NEW YORK TIMES BESTSELLER • Martha Hall Kelly's million-copy bestseller *Lilac Girls* introduced readers to Caroline Ferriday. Now, in *Sunflower Sisters*, Kelly tells the story of Ferriday's ancestor Georgeanna Woolsey, a Union nurse during the Civil War whose calling leads her to cross paths with Jemma, a young enslaved girl who is sold off and conscripted into the army, and Anne-May Wilson, a Southern plantation mistress whose husband enlists. "An exquisite tapestry of women determined to defy the molds the world has for them." —Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* Georgeanna "Georgey" Woolsey isn't meant for the world of lavish parties and the demure attitudes of women of her stature. So when war ignites the nation, Georgey follows her passion for nursing during a time when doctors considered women on the battlefield a bother. In proving them wrong, she and her sister Eliza venture from New York to Washington, D.C., to Gettysburg and witness the unparalleled horrors of slavery as they become involved in the war effort. In the South, Jemma is enslaved on the Peeler Plantation in Maryland, where she lives with her mother and father. Her sister, Patience, is enslaved on the plantation next door, and both live in fear of LeBaron, an abusive overseer who tracks their every move. When Jemma is sold by the cruel plantation mistress Anne-May at the same time the Union army comes through, she sees a chance to finally escape—but only by abandoning the family she loves. Anne-May is left behind to run Peeler Plantation when her husband joins the Union army and her cherished brother enlists with the Confederates. In charge of the household, she uses the opportunity to follow her own ambitions and is drawn into a secret Southern network of spies, finally exposing herself to the fate she deserves. Inspired by true accounts, *Sunflower Sisters* provides a vivid, detailed look at the Civil War experience, from the barbaric and inhumane plantations, to a war-torn New York City, to the horrors of the battlefield. It's a sweeping story of women caught in a country on the brink of collapse, in a society grappling with nationalism and unthinkable racial cruelty, a story still so relevant today.

The City of Ember GENERAL PRESS

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

For seven days in April 1968, students occupied five buildings on the campus of Columbia University to protest a planned gymnasium in a nearby Harlem park, links between the university and the Vietnam War, and what they saw as the university's unresponsive attitude toward their concerns. Exhilarating to some and deeply troubling to others, the student protests paralyzed the university, grabbed the world's attention, and inspired other uprisings. Fifty years after the events, *A Time to Stir* captures the reflections of those who participated in and witnessed the Columbia rebellion. With more than sixty essays from members of the Columbia chapter of Students for a Democratic Society, the Students' Afro-American Society, faculty, undergraduates who opposed the protests, "outside agitators," and members of the New York Police Department, *A Time to Stir* sheds light on the politics, passions, and ideals of the 1960s. Moving beyond accounts from the student movement's white leadership, this book presents the perspectives of black students, who were grappling with their uneasy integration into a supposedly liberal campus, as well as the views of women, who began to question their second-class status within the protest movement and society at large. *A Time to Stir* also speaks to the complicated legacy of the uprising. For many, the events at Columbia inspired a lifelong dedication to social causes, while for others they signaled the beginning

of the chaos that would soon engulf the left. Taken together, these reflections present a nuanced and moving portrait that reflects the sense of possibility and excess that characterized the 1960s.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.
