Still the Mind: An Introduction to Meditation by Alan W. Watts  
i dont know where to start with this book. basically, its been one of those life-changing reads to me, along with siddhartha. the amount of wisdom and philosophical info in here is mind-boggling, but somehow alan watts is able to make you understand as though it were the simplest thing in the world. its as though he were a good friend sitting with you explaining things over coffee. its hard to grasp everything in here in one read because there is so much in this small book. i needed to read ...
