The Ampleforth Journal Simon and Schuster
The Apostle Paul's reference to the "tongues of angels" (1 Cor 13.1) has always aroused curiosity, but it has rarely been the object of a history-of-traditions investigation. Few readers of Paul's words are aware of the numerous references and allusions to angelic languages in Jewish and Christian texts. John C. Poirier presents the first full-length study of the concept of angelic languages, and the most exhaustive attempt to assemble the evidence for that concept in ancient Jewish and early Christian texts. He discusses possible references to angelic languages in the New Testament, pseudepigraphic writings (both Jewish and Christian), the Dead Sea scrolls, rabbinic texts, patristic references, magical writings, and epigraphy. The discussion is divided between those witnesses that understand angels to speak Hebrew, and those that understand angels to speak an esoteric heavenly language.

In the small town of Cougar, struggling single mother and veterinary assistant Teresa Lansing is still bruised from a failed relationship when Frank McAllister sweeps her off her feet. Frank is a big-city SWAT officer who moved to Cougar only four months ago. He's handsome, charming, forceful, very sexy, and a bit mysterious. He had his eye on Teresa even before they met and is pushing for a serious relationship right away. Teresa finds his intense courtship flattering, and the sex is fabulous, but she doesn't want her deaf six-year-old son to be hurt again. Her former fiancé cheated on her when he got drunk after being unjustly fired, but he loves her and her son, and the whirlwind romance is complicated by his efforts to win Teresa back. And then there's the matter of the bodies buried at Big Devil Creek...

Death Wish Simon and Schuster
This book explores how the Internet is connected to the global crisis of liberal democracy. Today, self-promotion is at the heart of many human relationships. The selfie is not just a social media gesture people love to hate. It is also a symbol of social reality in the age of the Internet. Through social media people have new ways of rating and judging themselves and one another, via metrics such as likes, shares, followers and friends. There are new thirsts for authenticity, outlets for verbal aggression, and social problems. Social media culture and neoliberalism dovetail and amplify one another, feeding social estrangement. With neoliberalism, psychosocial wounds are agitated and authoritarianism is provoked. Yet this new sociality also inspires resistance and political mobilisation. Illustrating ideas and trends with examples from news and popular culture, the book outlines and applies theories from Debord, Foucault, Fromm, Goffman, and Giddens, among others. Topics covered include the global history of communication technologies, personal branding, echo chamber effects, alienation and fear of abnormality. Information technologies provide channels for public engagement where extreme ideas reach farther and faster than ever before, and political differences are widened and inflamed. They also provide new opportunities for protest and resistance.

The Attic Room Harlequin
Think you know Mozart? Think again. Wolfgang Amadeus Mozart, child genius, revered composer, bringer of joy and comfort to countless generations of music lovers? Well, yes - and no. Exploring and unpicking the many legends about the much-loved and brilliant composer, John Suchet reveals a richer, more in-depth portrait of Mozart: blessed with a happy disposition yet suffering from bouts of depression, successful from a young age yet often struggling financially as he struggled to make his way in the world under the shadow of his domineering father. Naturally mischievous and obsessed with toilet humour, this is not the divine like figure we have come to expect. This is Mozart the man, as you may never have seen him before. 'Rich with wit and warmth, this compact biography is thoroughly enchanting' Kirkus Reviews 'Splendidly written... this captivating story will make a wonderful addition to anyone's library and is a must read for music lovers' NY Journal of Books

Murder in Advent Pan Macmillan
A curmudgeon and his eccentric new roommate join together to plan an epic escape in this charming, poignant tale. Joel lives in a nursing home, and he's not one bit happy about it. He hates being told when to eat, when to sleep, when to take his pills. He's fed up with life and begins to plan a way out when his new roommate, a retired soap opera actor named Frank, moves in and turns the nursing-home community upside down. Though the two men couldn't be more opposite, a fast friendship is formed when Frank is the only one who listens to and stands up for Joel. When he tells Frank about his burgeoning plan, they embark together on a mission to find the perfect escape, and along the way will discover that it's never too late for new beginnings. Filled with colorful characters, sparkling humor and deep emotion, *The Great Unexpected* is the story of friendship, finding oneself later in life and experiencing newfound joy in the most unexpected places.

The Path to the Sea Sourcebooks, Inc.

They stared at each other, and Maggie felt the tightness in her middle expand as it shifted, burning its way up... Painful sobs rose in her throat as Colin, his face expressionless now, reached for his mobile and tapped 999. When three-year-old Olivia disappears from the beach, a happy family holiday comes to an abrupt end. Maggie is plunged into the darkest nightmare imaginable - what happened to her little girl? Further along the coast, another mother is having problems too. Jennifer's daughter Hailey is starting school, and it should be such a happy time, but the child has become moody and silent. Family life has never seemed so awkward, and Jennifer struggles to maintain control. The tide ebbs and flows, and summer dies, but there is no comfort for Maggie, alone now at the cottage, or for Jennifer, still swamped by doubts. 'A psychologically astute, edge-of-the-seat story.' Hilary Johnson 'Unsettling and disturbing... I couldn't put it down.' Rebecca Muddiman 'Breathtaking and utterly compelling.' Debi Alper A psychological page-turner, perfect for fans of Linda Green, Alex Marwood and Sophie Hannah

