn’t seen or heard from since they were summer camp counselors together. The guy from the wrong side of the tracks. The guy who apparently doesn’t even remember her name. Piper may be a high-powered businesswoman now, but she soon realizes that her schoolgirl crush is still alive and strong, and crippling her concentration. What’s more, despite Kyle’s distant attitude, she’s convinced their reunion isn’t at all coincidental, and that his feelings for her still run deep. And she’s determined to make him admit to them, no matter the consequences.
