Before the first shots are fired within the walls of Stillwater Elementary School, life went on as normal for five women who were close friends. Their monthly girls' night was coming up and they couldn't wait to get together. They all needed this night to run away and be carefree-from their husbands, their children, their church-with no expectations, no responsibilities, where they weren't mothers or wives. No one expected their lives to be torn apart, their friendships tested in one short minute when their town is rocked by a danger lurking in their tight-knit community. As a prequel to Stillwater Rising, this novella gives you a glimpse into the town of Stillwater Bay and its residents. You will see what their lives were like before the storm that descended upon them. NOTE: THIS WAS PREVIOUSLY TITLED BEFORE THE STORM

Charmed by Chocolate Chronicle Books

A Midwesterner contemplates the view of America from a remote Icelandic village: "A pleasure to read and ponder." —Booklist (starred review) A Minnesotan of Icelandic ancestry, Bill Holm had traveled all over the world, gathering material for a number of rich and memorable books. Then he decided to journey to the land his family had long ago left behind for the United States, and moved into a town with one general store in a nation of a few hundred thousand people. This book recounts his time at Brimnes, his fisherman's cottage on the shore of a creek in northern Iceland. There, he embarks on a very different life in a very different world, and from thousands of miles away, considers the fate of America— "my home, my citizenship, my burden" —in these provocative, compelling essays. "A master storyteller." —Los Angeles Times "Bill Holm's life in [this] place of spare beauty will make readers wish they had a Brimnes where they could restore their souls." —Pioneer Press (St. Paul)

Fans of Jodi Picoult and Elin Hilderbrand will fall in love with this series set in the town of Stillwater Bay, a heart-touching series of the devastating aftermath

of a small town school shooting by NY Times & USA TODAY Bestselling author Steena Holmes. In this boxed set are the following stories: BEFORE THE STORM: Before the first shots are fired within the walls of Stillwater Elementary School, life went on as normal for five women who were close friends. Their monthly girls' night was coming up and they couldn't wait to get together. They all needed this night to run away and be carefree - from their husbands, their children, their church - with no expectations, no responsibilities, where they weren't mothers or wives. No one expected their lives to be torn apart, their friendships tested in one short minute when their town is rocked by a danger lurking in their tight-knit community. This prequel novella gives you a glimpse into the town of Stillwater Bay and its residents. You will see what their lives were like BEFORE the storm that rocked their little community descended upon them. STILLWATER RISING: Read the first 5 chapters (as provided by the publisher). After losing her son in an elementary school shooting that devastates the tight-knit community of Stillwater Bay, Jennifer Crowne finds herself unable to settle back into her role of perfect stay-at-home mom and committee organizer. Meanwhile, her best friend, Mayor Charlotte Stone, struggles to keep the town together, and Charlotte's husband, the school principal, may not be the hero everyone thinks him to be. STILLWATER TIDES: What kind of life can you live when you know you should be dead? What happens when all your dreams fall apart and it's a struggle just to get through each day? Grace Bryar is only alive because she called in sick to work and convinced her best friend to go in her place. She was alive when her friend was dead. That kind of guilt doesn't go away and in fact, it holds the power to destroy lives. STILLWATER DEEP: Hidden truths are unspoken lies. Or what others might call secrets. Everyone knows nothing good ever comes from keeping secrets. And yet, that's exactly what Charlotte Stone is doing. Or trying to. It doesn't help that the secret she's trying to keep is slowly destroying everyone and everything around her. Her marriage, her town, her friendships...even herself. Months ago, her tiny town of Stillwater Bay was rocked with a tragedy. One of their own had gone into a local elementary school with a gun and too many lives were lost. The secret Charlotte is keeping is this: she knows why Gabriel Berry went into the school with a gun and it's all her

husband's fault. While Charlotte is trying to remain strong, her husband is slowly falling apart. The secret Jordan's keeping is too much to carry and he needs to confess - but Charlotte won't let him. If he tells the truth it would destroy their town and all those they consider friends. Control-focused Charlotte Stone, mayor of Stillwater Bay, unravels little by little as the secrets become too much for her to carry. Is the truth worth the cost?

Annual Distributions of State and Local Fiscal Assistance Funds Provided in H.R. 13367 Rutgers University Press

This book successfully connects archaeology and archaeometallurgy with geoscience and metallurgy. It addresses topics concerning ore deposits, archaeological field evidence of early metal production, and basic chemical-physical principles, as well as experimental ethnographic works on a low handicraft base and artisanal metal production to help readers better understand what happened in antiquity. The book is chiefly intended for scholars and students engaged in interdisciplinary work.

By New York Times Bestselling author, Steena Holmes and Elena Aitken, comes their latest collaboration, sure to resonate with women everywhere. Life hasn't been easy for Melissa Tait-Rhodes -- but then, how could it be since she's been living a lie for the past ten years. A lie that has completely changed her daughter's life and affected Parker, her brother-in-law in ways neither of them imagined. As the only one in town who shares her secret, it was natural for Melissa to lean on him. After all--he's family. When Nikki Landon decided to say in her hometown of Halfway, Montana, things with her new boyfriend naturally became more serious. In fact, things might be getting a lot more serious between them if it wasn't for one thing--his all too involved sister-in-law getting in the way. But there's more to their relationship that anyone is admitting and when Parker finally comes clean with the truth, Melissa's carefully constructed deception begins to crumble. Secrets in a small town have a way of getting out, and if Melissa and Nikki aren't careful, this is one secret that could destroy everything, including what they both want more than anything--to be with the one they love. Love So Sweet Collection Tule Publishing