Stolen Mohr Siebeck
A stunning debut novel with an intriguing literary hook: written in part as a letter from a victim to her abductor. Sensitive, sharp, captivating!Gemma, 16, is on layover at Bangkok Airport, en route with her parents to a vacation in Vietnam. She steps away for just a second, to get a cup of coffee. Ty--rugged, tan, too old, oddly familiar--pays for Gemma's drink. And drugs it. They talk. Their hands touch. And before Gemma knows what's happening, Ty takes her. Steals her away. The unknowing object of a long obsession, Gemma has been kidnapped by her stalker and brought to the desolate Australian Outback. *STOLEN* is her gripping story of survival, of how she has to come to terms with her living nightmare--or die trying to fight it.
The Cold Cold Sea Avon Books
The development of Africa's oil has greatly accelerated in recent years, with some countries looking at the prospect of almost unimaginable flows of money into their national budgets. But the story of African oil has usually been associated with conflict, corruption and disaster, with older producers such as Nigeria having little to show for the many billions of dollars they've earned. In this eye-opening book, former BBC correspondent Celeste Hicks questions the inevitability of the so-called resource curse, revealing what the discovery of oil means for ordinary Africans, and how China's involvement could mean a profound change in Africa's relationship with the West. A much-needed account of an issue that will likely transform the fortunes of a number of African countries - for better or for worse.

The Romance of the Lace Pillow CreateSpace
In Paris, an elderly man is assassinated as he takes his morning walk. In the war-torn cities of Syria, government forces wage a bloody war against their own people. The Russians are propping up the government, the French are backing one rebel fraction and the British are backing another. And in north Africa, young SAS trooper Danny Black is coming to the end of a gruelling tour of duty... or so he thinks. Danny has a new mission. An MI6 agent needs to make contact with Syrian rebel forces, and also with the private military contractors who are - unofficially - training this rebel faction as it struggles to bring down their government and establish a new regime that will be favourable to British business interests. As they travel deep into rebel heartland, Danny will learn who the masters of war, the men who call the shots, really are. As Danny finds himself sucked into the murky orbit of the private military, he discovers a world where death is dispensed by the highest bidder and individuals will betray anybody if the price is right. And where a secret lurks that will change the course of Danny's own life, however long that might last...
Mozart: the Man Revealed Springer
In this searing, "indisputable page-turner" (Associated Press), a town's

dark secrets come to light in the aftermath of a young priest’s unthinkable last act—in the vein of *The Dry* and *Where the Crawdads Sing*. In *Riversend*, an isolated Australian community afflicted by an endless drought, a young priest does the unthinkable: he kills five parishioners before being taken down himself. A year later, journalist Martin Scarsden arrives in *Riversend*. His assignment: to report how the townspeople are coping as the anniversary of the tragedy approaches. But as Martin meets the locals and hears their version of events, he begins to realize that the accepted explanation—a theory established through an award-winning investigation by Martin’s own newspaper—may be wrong. Just as Martin believes he’s making headway, a shocking new crime rocks the town. As the national media flocks to the scene, Martin finds himself thrown into a whole new mystery. What was the real reason behind the priest’s shooting spree? And how does it connect to other deaths in the district, if at all? Martin struggles to uncover the town’s dark secrets, putting his job, his mental state, and his very life at risk. For fans of James Lee Burke, Jane Harper, and Robert Crais, *Scrublands* is “a gritty debut...sensitively rendered” (*The New York Times Book Review*) that marks Chris Hammer as a stunning new voice in crime fiction.

Many Christians live as though they are effectively alone in the world. However, there is another realm of intelligent life that plays a role in the world—angelic beings. This book explores the doctrine of angels and demons, answering key questions about their nature and the implications for Christians' beliefs and behavior, helping readers see their place in the larger biblical plotline that includes supernatural beings. An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ's victory on the cross.

At a lush villa on the sun-soaked island of Madeira, Martin Radford is given a second chance. His life ruined by scandal, Martin holds in his hands the leather-bound journal of another ruined man, former British cabinet minister Edwin Strafford. What’s more, Martin is being offered a job—to return to England and investigate the rise and fall of Strafford, an ambitious young politician whose downfall, in 1910, is as mysterious as the strange deaths that still haunt his family. Martin is intrigued by Strafford’s story, by the man’s overwhelming love for a beautiful suffragette, by her inexplicable rejection of him and their love affair’s political repercussions. But as he retraces Strafford’s ruination, Martin realizes that Strafford did not fall by chance; he was pushed. Suddenly Martin, who has not cared for many people in his life, cares desperately—about a man’s mysterious death and a family’s terrible secret, about a love beyond reckoning and betrayal beyond imagining. Most of all Martin cares because the story he is uncovering is not yet over—and among the men and women still caught in its web, Martin himself may be the most vulnerable of all....
