A comprehensive guide to understanding and using storytelling in therapy with kids and teens "George Burns is a highly experienced clinician with the remarkable ability to create, discover, and tell engaging stories that can teach us all the most important lessons in life. With *101 Healing Stories for Kids and Teens*, he strives especially to help kids and teens learn these life lessons early on, providing them opportunities for getting help and even learning to think preventively." -Michael D. Yapko, PhD | Author of *Breaking the Patterns of Depression and Hand-Me-Down Blues* "George Burns takes the reader on a wonderful

journey, balancing metaphor, good therapeutic technique, and empirical foundations during the trip. Given that Burns utilizes all three aspects of the Confucian story referred to in the book-teaching, showing, and involving-readers should increase their understanding of how stories can be used therapeutically." -Richard G. Whiteside, MSW | Author of *The Art of Using and Losing Control and Working with Difficult Clients: A Practical Guide to Better Therapy* "A treasure trove for parents and for professionals in the child-development fields." -Jeffrey K. Zeig, PhD | Director, The Milton H. Erickson Foundation

Stories can play an important and potent role in therapy with children and adolescents-helping them develop the skills to cope with and survive a myriad of life situations. In many cases, stories provide the most effective means of communicating what kids and teens might not want to discuss directly. *101 Healing Stories for Kids and Teens* provides straightforward advice on using storytelling and metaphors in a variety of therapeutic settings. Ideal for all who work with young people, this unique resource can be combined with other inventive and evidence-based techniques such as play, art, music, and drama therapies as well as solution focused, hypnotic, and cognitive-behavioral approaches. **Baby Teeth** Chicken Soup for the Soul  
 From the Modern Library's new set of beautifully repackaged hardcover classics by William Faulkner—also available are Snopes, As I Lay Dying, The Sound and the Fury, Light in August, and Absalom, Absalom! William Faulkner was a master of the short story. Most of the pieces in this collection are drawn from the greatest period in his writing life, the fifteen or so years beginning in 1929, when he published *The Sound and the Fury*. They explore many of the themes found in the novels and feature characters of small-town Mississippi life that are uniquely Faulkner's. In "A Rose for Emily," the first of his stories to appear in a national magazine, a straightforward, neighborly narrator relates a tale of love,

---

betrayal, and murder. The vicious family of the Snopes trilogy turns up in "Barn Burning," about a son's response to the activities of his arsonist father. And Jason and Caddy Compson, two other inhabitants of Faulkner's mythical Yoknapatawpha County, are witnesses to the terrorizing of a pregnant black laundress in "That Evening Sun." These and the other stories gathered here attest to the fact that Faulkner is, as Ralph Ellison so aptly noted, "the greatest artist the South has produced." Including these stories: "Barn Burning" "Two Soldiers" "A Rose for Emily" "Dry September" "That Evening Sun" "Red Leaves" "Lo!" "Turnabout" "Honor" "There Was a Queen" "Mountain Victory" "Beyond" "Race at Morning"

Primarily set in the northern Bahamas, this book weaves its story of post-apocalyptic survival into the local subtropical seascape and the sailing culture that can be found there. With its evocative use of real locations haunted by zombie-like infected and atmospheric depictions of the trials of life at sea drawn from the author's own experiences, *For Those In Peril On The Sea* provides a new and unusual take on the traditional post-apocalyptic genre. From the back of the book: After a six week voyage across the Atlantic, they couldn't wait to get to shore. When they got there, they found the land would never be safe again... There was nothing to suggest it would be anything more than a routine delivery. Four people thrown together by chance, sailing a newly-built catamaran from South Africa to Miami. But while they were away, something happened, something none of them could ever have imagined. When they get back to civilisation, they find it no longer exists. The land is no longer safe. Their only

---

option is to stay on the boat and try to survive. Join Bill, Rob, Jon and CJ as they travel around their frightening new world. One where they must struggle against the infected that now rule the land, the elements and each other.

**Lizzie Nonsense** Independently Published

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her

own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - 'ME LADDIE'. Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and 'needs no help from anyone, thank you' - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to

---

honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.