Evangelism. The very word makes palms sweat and images spin: buttonholing in a city park, knocking on neighborhood doors, being conscripted into evangelistic campaigns, to say nothing of that annoying religious neighbor or coworker. We have met the evangelists—and they are not us. If evangelism is the welcome door to faith, why does it grate open on rusting hinges? Mark Teasdale has met these challenges and more. They come in the shape of students in his evangelism class. In *Evangelism for Non-Evangelists* he sympathizes with the perceptions and discomfort we bring to evangelism. But he also opens up a nonthreatening space for us to weigh what we believe the evangel of evangelism—the good news!—to be. And he helps us navigate our way toward expressing the gospel in a manner true to what we believe, authentic to who we are, and attractive and even compelling to others. For pastors, seminarians, church leaders, and lay people, here is a refreshing, practical, and companionable look at evangelism. It might even chart a course toward your own authentic evangelism.

USA Best Book Award Winner in General Fiction For overprotective parent Alyson Ward, any time her daughter, Lyla, is out of sight is reason to panic. So it's a big step for her when she lets Lyla attend a sleepover at her cousin's house. Comforted by the knowledge that her sister, Tricia, is the chaperone, Alyson does the one thing she never thought possible: she lets go and trusts that her daughter will be safe. But Alyson's sense of peace is short lived. When Lyla comes home the next morning, she reveals something that could tear apart not only their family but also the entire community. Now, Alyson and Tricia must confront their painful shared past as they come together to help a little girl who they fear might be harboring terrible secrets similar to their own. Will

the sisters be strong enough to face their demons in order to protect the child, even if it means telling their most private truths?

#### Saving Abby Penguin

When Leah ran off to Southern California, she hoped to leave freezing cold winters and unrequited love behind. She was never meant for a small town life and the timing with her longtime best friend – and secret soul mate – was always hopelessly off. But after a mishap on the hit reality show Charming, Leah declares her love for Wade nationwide and is publicly dubbed "Lonely Leah." She returns to Marietta to hide at her family's home – from the media who wants to turn her into a human interest story, from the townspeople upset with her blunder, and most of all, from Wade, who wants to talk. It took Leah leaving town to wake Wade Burns up to the reality that he's head over heels in love with his best friend. But now that she's back home, she's giving him the cold shoulder. With chocolate and a grand gesture, can Wade charm his way back into Leah's heart?

Secrets, deception, and passion consume two pen pals in the TikTok sensation from New York Times bestselling author Penelope Douglas, now with exclusive bonus material! They were perfect together. Until they met. In fifth grade, Misha's teacher set him and his classmates up with pen pals from a different school. For the next seven years, Ryen was his everything. She kept Misha on track and accepted him as he is. They only had three rules: No social media, no phone numbers, no pictures. There was no reason to ruin the good thing they had going...until Misha runs across a photo of a girl online named Ryen. He knows he has to meet her. But he didn't expect to hate what he finds. Ryen has gone three months without a letter from Misha. Did he die? Get arrested? Knowing Misha like she does, neither would be a stretch. She needs to know someone is listening to her. But really, Ryen knows this is her own fault. She should've gotten his phone number, or picture, or something. As a mysterious vandal leaves messages in Ryen's school, she's possessed by the handsome new student who knows just how to hurt and heal her. But she can't stop thinking of Misha. He could be gone forever. Or right under her nose, and she wouldn't even know it...

She has a killer of a secret she's just dying to tell... This page-turning, psychological suspense is a "twisted, diabolical web of deceit, manipulation, and murder that grips from the very first line," according to Samantha M. Bailey, #1 bestselling author of *Woman on the Edge*. Everyone has secrets—some deadlier than others. She was on cloud nine after accepting an offer of a lifetime. A simpler life than what she was accustomed to. What could go wrong? Starla Bishop learned to survive in the foster-care-to-jail system in New York City. There she learned the tools and skills she put to work later to con jewel thieves, drug traffickers, and mobsters out their fortunes. Now fresh out of her latest stint in jail, she accepts a too-good-to-refuse offer—a perfect life on a silver platter. Starla has everything she ever wished for: a simpler life, a normal life, a new start with new job, a straight job-as receptionist for Soil and Springs Landscaping run by a famous botanist. And it got even better—a whirlwind romance and engagement to her boss's charming ex-husband. But everything comes with a price. When bodies start turning up in the gardens of her employer, Soil and Springs Landscaping, Starla and her fiancé are hauled into jail for questioning. The revelation of Starla's secret, previous life and her special skills make her a prime suspect. How much does Starla want the perfect life, and did she use her special skills to keep it, or is this just her biggest con yet? The shocking truth is closer than anyone thinks? Everyone has secrets, some worth killing for.

---

Twenty-year-old Abigail Turner has only known her mother, Claire, who died shortly after she was born, through letters, videos, postcards and journals. Abby's father, Josh, has raised his precious daughter himself, but his overprotectiveness has become stifling. Abby longs to forge out on her own and see the world after a childhood trapped indoors: she suffers from bronchopulmonary dysplasia, which means a case of the sniffles can rapidly escalate into life-threatening pneumonia. But when Abby's doctor declares her healthy, for now, her grandmother Millie whisks her away to Europe to visit the Christmas markets that her mother cherished and chronicled in her travel journals. Despite her father's objections, Abby and Millie embark on a journey of discovery in which Abby will learn secrets that force her to reevaluate her image of her mother and come to a more mature understanding of a parent-child bond that transcends death.
